

### Real Estate Is Active In Dallas; Houses Scarce

Dallas, Or., June 12.—During the past year there has been more transfers of City property than any previous year and it is an assured fact that places sold are now off the market as the big majority of places were purchased for homes and not for speculation. There was a total of thirty-five families who have been forced to leave Dallas and go elsewhere because there were no places for them to rent or purchase.

William C. Ritzer has returned to Dallas from Portland where he has been attending the state jewelers convention. Mr. Ritzer was formerly of Salem. He recently purchased the C. H. Morris jewelry store.

Miss Florence Miller of Salem was the guest of her aunt Mrs. M. D. Ellis this week.

Irving Baldersee has returned to his home in this city for the summer after a year at the O. A. C. Mr. Baldersee is an overseas veteran.

Ross Jennings who has been a student at the Oregon Agricultural College this year visited at the home of Mr. and Mrs. J. T. Friar Friday.

Miss Leonilla Smith and Miss Fern Curry, who have been teaching in Dallas grade schools have accepted positions in the schools of Larchwood Iowa, for next year. Many vacancies occurred in Dallas schools this year but most of the High School positions have been filled by University of Oregon graduates. There are yet several places to be filled in the grades and the board are casting about for desirable teachers.

The Women's Auxiliary to the American Legion met at the armory and decided to leave the charter open to new members until Nov. 11th.

Homer S. Wood of Independence has been re-appointed postmaster of that place.

### Capacity Crowd Sees Silverton Class Graduate

Silverton, Or., June 12.—Seating capacity of the Palace theatre was inadequate to accommodate the crowded people who attended the commencement exercises here last evening. Every seat was occupied and many stood up during the entire program. It is estimated that more than eight hundred people were in the audience. Professor Frederick Berchtold, of O. A. C., delivered the address to the class. A program of exceptional interest was rendered.

The Silverton Hi alumni will give a reception to the new members in Woodmen hall this evening.

### Donald

The Seaside Logging Co. is opening a piling and tie camp on the Gene Flynn farm west of Donald, the employees are making their headquarters at the Bungalow hotel; they expect to send their piling via the river and their ties by rail.

A bouncing baby boy arrived at the home of Mr. and Mrs. McIlvaine last Friday June 4th.

Mr. and Mrs. E. R. Steen and Mr. and Mrs. Quinn all of Portland were guests at the home of E. H. Dunbar last Sunday.

Mr. and Mrs. Emil Aufranc of Salem motored down here Saturday to spend the week end with their parents, Mr. and Mrs. A. Aufranc.

Paul Schaubel, accompanied by his sister, Miss Schaubel of Canby, Miss Teague of Seattle, Mr. Gibbs and Mrs. F. A. Mercer, motored to Pacific City last Saturday returning home Sunday evening. They report the roads in good condition and the weather warmer than here.

Mr. and Mrs. Foley of the Seaside Logging Co. are occupying the Swan cottage on Page avenue.

Mr. and Mrs. J. P. Feller motored to Silverton Wednesday, to be present at the golden wedding of Mr. and Mrs. Mosier. Mrs. Mosier is Mrs. Fellers' sister.

The farmers in this vicinity have been very busy hauling their grain to the cars. Mr. Schurer of Butteville bought most of it, the wheat at \$2.50 per bushel.

The road between Donald and Aurora is supposed to be graded ready for the gravel, but a good deal of complaint is being made on this work as this road was supposed to have been put on a grade ready for paving, and as such has not been done, when the taxpayers voted sufficient funds for that purpose, it seems there is good reason for complaints.

Mr. Holson, national club leader; Mr. Seymour, state leader, and wife; Mrs. Fulkerson, our supervisor, and Mr. Calavin, Clackamas county superintendent, visited Donald Wednesday, in the interest of our home-making and cooking club. The cooking club gave a demonstration of their work, and reported that their work finished 100 percent, as well as the home-making club. Mrs. Fulkerson reported that while Donald still was first in the U. S. to finish their projects, there are two more home-making clubs in Marion county that will be next in line to finish, so we may all be proud of Marion county for that is a wonderful record in club-work.

Mr. and Mrs. S. A. Sexsmith and daughter June, departed for Winnipeg, Can., Wednesday evening, being called there by the serious illness of Mr. Sexsmith's father.

Mrs. C. J. Espy and children who have spent the past two months visiting in California, returned home Tuesday, they found the weather very warm and are glad to be home again.

### Aurora Provides Camping Ground For Tourist Guests

Aurora, Or., June 12.—The city council and citizens of the city have provided a public camping ground at Fourth and Main streets, and a committee of men have been busy for several days making the necessary improvements. A part of Fourth street and a portion of the Kraus lots have been converted into a convenient and comfortable place for tourists and a welcome will be extended to all travelers who care to stop over at Aurora. It is a beautiful camping place and will doubtless become one of the healthiest resorts in the Willamette valley.

subscription and an appropriation by the council. The movement is one that is deserving of commendation, it is felt, and other towns might do well to show the same kind of hospitality.

In view of the fact that ten thousand Shriners will pass through Aurora on the 23rd of this month the city council, at a recent meeting too action in the matter of giving the city a thorough cleaning and renovating. The work is now in progress.

Peter Hornig and his company of well drillers are drilling a well at the Otto Knorr farm near here. Mr. Hornig recently drilled the well for the city which proved to be an artesian well of great value.

Several cases of measles are reported in this vicinity, and there are some rather serious cases.

Pucky Hazel Anderson, eight years old, arrived here a few days ago, while she is visiting her grandparents, Mr. and Mrs. Wm. Anderson. She came all the way from Bakersfield, California, alone.

Children's Day exercises will be held in the Presbyterian church next Sunday.

State Treasurer Hoff has designated the Aurora State Bank as one of the depositories of the state funds. The banks at Donald, Canby and Hubbard also received the same compliment.

### Cannery Opens At Woodburn For Season Run

Woodburn, June 12.—The Graves cannery is operating with a force of 18. Strawberries and gooseberries are being received now, it will only be a short time before a larger crew is needed to handle the increased number of berries. In the early part of July loganberries will start to come in and keep the cannery busy on them until some time in August. 1200 cases of blackberries were shipped this week and a carload of apple and plum butter was sent out today. More equipment has been added to this plant and it will be operated on a much larger scale this year than last.

The Women's Auxiliary to the American Legion met at the armory and decided to leave the charter open to new members until Nov. 11th.

Homer S. Wood of Independence has been re-appointed postmaster of that place.

Miss Leonilla Smith and Miss Fern Curry, who have been teaching in Dallas grade schools have accepted positions in the schools of Larchwood Iowa, for next year. Many vacancies occurred in Dallas schools this year but most of the High School positions have been filled by University of Oregon graduates. There are yet several places to be filled in the grades and the board are casting about for desirable teachers.

The department of geology of the University of Oregon will maintain a field camp in the vicinity of Gold Butte about June 29.

Your Eyes Are the Most Delicate Organisms of the Body

And as such, they must be given more careful and considerate attention than any other part of the human organism.

Accuracy in the examination of the eyes and in the fitting of the eyes with glasses, is absolutely essential.

It is not only necessary to have the most scientific equipment for measuring the eyes' defects, but it is also imperative that the man who measures the eyes shall have the technical knowledge and experience.

You are sure of both the equipment and the ability and experience to render you the highest quality and minutely accurate service.

If the best is none too good for you, bring your eye and eye glass troubles to us.

We have in connection a complete lens grinding plant.
