Trip To Mineral Springs One Of Beauty And Fun

One of the best week-end trips that can be made from Salem by auto on good roads is the opinion of E. V. McMeelan, of the O. E. Glueck Motor company, who with his wife and Mr. and Mrs. Arthur Rahn formed a motor party, is the one to the government mineral springs in Washington. Mr. and Mrs. McMeelan and Mr. and Mrs. Rahn spent several days around Memorial day at the springs, where Charles Miller, former manager of Hotel Marlow here is now in charge of the hotel there.

The party made the trip in seven hours, taking this course: Salem to Portland, Columbia highway to Cascade Locks, ferry across the Columbia river to Stevens, thence to Carson and from Carson into the mountains, a distance of 15 miles over good roads to the mineral springs.

One of the most scenic spots in the country may be found around the springs, Mr. McMeelan said Thursday. The streams in that vicinity are a mecca for sportsmen who come from all parts of Oregon, Washington and California to angle there.

The mineral springs hotel, managed by Mr. Miller, is of 30 rooms, rustic style and a veritable hunting lodge of comfort and beauty hidden away in the innermost part of the mountains. Although the gasoline shortage was in effect the Salem people made the trip in a Hupmobile without refilling the tank by the car after leaving the capital city.
