Snow Marks Visit Of Recorder At Baker
 County Recorder Mildred R. Brooks was again in her office Thursday morning after a ten-day visit to the home of her son, J. Robertson Brooks of Baker.
 Mrs. Brooks remarks that it is certainly pleasant to return to the valley after even a brief sojourn in the chilly Baker atmosphere, no matter how invigorating the pure ozone may be.
 Recorder Brooks motored to the Baker county metropolis and in crossing the mountain ranges drove into a blinding snowstorm. This was her introduction to the central Oregon section and as a farewell event snowed in Baker the Sunday previous to her return to Salem.
 Washington, June 3.—Advices today to the state department said Francisco Villa, the Mexican rebel leader, was reported to have attacked Parral yesterday and to have been repulsed by the garrison with some losses.

LOST
 Six \$100 Liberty Bonds have been lost. These bonds have serial numbers 2388142-45-46-47-51-52, and all coupons had been clipped. Any one finding same will please notify the city marshal and receive suitable reward. Any one knowing of any or all of these bonds being offered for sale will please notify the city marshal or any member of the Salem police force immediately. Across the front of each bond was written the name "B. Cunningham." This name may have been erased and in that event there will be the mark of the erasure. The party who lost these bonds has been placed in an embarrassing position financially and is very anxious to recover them. If they are returned to the city marshal no questions will be asked and the finder will be suitably rewarded.
