

Woodburn Bank To Be National In Near Future

Woodburn, Or., May 26.—This city is to have a national bank in the near future. Cashier F. G. Havemann of the Security State bank made application to the comptroller of the treasury to have his institution converted into a national bank and reservation has been granted.

Affairs will have to be adjusted to meet the new regulations and this is being done as fast as possible so as to be in operation by fall or January 1st as the First National Bank of Woodburn.

Mrs. G. T. Neal was operated on at a hospital in Portland last week for a gall bladder. It proved successful and she will soon be home.

U. S. Livesay sprained an ankle recently while tearing down an old shed which has been on crutches since.

Mrs. Laura Pittenger is spending the week with her sons at Kerry.

Rev. R. W. Achor of this city preached the baccalaureate sermon to the Aurora high school graduating class in that city Tuesday evening.

Misses Bessie Knorr and Ida Schermer took advantage of the bank holiday Friday and spent the day in Portland.

Joy Harriet Turner presented her pupils in recital at the high school auditorium Saturday evening. The large number attending report it very fine, especially the violins in ensemble sections, the dancing by Myrtle Shipman and the reading by Blanche Liston Niemeyer.

The high school graduating class listened to a very fine baccalaureate sermon in the gymnasium Sunday evening by Rev. Clark of O. A. C.

Mr. and Mrs. Kenneth Poorman and children of Portland spent Sunday in this city at the home of the former's parents, Colonel and Mrs. J. M. Poorman.

Dr. and Mrs. V. L. Rocho visited friends in this city Sunday. Dr. Rocho has just been released from the army medical service and was in a Washington, D. C. hospital and at Los Angeles formerly. He will probably locate in Portland.

Mrs. J. H. Zimmer left Sunday night for Baker to attend Rebekah grand lodge. She goes as a delegate from Pansy lodge No. 141 of Needy.

Mrs. L. T. Root of Tacoma arrived Sunday for a visit with her mother, Mrs. K. V. Nicklin and sister, Mrs. H. L. Gill. J. S. Barton of Coquille, her brother, was also here Sunday to see his mother and sisters.

Mrs. Welby Walker and little son spent most of last week with Mrs. Laura Pittenger, leaving Saturday for their home at Kerry, where they recently moved from Portland.

Grover Todd has left the Hazelwood company and goes to work for a creamery at Vancouver, Wash. H. Olson, former creameryman at this place, will take charge of the Hazelwood station here and turn out ice and ice cream on the side.

Normal School Rejoices Over Ballot Victory

Monmouth, Or., May 26.—An enthusiastic group of students and faculty members gathered around the bonfire last Saturday evening to celebrate the passage of the millage bill. Some "stunts" were given by the losing side in the contest, but the winning side and the president gave a short talk, thanking the students for their earnest support of the bill. Later all spent some time in dancing in the gymnasium.

The chapel hour Monday morning was devoted to an expression of the pleasure of students and faculty in the passage of the millage bill. Mr. Butler gave a short talk, Miss McNaughten

THE BEST ON EARTH

Says Mrs. Staples of Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude to it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

The reason that thousands of women from all parts of the country write such grateful letters is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and illness.

It has relieved women from some of the worst forms of female ills, such as displacements, inflammation, and ulceration. Why don't you try it?

spoke for the students and Horace Butler for the training school. All took occasion to thank President Ackerman for his untiring efforts during the campaign. The president himself spoke of the added responsibilities which a larger school will bring. The remarks were fittingly closed by Superintendent Beattie of Cottage Grove who was present, and the students enthusiastically sang the normal hymn.

Faculty members who visited in Corvallis for Junior Week-end included Miss Brenton, Miss Taylor, Miss Smith and Miss Mingus.

Superintendent J. O. McLaughlin of Corvallis was interviewing students who wish to teach in his schools last Monday.

Normal friends were happy to see Mrs. Parrish, nee Miss Hoham, and Mrs. Macy, nee Miss Dunsmore, last week-end.

President Ackerman has accepted an invitation to deliver the commencement address for the graduates of Philomath high school Friday evening.

Miss Cornelia Marvin, member of the normal's board of regents, made a short visit in Monmouth last Sunday.

Friends of Mr. and Mrs. O. W. Hays were grieved to learn of the very serious accident which befell them last Saturday near Eugene. Their car was struck by another and Mrs. Hays and the baby were painfully injured. Mr. Hays completed his work at the normal in April and is now registered at U. of O.

An informal dinner was given President and Mrs. Ackerman Monday evening in the domestic science rooms by faculty members. This also was in the nature of a celebration of the passage of the millage bill.

