Your complexion tells a story to the world

HOW tearful, how confidently, the girl with a fresh, soft, lovely skin meets the eyes of the world! Nothing to conceal! For almost always a clear, radiant complexion is an indication of a buoyant, well-poised nature, healthful living, and fastidious habits.

Nothing so quickly creates an impression of your personality as your skin. Don't let it all of neglect, or unhygienic habits. Even if through the wrong kind of treatment your complexion has lost the smoothness and freshness it should have—if it has become pale and sallow—disfigured by blemishes or little blackheads—you can give it back the color and clearness that make other girls' complexions so attractive.

For your skin is constantly changing—it changes every day in spite of you. Each day old skin dies and new skin takes its place. This new skin, if given the care its particular need demands, will respond instantly and gratifyingly.

Blackheads are a confession

Perhaps you feel at a disadvantage in meeting people because your skin is constantly marred by disfiguring blackheads. Blackheads are a confession that you are using the wrong kind of cleansing for your type of skin. To keep your skin free from this trouble, try using every night this special treatment:

Apply hot cloths to the face until the skin is reddened. Then with a rough washcloth, work up a heavy lather of Woodbury's Facial Soap and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with clear hot water, then with cold—the colder the better. If possible, rub your face for thirty seconds with a lump of ice. Dry carefully. To remove the blackheads already formed, substitute a flesh brush for the washcloth in the treatment given above. Then protect the fingers with a handkerchief and press out the blackheads.

The very first time you use this treatment, it will leave your skin with a slightly drawn, tight feeling. This only means that your skin is responding to a more thorough and stimulating kind of cleansing than it has been accustomed to. After a few nights this drawn sensation will disappear and your skin will emerge from its nightly treatment with such a soft, clean, healthful feeling that you will never again want to use any other method of cleansing your face. Use the treatment regularly, and in a few weeks you will be surprised to see how your skin has improved—how much clearer, more attractive it has become.

Special treatments for each different skin need—for blemishes—coarse texture—conspicuous nose pores, etc.—are given in the famous booklet of treatments that is wrapped around every cake of Woodbury's Facial Soap. Get a cake today—begin your treatment tonight.

Woodbury's Facial Soap is on sale at any drug store or toilet goods counter in the United States or Canada. A 25 cent cake lasts for a month or six weeks of any treatment, or for general cleansing use.

Would you like to have a trial size cake?

For six cents we will send you a trial size cake (enough for a week of any Woodbury facial treatment), together with the booklet of treatments, "A Skin You Love to Touch." Or for fifteen cents, we will send you the treatment booklet and samples of Woodbury's Facial Soap, Facial Powder, Facial Cream and Cold Cream. Address The Andrew Jergens Co., Spring Grove Ave., Cincinnati, Ohio.

If you live in Canada, address The Andrew Jergens Co., Limited, Sherbrooke Street, Perth, Ontario.

You can keep your skin free from blackheads by using, every night, the special Woodbury treatment given on this page.

Wheat Movement Threatened.
 Washington, May 19—Lack of transportation prevented the liquidation of a large part of last year's wheat crop, and threatens delay in movement of the crop soon to be harvested, grain dealers from the southwest and northwest declared today at a conference called by Julius H. Barnes, head of the United States Grain Corporation, to discuss plans for meeting the situation to result from termination of government control June 1.
