**Grover Francis Named Referee For Elk's Bouts**

Grover Francis, Portland athlete and Multnomah club boxing authority, is to be the third man in the ring when the curtain rises on the boxing bouts to be staged by the Salem lodge of Elks, No. 336, at the state fair grounds auditorium, as a feature of the third annual state convention of Elk lodges of Oregon, which opens here this evening.

The election of Francis as the official referee was announced by the committee today.

One of the features of the matches that has developed so far is the great demand for tickets for and by women, and the committee has announced that special arrangements are being made to accommodate them.

All of the principals on the card are now in the city and busy with their training and indications are that all will be in perfect condition when the pug sounds. Joe Gorman and Earl Baird, the headliners who are required to make 130 pounds at 3 o'clock Friday afternoon, have both announced that they will make the weight easily.

# Citizenship Valid Although Papers Lost Says Brown

The act of the elements in destroying the records of a court does not destroy one's citizenship in the United States of America, according to Attorney General Brown, who has written an opinion to that effect for the guidance of Carl D. Shoemaker, executive secretary of the state fish and game commission. Shoemaker was called the attention of the attorney general to an application for a fishing license filed by a man who had been naturalized but whose papers had been destroyed by fire. The records of his citizenship had also been destroyed in the San Francisco earthquake. If the man is able to prove his citizenship otherwise his papers, which are the best evidence of his citizenship, are not at all necessary, Brown holds.

# Truck Operator Is Charged With Reckless Driving

A charge of reckless driving against M. B. Combs of Liberty, Or., was preferred Tuesday by Councilman Gerald Volk after his auto and the truck, said to have been driven by Mr. Combs, collided on South Commercial street.

Mr. Volk stated that he was driving north on South Commercial street Tuesday afternoon and attempted to pass a parked automobile. The left fender of his automobile was struck by the truck driven by Mr. Combs, he says.

Mr. Combs, an employee of the King Products company, also reported the accident and stated that he believed Mr. Volk to be at fault.

# Trambitus To Meet Seattle Man Wednesday

Word given out by his manager last evening says that Alex Trambitus, who is to meet Johnnie McCarty in a 10-round bout here Friday evening, will battle with Travis Davis of Seattle in that city next Wednesday night.

Trambitus and Davis are old rivals and both are strong contenders for the Pacific coast welterweight championship. They met first in Seattle on December 16, last, when the referee called the bout a draw, but the newspapers gave the Portland lad the shade.

Davis recently obtained a decision over McCarty.

# Magistrates May Issue Warrants

Any magistrate who has authority to issue a warrant for an arrest is authorized to issue a search warrant, according to an opinion written by Attorney General Brown in reply to an inquiry from George Garrett, city manager of La Grande.

**A HEALTHY, HAPPY WIFE**

is the greatest inspiration a man can have and the life of the family, yet how many homes in this fair land are blighted by the ill health of wife and mother!

It may be backaches, headaches, the tortures of a displacement, or some ailment peculiar to her sex which makes life a burden. Every woman in this condition should rely upon Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, to restore her to health and happiness. (adv)

**DANDRUFF SURELY DESTROYS THE HAIR**

\*\*\*\*\*

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then to udestroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails. (adv)
