

St. Louis First Sacker Leading League Stickers

Chicago, May 28.—Jack Fournier, the former American leaguer now playing first base with the St. Louis Nationals is on a batting rampage which promises to rush him to the front in the National league race. He boosted his batting mark from .292 last week to .336 this week, according to averages released today and which include games of Wednesday.

Cy Williams, the Philadelphia outfielder, also has made a spurt toward the top. Williams acquired an average of .320 as compared with 276 a week ago. In addition to his batting dash, Williams bagged his fourth circuit drive. His 41 hits include 11 doubles and three triples.

Last weeks three batting leaders switched positions, each suffering a slump. Hornsby of St. Louis went to the top with .402. Groh of Cincinnati is runner up with .398 and Nicholson of Pittsburgh third with .389. Lebrun of Philadelphia, who had been making a spirited showing, dropped from .361 to .300.

Max Carey, the speedy outfielder with Pittsburgh, added three more bases to his credit and is out in front among the base stealers with an even dozen.

Other batters: Daubert, Cincinnati, .329; Fournier, St. Louis, .336; Tompkins, Chicago, .325; Duncan, Cincinnati, .322; Williams, Philadelphia, .329; E. Smith, New York, .320; Stock, St. Louis, .319; Young, New York, .318; Robertson, Chicago, .315; Neale, Cincinnati, .314; Roush, Cincinnati, .312; Janvris, St. Louis, .312.

Felsch of Chicago and Walker of Philadelphia continue as runners up, each having bagged a homer during the week and are tied with six each.

Johnson of Cleveland continues to top the batters with .375 while Hendrix of Boston is the runner up with .370.

Rice of Washington pulled away from his team mate Bobby Roth in stolen bases and is showing the way with four thefts, Roth has pilfered ten.

Tennis Tourney Entry List Is Growing Rapidly

With over 32 entries in the men's singles and a good representative entry in the other events, everything points to some great times in the city tennis tournament to be held next week, commencing June 2.

In the ladies singles, Mrs. Jacob, Mrs. Riggs, Mrs. Van Doren, Mrs. Anderson, Miss Margaret Bowen and Miss Grace Bowen team up as the most formidable opponents. Mixed doubles, one of the most interesting events in any tournament, has a number of hot teams entered, among whom are Mrs. Van Doren and McDougal and Mrs. Anderson and Fred Thielson.

The men's singles list contains a number of the "old guard" among whom are Chester Cox, Fred Thielson, Earl Plegel, John Harrison, W. L. Anderson, Dr. Bates and Dr. Burdette. The tournament management was disappointed that a number of the older players alibied their way out of the fun next week, saying they were not good enough or had not played for two years. As a matter of fact, this is the condition of a great many, as during the war all athletics naturally took a back seat.

Entries for all events will close this evening at 9 p. m. and will be received up to that time at Hauser Bros. store.

Silverton High Students Play Hookey For Picnic

Silverton, May 29.—Without the consent of the superintendent or anyone else the senior class of the Silverton high school declared a vacation Thursday and viewed the sights along the Columbia highway. They picnicked at Multnomah Falls at noon and reached home late that night. A few of the male members of the class were called to interview the authorities early yesterday morning and were late in reaching the train which was to convey them to Albany where they played baseball with the Albany team. Only by employing private conveyance to Salem did they reach Albany in time for the game.

Attorney Mark A. Paulson returned from California yesterday where he spent a week visiting friends. Mr. Paulson leaves next week for Minnesota, and will be absent several weeks. The city council is building a larger sewer at the foot of Water street, and also an extension to the new cannery.

A lively baseball game will be played here tomorrow between the Silver Falls loggers and the Monitor team. The game will take place at the Silver Falls diamond and a warm time is looked for.

Aurora School Annual Gives Town's History

Aurora, May 29.—The Aurora high school annual just issued by the students contains a very interesting article upon the history of the Aurora colony. The article is written by one of the high school students, Miss Leona Will, a granddaughter of one of the original members of the colony.

The colony was founded in 1857 by Dr. William Keil who remained his head for twenty years, until his death in 1877. Property was held in common for the benefit of all the members, though nominally it stood in the name of Dr. Keil. At his death his heirs received no more than their proper share as they considered that the property was simply held in trust for the membership.

Dr. Keil was a man of magnetic personality and of much ability. He was a close friend of Ben Holliday, the builder of the railroad through the valley. The old colony eating house was famous for its fine meals and many a time did Holliday dine here upon the best of the land—both at the Colony hotel and at the home of Dr. Keil. Many other prominent men have also been guests of the Colony. General Grant was among those patronizing the famous eating house.

The Annual also features the famous old Aurora band of colony days and describes a trip made as guests of those patronizing the famous eating house.

of Holliday to Vancouver, British Columbia, where the band serenaded the governor and were banqueted by the American consul. Another feature of colony life that is considered remarkable is the absence of litigation of any sort. During the colony times there were no local courts, no lawsuits and no necessity for them. All disputes (of which there were few) were referred to the elders of the colony and adjusted by them.

Scotts Mills

Scotts Mills, May 29.—A May day festival was held on the grounds of Scotts Mills high school last Friday. Miss Hoslyn Albright reigned as queen. The people of the town were entertained by the school children in games, plays, folk dancing, and the winding of the May pole. A splendid picnic lunch was spread on tables under the oaks where all were sumptuously fed. The most exciting event of the day was a baseball game played by the town and the school. The school won by a good score.

A good program was given by the parent-teacher association last Thursday evening. Young and old alike had part in the speaking, music, pantomimes and living pictures. Supt. Youel of Silverton spoke on the two mill bill. The first prize and gold medal in the county essay contest on the two mill bill was awarded to Miss Sylvia Heinz of Scotts Mills high. The second prize in the junior high department was won by Miss Emma Folk of Scotts Mills.

Supt. L. M. Gilbert, of the state training school, spoke at the parent-teacher meeting last Tuesday night and was most thoroughly enjoyed by the splendid audience who heard him. Memorial exercises will be held in the school auditorium on May 31st at 10 o'clock. A short program will be rendered by the pupils after which the memorial address will be delivered by Rev. J. A. Bennett of Silverton.

The Parting of the Ways The Crisis in Agrippa's Life

It's Counterparts Today THE BREAKING-POINT BETWEEN GOD AND MAN Another Heart-gripping Sermon Study by

EVANGELIST A. R. BELL

Tomorrow Evening 7:30 S. D. A. CHURCH NORTH FIFTH AND GAINES AVENUE Take North Commercial Car

Religion consists in doing the words of Christ; not doing to earn God's favor, but because, all undeserving, we have received the Gift of His love. Doing, not merely saying, is expected of the followers of Christ. It is through action that

God's power, His very life, dwells in His Word. As you receive the Word in faith, it will give you power to obey.
