

Voting And Precinct Guide Keep For Future Reference

Owing to the recent re-mapping of Salem wards and precincts much confusion has resulted from the subsequent shifting of ward boundaries. City Recorder Earl Brey has supplied a tangible boundary summary of Salem's newly arranged wards and voting precincts. With the list of polling places, these are given as follows: (Voting hours and rules for the Primary Election, Friday, May 21, are given elsewhere in this issue):

WARD ONE—Precincts 9, 19, 15; on the west by the river, on the south by Union street to High and thence to Center street; on the east by 12th street and on the north by Market street.

BOOTHs—No. 9—Epistlet church, corner D and Cottage streets. No. 15—Hunts cannery, Division street. No. 10—Garfield school.

WARD TWO—Precincts 2, 11; on west by High street; south by Ferry street; east by 18th street and north by Center street.

BOOTHs—No. 2—First floor of Bungalow Christian church, Court and 17th streets. No. 11—County court house.

WARD THREE—Precincts 16, 17; on west by the slough and the Willamette river; south by Miller street; east by High street and north by Union street.

BOOTHs—No. 16—City hall. No. 17—Marion hotel, sample room.

WARD FOUR—Precincts 4, 5, 12; bounded on west by High street; south by Miller street, Mission street and the Salem-Turner road; east by city limits and north by Salem-Macleay road, State street to 19th street, thence south one block to Ferry street, the northern boundary.

BOOTHs—No. 4—Swedish Tabernacle, corner Mill and 15th streets. No. 5—Richmond school. No. 12—Real Burner factory, corner Trade and Winter streets.

WARD FIVE—Precincts 7, 8, 14; bounded west by the river; south by Market street; east by Southern Pacific tracks to Madison avenue and thence east to city limits (in line with Madison avenue) from city limits at Fairgrounds west to S. P. tracks and then north on tracks to city limits, the northern boundary.

BOOTHs—No. 7—Highland school. No. 8—Reddaway store, 1421 North 6th street. No. 14—Kurtz fruit dryer, North Commercial street. Fairgrounds, at fire station. (Voters in this vicinity will vote on Fair Grounds amendment measure and county and state ballot items, as in precincts outside of Salem.)

WARD SIX—Precincts 1, 3.—West by 12th street; south by Center to north 15th, thence to State street and the Salem-Macleay road; east by the city limits and north by Madison street.

BOOTHs—No. 1—United Brethren church, corner 17th and Nebraska streets. No. 3—Cameron's paint shop, 21st street, between Court and Chemeketa.

WARD SEVEN—Precincts 6, 13, 18. Bounded west by the slough and city limits; south by city limits; east by city limits to Salem-Turner road, Mission street, Lee street to 12th, thence south on 12th to Lee, thence across Bush pasture to Miller street, forming the north boundary.

BOOTHs—No. 6—Yew Park school; No. 13—Mrs. D. McIntyre residence, 1445 S. Church street. No. 18—Friends church, corner Washington and Commercial streets.

Scotts Mills Girl is Winner of Gold Medal Essay Prize

Sylvia Heinz, a high school student of Scotts Mills, received the gold medal prize offered by W. M. Smith, superintendent of Marion county schools for the best essay from schools in class A, for the 1920 semester. Miss Heinz's essay subject, "Why the Two Mill Tax?" is given herewith:

"The United States is now tending a great period of reconstruction, during which high and right thinking by many well educated minds will be the only thing that can carry it through safely. This means that instead of declining, as our education system is now doing, it must be improved.

"The United States of tomorrow will be governed by the students of today. That which they are now taught will influence their work, and consequently the government.

"Good teachers, and plenty of them, is what is most needed; but now, when we need them most we are discouraging them as never before. In Oregon alone we are short nearly five hundred teachers; and the nation, one hundred thousand; all have left for better paying positions. Can we blame them? At a time when even the lowest wage is raised so as to be on a plane with the higher prices the teacher must live on a wage that is as low as unskilled labor, and which hasn't near the purchasing power of a few years ago. Can we expect them to live for twelve months on nine months earnings that are as low as the ash collector's?

