

Native Oregonian And Pioneer Is Called by Death

Woodburn, Or., May 28.—Perne A. Cochran, a well known resident of this city, died at his home here Thursday morning at 10 o'clock, aged 86 years, 4 months and 27 days. About four days ago he suffered a paralytic stroke and it was thought that he would recover, but Thursday morning he began to sink and the end came very soon.

Mr. Cochran was born in Linn county, near Tangent, on January 1, 1834. He was the son of James and Ruth Cochran, pioneers of 1842 to the Willamette valley from Missouri. He was raised on a farm and was at one time extensively engaged in dealing in stock, driving cattle and sheep from southern Oregon to eastern Oregon and horses to the Portland market. Upon arriving in Woodburn on April 7, 1881, he entered into local activities with a rest and erected a butchershop, a dwelling house for himself and a three-story brick building. He was married to Miss Emma Brown on March 21, 1877, and she died in 1910. In March, 1917, Mr. Cochran married Mrs. Mamie Hoser, who with one sister, Mrs. Emma Simpson of eastern Oregon, survives him.

Mr. Cochran was a power in the democratic party in Oregon at one time and ran for United States senator about ten years ago. Funeral services will be held at the home in this city Saturday morning at 10:30, Rev. R. W. Achor of the Presbyterian church officiating. The remains will then be taken to the Mt. Scott crematorium, Portland, for cremation.

Harrisburg Wins Plea For Highway

Albany, Or., May 28.—County Commissioner D. H. Pierce, who was at Salem yesterday on road business, returned with word that the state highway commission had decided to build

the Pacific highway through Harrisburg to Junction City, instead of to the east through Coburg. State Highway Engineer Nunn gave Mr. Pierce the information.

If this decision of the highway commission is carried out there will be a bridge across the Willamette at Harrisburg, built by Linn and Lane counties. Members of the Linn county court did not know when work on the highway would begin or when the bridge will be built but said that they will know more after a conference with the highway commission scheduled for the first of June in Portland.

Silverton Has Sidewalk Worry

Silverton, May 28.—Defective side walks in Silverton have been a source of worry to the city council for a long time. Repeated orders have been given to build walks to comply with the ordinance regulating such construction, but they were not heeded. Finally notice was served upon J. D. Drake and others that the walks would be built by the city and the cost made a lien on the property if the orders were not promptly obeyed. Mr. Drake built his walk, having finished it a few days ago. It developed that the walk was not constructed in compliance with the ordinance and his arrest followed. The complaint charges him with violation of the sidewalk ordinance. Drake declares that he will not plead guilty to the charge as it was his intention to make the walk come nearer being up to the standard than most of the walks in Silverton. He also said that he intends to show the defects in other walks in the city, but will make his walk to comply with the law.

Suit Over Rent Money Decided

Silverton, May 28.—John Holman vs E. N. Erickson is the title of a case tried yesterday before Justice of the Peace P. L. Brown, in which Holman sought to collect money alleged to be due him for the lease of a house belonging to Erickson. Holman, it seems, rented the house in question March 13 at the rate of \$20 per month

paying four months in advance. Later the plaintiff purchased a house to the city and it was agreed between himself and Erickson to sub-rent the house and whatever it would bring would be turned over to Holman. Erickson, according to the evidence, vacated the house as soon as it was turned over to him, but he did not turn over the money as agreed. Through his attorney, O. G. Larson, Holman commenced suit to recover the money due him and secured a judgment in the sum of \$15 and costs. Custer Ross was attorney for the defendant. Erickson sold his home a few days ago and leaves this morning for the east where he will spend the summer.

Students Inspect Farm At Asylum

Oregon Agricultural College, Corvallis, May 28.—Smith-Hughes students from Hood River, Gresham, Newberg, McMinnville and Corvallis will be the guests of the school of agriculture Saturday. The start will be made from Hood River, the party being in charge of R. V. Wright, agricultural instructor. Friday the five schools will join forces and inspect the Willamette valley farms, reaching Salem in time to visit the farm at the state hospital for the insane.

JOURNAL WANT ADS PAY

Gasoline Price Lowered; Dallas Supply Is Short

Dallas, May 28.—The local gasoline dealers after having a conference, have promised to sell gasoline at twenty eight cents per gallon. The shortage is now being felt. Only two gallons can be procured by each driver. Now it is reported that Dallas will be entirely out in ten days.

The Knights of Pythias from Morrison lodge at Dallas and Homer lodge of Independence invaded Cascade lodge of Falls City sixty strong last night. The attendance was nearly one hundred and the initiation team was chosen from the three lodges for the Knight's rank. The work was declared near perfect after which a big feed was enjoyed and noise of the departing autos died out about three a. m. leaving the Knights of Falls City rejoicing over the visitation. John W. Orr and wife, Superintendent Wills, Blev and Frank Friar and Otella Friar attended the banquet at Perrydale last evening.

Buena Vista Store Closed. Buena Vista, Or., May 28.—The store conducted here since the beginning of the war by the Misses Plant and Rose

as a patriotic duty, will be closed permanently the latter part of June, and the proprietors will go to Independence to live. The closing of the store will also result in discontinuing the postoffice, and it will mean that Buena Vista will be without a commercial enterprise.

CATARHIAL DEAFNESS MAY BE OVERCOME
If you have catarrhal deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has catarrhal deafness or head noises should give this prescription a trial.
