Jefferson-Albany Paving To Be Done Around July 1st

Albany, May 23.—"Work on the Pacific highway paving between Jefferson and Albany will be finished by July 1st," said H. R. Kibbee of the A. Kern company of Portland, contractor for the work, while on a visit to Albany. He was accompanied by H. L. Morrison and K. McCall, also of the company.

"We are putting on a force of 150 men, and will work two shifts night and day," said Mr. Kibbee.

The roadbed is in fine shape for laying the hot stuff, said all the gentlemen, and no trouble is anticipated in fulfilling our plans for early completion of the work.

The company has other contracts in the northern part of the state, and is eager to move the equipment and crew it has here to those places, it is stated.

Albany-Tangent Road Paving This Year Is Sought

Albany, May 23.—Application to pave the Albany-Tangent sector of the Pacific highway during the present season will be made to the state highway commission at its meeting at Salem on June 1st, by the Linn county court, according to an announcement by County Judge W. R. Bilyeu and County Commissioner D. H. Pierce.

This sector comprises seven and a fraction miles from the city limits of Albany to Driver's crossing, just beyond Tangent.

If the application of the county court is granted the court will begin work immediately upon preparing the road for the paving. Work will also be commenced throwing up the grade for the Tangent-Sheild sector during the summer and fall in order to allow it to settle during the coming winter, preparatory to paving it in 1921. This sector extends across the bottoms of the Calapooia river, where it is important to do the grading this season, if paving is to follow the coming year.

Silverton Bank Improves Home;

Silverton, Or., May 23.—Elaborate improvements are now in progress at the First National bank in this city. A large double storage vault is being built in the basement and on the first floor. The improvement will necessitate reducing the size of the working room of the Silverton Appeal and also of the barber shop belonging to E. E. Taylor. The program of improvement also includes a new cement walk at the end of the building on Main street and cement steps to the Appeal office. C. C. Freeman has charge of the work.

William Davenport, a high school boy who lives in the Silverton hills where speeding is prohibited by reason of high altitude, owns a Ford "bug" which sometimes develops more speed on the streets of Silverton than the laws of the city permit. A few days ago the said "bug" was parked in front of the police judge's office by request of Chief of Police Yates, and William willingly willed the city "ten bucks."

J. W. Arnett has contracted to build a new school house in district No. 110, in the Skaffe neighborhood. His bid was \$3985. Mr. Arnett commenced preparing the ground yesterday.

MRS. ROSA HARRIS GAINS 30 POUNDS

"I have not only gained thirty pounds in weight, but I am enjoying so much better health than I have in years I feel just like a new person," said Mrs. Rosa Harris, 444 Twenty-sixth ave., North Seattle, Wash., recently. Continuing, she said:

"For the three years past I suffered so much from stomach trouble and had become so badly run down, that I had given up hope of ever getting any better. My appetite was extremely poor, and I had to force down every mouthful I ate, and most of the time I could not even retain this. I would become so badly nauseated. The least little thing I ate would sour, gas would form and press against my lungs so badly it was all I could do to get my breath, and I would have such intense cramping pains in my stomach they would nearly kill me. I was also badly constipated and had to take some sort of laxative almost every day. My kidneys bothered me a great deal and I suffered with pains across the small of my back, and, in fact, had pains all through my body nearly all the time. My head ached so bad nearly all the time I thought it would burst wide open and at times I would become so dizzy I would have to grab hold of something to keep from falling, and I would feel just like I was going to faint and black spots would dance before my eyes. I was so nervous the least little thing would upset me, and at night I was so restless I could get but little sleep as I would roll and toss from one side of the bed to the other all night long, and in the morning I would feel so tired and exhausted it was all I could do to get out of bed. I lost weight so rapidly I soon became so weak I could not do my housework, it being all I could do to get about at all.

"I had seen so much about the good Tanlac was doing others, and, too, as many of my friends had praised it so highly I decided to try it. Well, as I had given up all hope of ever finding anything that would help me, you can imagine my surprise when I began to get better as soon as I had taken only a few doses of Tanlac. My appetite improved until it was more than it has ever been, and nothing I ate gave me a particle of trouble afterward. I continued taking it until I was soon rid of all my troubles. I am never bothered with pains in my stomach or back, and, in fact, never have a pain of any kind. I never have the headache or those dizzy spells any more, and have regained my strength until I can do all my housework with ease. I can truthfully say I believe Tanlac saved my life and I expect to praise it as long as I live."

Tanlac is sold in Salem by Tyler's drug store and leading druggists in other towns. (Adv.)