Central Howell

Central Howell, May 26.—A large motoring party made a trip to the Silver Creek falls Sunday. Those making the trip were Mr. and Mrs. S. Shepherd of Silverton, Mrs. J. B. Shepherd of Silverton, Mr. and Mrs. B. F. Shepherd and daughter Fleda of Central Howell, Mr. and Mrs. Neal Wolf and daughter Bernice of Shaw, Mrs. Alex Anderson and sons Virgil and Arlie of Salem, Mrs. J. A. Simpson of Salem, Mr. and Mrs. M. L. Shepard of Salem, Miss Letha Shepard, Miss Hazel Shepard, Leroy McCollum of Salem, Mr. and Mrs. Chas. Heater and daughter Vivian of Sublimity, Mrs. Sam Pottorff, David Pottorff and Miss Florence Pottorff of Sublimity.

The Central Howell ball team played Mount Angel Sunday. The score was 7 to 1 in favor of Central Howell.

Mrs. Cris Liechty was taken very ill Friday and was taken to the hospital at Salem and Sunday was reported as feeling some better.

Walter Fondric and Lyle Hughes went fishing at Goose lake Sunday and caught 85 fish.

Hubbard People Have Worries of Own; No Juice

Hubbard, May 26.—This is a progressive little city and thoroughly up to date, but occasionally the people have to go back to the dawn of creation and fervently exclaim "let there be light." Unfortunately, however, they have not the power to execute their own desire and must depend upon the Canby company to give them the desire of their hearts. And the company, it is said, is more apt at making excuses than furnishing the required juice. During the time the power was off yesterday a large vat of butter was spoiling in the creamery and the editor of the Hubbard Enterprise, while not breaking any one of the commandments, was nearly breaking his neck to get the linotype started. If the editor could have his way about it, and the buttermaker's help, the present system would probably be fired out and Hubbard would have something or nothing, either of which would be better than depending upon it and not having it.

Mail Shipments To Canada Must Carry Invoices

The postal administration of Canada has notified the United States postal authorities that, in accordance with the customs regulations of that country, no goods exported to Canada from the United States, whether such goods are sent by mail or otherwise, can be entered through the Canadian customs without a certified invoice furnished by the exporter to the Canadian importer or his agent.

The proper commercial designation of goods shipped must be set forth on all invoices. Each must contain a sufficient and correct description of the goods, the actual price at which articles have been sold to the importer and the fair market value of each article as sold for home consumption. The fact that packages of merchandise from the United States for Canada may be accompanied by customs declarations does not obviate the necessity for certified invoices being furnished for use in making customs entry of merchandise.

As a great number of packages destined for Canada pass through the local office, the attention of the public is called to these new requirements.

Hawaiian Schools Crowded. Honolulu, T. H.—Double sessions of the primary schools of the territory to ease congestion in classes which sometimes run as high as seventy pupils, were urged in a recent conference here of supervising principals.

Kick Of Horse Sends Chinese To Hospital

Aurora, May 26.—Chin Soy, a Chinese hop grower of this vicinity, was kicked by a horse yesterday, inflicting a serious fracture of his right leg. Soy was taken to Oregon City and placed in the hospital. He was alone when the accident occurred and for some time lay unconscious a short distance from the house. His wife, mother of a child only a few hours, heard his groans and went out to assist the injured man to the house, and then walked some distance to a neighbor to find assistance. Soy's injury is said to be of a serious nature, and may cause the loss of his limb.

NOTICE! Market Conditions

We advised our customers some time ago in regard to the condition of the Shoe market. We want to again emphasize the importance of buying fewer shoes and fixing up the old ones. There should be no shoes bought now with a view of saving money as the market is in a very unsettled condition and is gradually weakening. The hide market reached the peak last August and this will begin to have an effect on the manufactured product to the retailer in the spring of 1921. As soon as the manufacturers begin quoting lower prices the retailers will throw their stocks on the market at reduced prices which are far too high at the present. We have anticipated these conditions and have bought practically no shoes at the peak of the market but have thousands of dollars worth of shoes on our shelves that we can sell at less than the prices quoted by wholesalers today.

The corn market has dropped—the hog market is on the decline; the stock market has made a big slump. Merchants all over the country are making a frenzied effort to unload their large stocks bought for speculation.

While the prices on Shoes have been climbing we have been unloading all of our undesirable accumulations to outside buyers at good figures and have the cleanest stock of Shoes on the Pacific Coast. We are now ready to serve our customers with the very latest styles at prices that are extremely mistiflying to our competitors. There is a number of manufacturers coming out with cheap shoes that are practically worthless; shoe buyers can not be too careful about getting shoes of reliable makers and from merchants that will stand behind their merchandise with a positive guarantee.

Big Value in Tires for The Smaller Cars.

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3, 30x3 1/2, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread\$23.50
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread\$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water. proof bag\$4.50
