TRY THIS FOR RUPTURE

New Invention Sent on 30 Days' Trial Without Expense to You

Simply send me your name and I will send you my new copyrighted rupture book and measurement blank. When you return the blank I will send you my new invention for rupture. When it arrives put it on and wear it. Put it to every test you can think of. The harder the test the better you will like it. You will wonder how you ever got along with the old style cruel spring trusses or belts with leg straps of torture. Your own good, common sense and your own doctor will tell you it is the only way in which you can ever expect a cure. After wearing it 30 days, if it is not easy and comfortable—if you cannot actually see your rupture getting better, and if not convinced that a cure is merely a question of time, just return it and you are out nothing. Any rupture appliance sent on 30 days' trial without expense to you is worth a trial. Tell your ruptured friends of this. EASY-MOLD CO., 1876 Koch bldg., Kansas City, Mo. (Adv)

COULDN'T RAISE HER HAND TO HEAD

"For the first time in a whole year I am able to do all my housework," said Mrs. C. Libke, R. F. D. 4, box 66, Tacoma, Wash. when a special Tanlac representative, who had heard of her remarkable recovery, called to ascertain the facts, recently.

"Tanlac is certainly the grandest medicine in the world," she continued, "and I just wish I could tell everybody personally what it has done for me. Why, my troubles have been completely overcome and I feel better than I have in years and have actually gained over twenty pounds in weight, besides."

"I don't believe anyone ever had a much worse case of stomach trouble and indigestion than I did. My food would invariably sour and I would just suffer agony after meal from gas on my stomach. I had no appetite and really dreaded to eat on account of the misery it caused me. Then I had an attack of neuritis in my right hand and knee, and I simply cannot describe the awful pain I went thru. I could not use my right hand at all and for six months I could not even raise it to comb my hair. I was badly constipated and would get so weak and dizzy I could hardly walk across the room. My nerves were all shattered and I would often lie awake all night suffering so I could not sleep. Then the rheumatism got in my feet and ankles and I could hardly get around. No kind of treatment or medicine helped me and I got so discouraged and down hearted I almost gave up hope."

"At last I got Tanlac and I will never get through prating it for what it has done for me. My stomach never bothers me at all now and I am eating just anything I want, and I think it the most wonderful thing I ever heard of how Tanlac has built me up. The neuritis and rheumatism have left me entirely and, as I said, for the first time in a whole year I am able to get around and do my housework. I have also been relieved of nervousness and dizziness and can sleep every night just like a child."

Before I got Tanlac I was in such a bad fix that I really thought I couldn't get well, but here I am feeling just fine, so I have the best of reasons for praising Tanlac."

Tanlac is sold in Salem by Tyler's drug store and leading druggists in other towns. (Adv)
