**Woman and Baby Hurt When Auto Strikes Carriage**

Gervais, Or., June 24.—Driving a horse on the road between here and the George Andrews farm a few nights ago, Frank Nosack met with an accident which might have been far more serious than it was. Riding in the vehicle with Mr. Nosack was his wife and baby. It was late in the night and very dark and at a place in the road not far from here a car driven by Henry Kuschnick collided with the rig driven by Nosack, throwing Mrs. Nosack and the baby out upon the hard ground. Fortunately they were not seriously injured, but both were quite seriously bruised. The harness was completely torn from the horse and the vehicle was damaged to a great extent. Just how the accident occurred is not clear in the minds of all the parties concerned. Mr. Nosack heard the car coming behind and drove to the right side of the road to let it pass, but the driver either could not see or failed to turn out sufficient to pass the buggy. No blame has been attached to the driver, however, and it is said to have been one of those accidents which could not be helped.

**Hubbard School Voters Increase Tax Levy for Year**

Hubbard, Or., June 24.—By only four votes the voters of school district No. 15, in Hubbard, empowered themselves to increase the school budget more than 6 per cent over that of the previous year. There seemed to be considerable misunderstanding about the proposition at first, but when it was made clear that \$12,201 is the amount to be raised in the district for school purposes, by special tax, and the question was properly put up to the voters, it carried by nearly three to one majority. There were twenty-six voters present.

In the election of officers P. Paulsen was elected director for a term of three years, and E. S. Miles was re-elected clerk.

Attracted by a sign hanging over the Pacific highway at the outskirts of Hubbard which read, "Shriners welcome to Hubbard," and a dart pointing west, fully two thousand accepted the invitation and stopped along enough en route to Salem to receive showers of roses given by the children. Business was suspended for two hours while the train of more than six hundred cars passed by.

James McMullen and his daughter, Mrs. O. F. Olmstead, and her two children of Eden, Wash., stopped off at Hubbard the fore part of the week to visit at the home of Mrs. Sarah Coffenberry.

**Aurora Voters Reject Annual School Budget**

Aurora, June 24.—Patrons of Aurora school district No. 23, met Monday, elected officers and passed upon the advisability of adopting the outlined school budget. H. A. Zimmerman was re-elected as clerk and Geo. Atwood chosen as a member of the board of directors.

Before taking up the budget it was necessary to vote on the question of levying a tax of more than six percent in excess of last year.

Voters seemed to be under the impression that they were acting on the school budget and voted it down by a majority of four. The vote was 56 to 69. It was not until after the meeting adjourned that the grave situation they were placed in became clear to the opposition.

The district will have no money to carry on the schools next year under the present conditions. The district is \$1000 in debt, bonds for a new high school building have been sold and the taxpayers are paying interest on same. No site for the building has been procured and the whole school program seems to be in a terrible muddle. It was known some time ago that the increased budget would meet with some opposition, but it was little thought that the patrons would

put themselves in such a position as to deprive the city of schools. Such is the case, however, unless another election is called and a school budget adopted. The outcome has caused considerable ill feeling in the community.

Roy Malo of Gervais has purchased the confectionery and lunch counter in this city formerly owned by Zeno Schwab, and took possession the fore part of the week.