"Satisfaction is an inspirer of cheerfulness, enjoyment, contentment and an incentive to do one's best. If teachers are not satisfied we cannot expect them to have enthusiasm in or for their work. And no teacher can do his best and be satisfied when financial worries and the lure of a better position keeps his thoughts from his work. The interest and enthusiasm of the child depends a great deal upon the teacher; so under present conditions the student cannot do his best work, and his schooling is not benefiting him as it should.

"Districts which are now burdened with heavy taxes should not fight but should welcome the two mill tax; for it is levied on all alike, and those districts which now have no need for taxation will aid in overcoming the deficiency of the other districts. Think those who are now being encumbered by heavy taxes can either reduce them or use the money for improvements. The tax is to be distributed on the teacher instead of the usual pupil basis; that is the money will be proportioned according to the number of teachers. Schools having fewer than thirty one elementary pupils are allowed but one teacher.

"Ignorance and anarchy go hand in hand. Those who have little education are easily lured to base ideals and works. There is not, and can not be, a country where ignorance and freedom exist in correlation; either the one or the other must prevail. We Americans prize our freedom, so let us discourage ignorance by voting for the two mill tax."

Putnam Funeral To Be On Friday

This funeral of J. S. Putnam, age 72, who died at his home, 425 North 17th street, Wednesday, will be held at the chapel of the Rigdon & Son company, 252 North High street, at 2:30 p. m. Friday. Rev. Roeder will conduct the services. Burial will be in City View cemetery.

Mr. Putnam came to Salem 2 1/2 years ago and has made his home here continuously since that time. One daughter, Miss Mary Putnam, Salem; and seven sons, W. R. Putnam, Salem; O. J. Putnam, residing in Nebraska; H. A. Putnam, Portland; J. O. Putnam, Montana; L. R. Putnam, Chicago, and Rex Putnam, Tacoma, survive him.

Union Oil Reports.

A total of 130,342 gallons of gasoline and 59,681 gallons of distillate were sold in Oregon during April by the Union Oil Company.

ALKALI IN SOAP BAD FOR THE HAIR

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified coconut oil shampoo which is pure and greaseless, and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly, shampoo, moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, soft and easy to manage.

You can get mulsified coconut oil shampoo at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.

Raw From Eczema

Why not see what one bottle of D.D.D. will do for your eczema. Itching stops at once. No. 30, 24c. Try D. D. D. Soap, too.

Martin Should Be Elected

Ivan G. Martin, now state representative, should be reelected for the following reasons:

He is a man fully qualified for the office:

He is a member of the legislature and is familiar with the duties of the office and is in a position to get results:

He consistently supported good roads; the only item in which he differed with the road committee was in the manner of submitting bids; Mr. Martin taking the position that specifications should be submitted to the contractors and bids submitted on these specifications, he voted for every road bill.

He is on a special committee to report at next session on the drainage of lands; important to Marion county:

He is endorsed by labor having been fair to both labor and capital; He is a taxpayer;

He has resided in Marion county; the greater part of his life; He was a farmer boy, went to the country schools and has an interest in the farm;

He is in a position to know commercial conditions;

He has been active in soldier legislation and has advertised Oregon by passing the fruit label bill;

His record has shown that he is a friend of the people;

He has had the ability and influence to pass the majority of measures he introduced.

Why should we not reelect him?

—A TAXPAYER.

