Silverton Mill Remains Closed Until After 4th

Silverton, May 26.—On account of car shortage the Silverton Lumber Co. decided yesterday not to start the mill until after the fourth of July. Twenty men were let out of the mill and the camp force will be reduced Saturday. In fact lumbering will practically be abandoned until cars can be obtained. It is said that sixty cars of lumber are now on the dock at Silverton waiting for cars. The company expected to begin work this week hauling logs over the new road from the camps at Mehama, but this has been abandoned.

Mrs. H. E. Browne left this morning for Eugene where she will visit her daughter, Mrs. Geo. W. Davis, during the week end.

H. B. Latham is in Albany in the interest of the Silverton Lumber Co.

Donald Chinese Caught In Drug Raid Is Released

Donald, May 26.—After languishing in the county jail at Portland for several days and having been bound over to the federal grand jury on a charge of having a large quantity of opium in his possession, Jim Sing, the young Chinaman arrested at his home near Donald a few days ago, was released on \$5000 bail furnished by some of his Portland friends. Sing reached home yesterday.

A few nights ago he was followed from Portland by federal officers who searched his home and seized \$16,800 worth of the drug. It is said that Sing fired at the officers as they neared his home, but they returned the fire and eventually captured the young Chinaman and his rich holdings.

Sing claims that the officers, in searching his home, took a sum of money and 5 suits of clothes. People of Donald, however, place no credit in this statement.

Sing is said to be a highly educated celestial and a financier of more than average ability. He came here a few months ago and purchased the Hergerin place and planted a big hop yard. Sing was caught with the goods and there is every reason to believe that he will be convicted at the trial to be held later.

Hubbard Police Officer Recovers

Hubbard, May 26.—Joseph Johnson, city marshal, was taken to Portland Monday where he underwent an operation. Despite the fact that Mr. Johnson is seventy two years of age, he came out from the ordeal remarkably well and bids fair to permanently recover. He was taken sick a week ago.

R. A. DENNISON of Los Angeles, owner and trainer of fine trotting horses, who says Taniae put him right back on his feet again, after he had been in bad health for over a year. Declares he is feeling like his old self now.

"For the past year or more I have not been right physically. I just didn't feel good at all, but last April 22d I had an awful attack with my stomach which nearly drew me up and I have been worse ever since.

"About the best way I can describe the way I felt is to say I was just leg weary and all in. I really did not have strength to keep going and I gave up all idea of trying to work. For a long while I had no appetite but would eat anyhow though my food never seemed to do me any good.

"I would go to bed at night and would sleep but apparently did not rest for I would get up just as tired as when I went to bed. I got so I could scarcely go a block but want I would have to stop and rest.

"Well, I read about Taniae one day and that reminded me that a friend had spoken about the same medicine. So I got some and began to take it. I had been taking it about a week when one evening, after supper, I started to walk and before I realized it I had walked up to First street and back, about 14 blocks and never felt it at all and then I realized that the tonic was helping me.

"I have taken four bottles now and am just feeling real good again. I am able to be back at the Exposition Stock Yards every day and have just as much energy as I ever had. I get up refreshed in the mornings now and I have a real appetite which makes me enjoy three good square meals every day. Anyone who needs a real tonic will certainly be satisfied with Taniae and I am glad to recommend it to my friends."

The above statement was made recently by R. A. Dennison, a well known owner and trainer of fine trotting horses, residing at No. 214 East 8th street, Los Angeles, Cal. Mr. Dennison has lived in California for 22 years; he is 63 years of age and has followed his present line of business for 20 years. He is well known on the Pacific coast.

Taniae is sold in Salem by Tyler's drug store and leading druggists in other towns. (Adv)

Polk Race For Commissioner To Be Interesting

Dallas, Or., May 26.—Due to the death of Moses Manson about a year ago Polk county has been short one commissioner as the county judge and commissioner could not agree upon a third party. This has been the subject of much discussion among Polk county people and the need of an impartial business man is self evident. There were three republicans and two democrats announced their candidacy before the primary election. The republican aspirants developed into a three-cornered fight between Albert Teal of Falls City, Otis Wolverton of Monmouth and Ezra Hart of Dallas. Resulting in a victory for Hart. The democratic honors went to Chester Gardner, a farmer in the southwest part of the county.

The race in November looms up as one full of great effort for each nominee. Mr. Hart carrying the republican nomination has the big party vote to depend on, yet Mr. Gardner is a favorite among the grange members and will undoubtedly get the Fall City support as they believe that part of the county should have a man to look after their needs.

Mr. and Mrs. I. F. Yoakum and Lawrence Smith motored out to Bridgeport and spent the day Sunday.

Stayton Selects Old Officials To Serve This Year

Stayton, Or., May 26.—City election

was a very lame affair Friday last, the outgoing officials being elected to succeed themselves with no opposition. Those elected are Grant Murphy, mayor; Charles Stayton and J. R. Gardner, councilmen; A. D. Gardner, treasurer; J. B. Grier, recorder; Henry Smith, marshal. Two charter amendments—one in regard to repairing streets, and the other to water works—were snowed under by about two to one.

The new postoffice at Mehama is now open to business. Mail for that office is carried from Stayton by the rural carrier.

A committee is busy endeavoring to raise funds for a celebration of the Fourth of July in Stayton. As there has been no celebration here in several years, it is thought that the project will meet with success and a regular old-time celebration be held.

J. W. Mayo has returned from Portland where he went for a surgical operation. He is recovering nicely.

Several from here expect to attend the chautauqua at Turner this week. The teachers and pupils of the first and second grades of the schools held

a picnic in the Masonic grove Tuesday and had a fine time.

The annual school election will be held June 1st.

Pioneer Vehicle Hauls Prospector Length Of Coast

Aurora, May 26.—A striking contrast between modern and ancient methods of travel was noticed last evening in the appearance of C. A. Saylor, who claims to have ridden all the way from Stockton, Cal., in a vehicle of ancient type drawn by a pair of burros. Passed by the hundreds of automobiles as he drove leisurely over the paved highway the primitive outfit attracted much attention. Saylor is 70 years old. His harness was made of rope and the vehicle was evidently built soon after his birth. He is a mining prospector and has spent most of his life traveling from place to place in this fashion. He says he can travel from fifteen to twenty miles a day, and on good roads like these, pointing to the paved highway, I can cover nearly thirty miles a day. He has been on the road between here and Stockton more than two months and expects to consummate his journey north at some point in Washington.

DANDRUFFY HEADS BECOME HAIRLESS

If you want plenty of thick, beautiful, glossy, silky hair, do it! You must get rid of dandruff, for it starves your hair and ruins it. It doesn't do much good to brush or wash it out. The only way to get rid of dandruff is to solve it, then you destroy it. To do this get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all your dandruff will be gone, and in four or five more applications will be completely dissolved and entirely destroyed. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces will need, no matter how much dandruff you have. This simple remedy never fails.
