Building Sale Leaves Lodges Without Rooms

Silverton, Or., May 20.—The sale of the opera house building a few days ago has created a great disturbance in some of the lodges and other organizations who have been occupying rooms in the building. There are three halls on the upper floor and the Modern Woodmen, Royal Neighbors, Loyal Legion and military company have been occupying the rooms. Notice has been given all to vacate for the reason that the second floor of the building will be converted into living rooms to be occupied by the men who now own the building. There are no other hall rooms available in Silverton at the present time and it is likely that these orders will be without a home for a few months.

Business Man Of Silverton To Back Millage Bill

Silverton, May 20.—When asked if he expected to support the educational measures on the ballot at the election Friday, J. L. Robinson, manager of the H. L. Stiff Furniture Co. in this city, said, "I certainly do. I have no children to educate, but I have a heart felt interest in my neighbors' children and realizing, as I do, that the educational systems of Oregon need 'fixing' in order to keep abreast with the general developments of the west, I am going to do my bit to provide adequate schools and colleges. This is a matter which should interest all classes. Every member of every party has a duty to perform at the polls tomorrow, whether he be republican,

IF WEAK, THIN OR NERVOUS DON'T WORRY

Try The Bitro-Phosphate Health System—\$300 Guarantee
New York. If you are feeling run down, weak, nervous, tired in the morning, and generally ailing, these are the symptoms that should warn you to take care of your health.

Four persons in every ten are needing more phosphorus in their bodies. When you see thin and fretful people; or those who are anemic, pale, frail, oft despondent or lacking in energy, you may look for the need of certain elements that make for a strong constitution.

Some people, after relying upon preparations composed chiefly of salts, quinine, drastic drugs, iron, calomel, cod liver oil, etc., wonder why they find no benefit. That is easily explained by the fact that such persons need the phosphoric element, which is a most potent essential to health, and contained in BITRO-PHOSPHATE, the famous health preparation. Now obtainable everywhere.

The right thing for you to do is made a trial of BITRO-PHOSPHATE beginning at once. It is not a patent medicine; the formula is prescribed by many physicians for the ailments and weaknesses mentioned above.

With every box of BITRO-PHOSPHATE, are a few simple health rules and a \$300 guarantee. Buy a box of BITRO-PHOSPHATE. It is sold and recommended by all good druggists everywhere.

Buttermilk for Wrinkles and Enlarged Pores

This Good Looking Young Woman Uses Old Time Recipe of Buttermilk Cream in a New Way—A Gentle Massage with Gingers Before Retiring All That is Necessary

The old time application of Buttermilk and Cream to whiten and preserve the skin and remove harsh little wrinkles and ugly sallowness is grand mother's recipe and women throughout the country are again using it to ensure a beautiful complexion and snow white arms and hands.

Buttermilk, however, is not always obtainable, but a specialist has at last perfected a method of concentrating buttermilk and combining it with a perfect cream, which you can buy in small quantities ready to use at any first class drug store by simply asking for "Howard's" Buttermilk Cream.

There is no secret about it nor is there any doubt about the result—it's just common ordinary buttermilk in the form of a wonderful cream, gently massaged with the finger tips around the corners of the eyes and mouth, Howard Bros. Chemical Co., Buffalo, N. Y.

Of These
Silk Sports SKIRTS
Of Silks, Satins and Crepe de Chine

Fashion has decreed the sports skirt a necessity of the summer wardrobe. And surely it is a delightful necessity when one finds such lovely models as we are now showing. Your skirt may be a gleamy white or a pastel shade of delicate tint. When worn with the sheer blouses of the present mode, a silk sports skirt becomes a thing of beauty.

We regret that we were able to secure only a hundred and fifty of these skirts, for they were such a fortunate buy that we are able to price them most attractively. We will doubtless have many more calls for these skirts than we can accommodate, but, of course, it is the early shopper that will reap the advantage of this sale.
