The state house Stars and the Y. M. C. A. Tigers gave spectators, concentrated baseball in the fifth game of the Cherry City twilight league series at Sweetland field, Wednesday night.

The game was finally called on account of darkness at the end of an inning overplay, the score standing 2-2. Bishop and Webb, respective twirlers for the "Y" and Statehouse teams, virtually tied for honors in their own game. Bishop pitched a four hit, no pass, nine strikeout game. Hugh Webb kept the Stars guessing only allowing two hits, and two passes; but inflicting five fan outs on the "Y" men.

Hoswell, of the Tigers, scored first, when Gabrielson drove a long one into left field. The Y's second score came in the first of the fourth, when Adolph stole second and scored on Osborne's two banger to left field.

First honors for the state house team came in the fourth inning, when Small came home on Enruh's over-throw to second. Schneider's noble effort brought in the bacon with the aid of Knickerbocker's double to left field.

The sensational score exhibition attests well to the ability of members of both teams. Wednesday night's game verifies the prediction that this will be the best of any twilight series ever played in this city.

Umpire Johnny Humphreys had his ouija board in perfect working order, for all of his decisions went without occasion for challenge.

Girls! Buttermilk Creates Beauty Overnight

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic, but the most wonderful thing about it is the fact that whilst it turns the dull, out and most lifeless complexion to radiant beauty and makes red or rough arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

It is absolutely harmless and will neither produce or stimulate the growth of hair. Within twenty four hours this wonderful combination called Howard's Buttermilk Cream will work a marvelous transformation. Manufactured at Buffalo, N. Y., by Howard Bros. Chemical Co. (Adv)

package of lettuce seed, one package of summer squash, five grape cuttings, three sweet apple trees, two butternut trees, 35 strawberry plants, three chestnut trees, four lilac bushes, eight rose cuttings.

"If you have got any carpenter books and tools send them and any typewriter, please send it, and the farm account book from the department of agriculture, and any gasoline tractor."

Clemenceau Tells Why French Will Not Accept Plan

Paris, May 26.—Light is thrown on the financial side of the Versailles treaty with Germany by an interview with Georges Clemenceau, former French premier, obtained by Alfred Capus, editor of the Gaulois, and published in that newspaper today.

"Several persons know," said the former premier, "that in the peace conference discussion of a fixed indemnity lasted for three weeks. We should not forget that a fixed sum for indemnity was the Anglo-American idea from the very beginning, and that our allies never abandoned this viewpoint. They even made a most careful valuation of the sum Germany could pay, which was exactly 75,000,000,000 marks in all.

"Out of our share we would have to pay for the reconstruction of devastated regions and I need not tell you we could not agree to such a solution."
