Parked Autos Not Immune In Smash
Auto collisions are not all confined to moving machines. This is evident in reports made to police Wednesday night. When R. W. Ballantyne of West Salem came from the Evangelical church and went to find his machine, he discovered that some other car had collided with it as it stood parked, tearing off one of the front wheels. The driver of the other machine is not known, police said. Mrs. A. R. Johnson reported that her auto sustained damage to the fender as it stood parked near the corner of Commercial and Mission streets and a passing machine struck it. The machine bore license No. 77286, which, records show, belong to Ashley Bros. of Halfway, Baker county. The driver of the car did not stop to adjust damages, Mr. Johnson told police.

Elimination Of Water From Coal Being Attempted
Washington, May 27.—Lignite, or "brown" coal of Texas, North Dakota and other western states, probably will be used extensively as fuel in experiments soon to be made by the bureau of mining in an effort to drive off the moisture which makes it unserviceable for power. Initial experiments will begin at once at New Salem, N. D. Congress has appropriated \$100,000 for the work.

Palmer Opposed To Government Rail Ownership
Washington, May 27.—Flat opposition to government ownership of railroads, endorsement of federal control of manufacture and distribution of "necessary commodities" and elimination of excess profits taxes in favor of higher taxes on incomes from investments characterized the reply of Attorney General Palmer made public today, to the recent questionnaire submitted by the national board of farm organizations.

Copper Goes South.
Percy A. Copper, state engineer, left last night where he will confer with officials of the Medford irrigation district who have just entered into a contract for the development of the project involving the expenditure of \$1,250,000. Copper will also inspect the Eagle Point, Talent, Grants Pass and Southern irrigation districts while in southern Oregon.

The Ridgefield high school glee club gave several numbers at the all day meeting of Pomona grange at Sars, Washington.