Used Cars

These cars have been taken in on Libertys, Skeltons and American Beauties, and are all in A-1 condition—

Dodge, newly painted	\$875
Dodge, nearly new	\$1050
Overland, 85B	\$975
Overland, repainted	\$250
Studebaker, '17	\$750
Indian Motorcycle	\$100

Bowzer, nearly new 5-gallon stroke gasoline pump

Steelhammer Does Not Believe In 10 Per Cent Increase In Property Valuations

Declaring that he does not believe that the 10 per cent increase in property valuations in Marion county, that has been imposed by the county assessor's office, is necessary, O. A. Steelhammer, republican candidate for nomination in the primary election this Friday, in a statement this week, explained his views in levying assessments in the county.

"No other county in the state has found it necessary to make an increase like this," Mr. Steelhammer said, "although each county in the state is governed in this respect by the same law. Therefore, I believe that it is an injustice to the taxpayers of Marion county when they are compelled to pay this unjustified increase."

Mr. Steelhammer said that he believed that through proper equalization of property values, it would be very unnecessary to impose this increased assessment, that has shouldered upon the taxpayers of Marion county a burden of about \$4,000,000 in increased valuation, causing its taxpayers to pay an increased state tax greater than any other county in Oregon.

If nominated and elected to the office of county assessor, Mr. Steelhammer said, he will conduct the office in such a business like, efficient and careful manner that such increase will be unnecessary. Mr. Steelhammer's number on the ballot is X 83, a vote for which will mean a square deal to all, Turner Tribune. (Paid adv.)

To the Ladies of SALEM

Our lady representative will call at your home to show you what Calumet Baking Powder will do for you and why it is called the cook's best friend.

The demonstration and test she will make are interesting and instructive. The test is not a comparative test of the strength of different baking powders because the water glass test does not show the strength of baking powder that does not contain white of egg. The test will, however, show the superiority of Calumet in other respects and prove why it has solved all baking problems in millions of homes. Calumet is not only the best leavening agent possible to make, but it is sold at a popular price and is therefore an important factor in reducing the high cost of living.

Calumet is manufactured in the largest, finest and most sanitary baking powder plant in the world, by experts who make nothing but baking powder. Calumet received the highest awards for purity and efficiency at the world's greatest pure food expositions at Chicago in 1907, and at Paris, France, in 1912. Calumet contains only such ingredients as have been officially approved by the United States Food Authorities.

Calumet is guaranteed to be Pure in the Can and Pure in the Baking. Try Calumet once at our risk. Your money back without question if it isn't the best baking powder you ever used.

STATE ROADS

Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes CONSTITUTIONAL AMENDMENT—Related to the people's right to elect members of the Legislative Assembly.

303 No LIMITATION OF FOUR PER CENT STATE INTEREST FOR PERMANENT ROADS.—Purpose: To amend Article X of the Constitution of the State of Oregon so as to increase the amount of debt and liabilities including previous debt and liabilities for the purpose of building and maintaining permanent roads in the State of Oregon, of the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent as now provided by the Constitution.

NO PROPERTY TAX—NO DIRECT TAX

NO INCREASE IN AUTO LICENSE FEES

NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal appropriations of Oregon cannot get the benefit of Federal money for Oregon unless increasing this constitutional limit is a necessity. Unless limit is increased either state roads cannot be completed for many years, or must be financed by direct property taxation. This measure averts direct property tax for highways and makes early completion possible. Let's get the roads built now.

Incur no Present Source Sufficient to Pay Principal and Interest.

The fact that revenues from auto license fees and gasoline tax, without increase of present taxes, will be sufficient to pay both principal and interest on these bonds, is a security and fact by itself in the State of Oregon, and is not a mere statement. Refer to State Treasurer's Report for a complete list of the facts. Examine the tables carefully. It proves that no property tax is required and that the present auto license fees and gas tax will reduce principal and interest and yield a surplus.

For Interest Tables, Pamphlets or further information, write to OREGON ROADS AND DEVELOPMENT ASSOCIATION, 811 Commercial Building, 215 So. S. Portland, Oregon. Complete Headquarters, 211 Worcester Building, Portland, Oregon.

VOTE 302 X YES—For 4% State Road Bond Limit
