Americans Protest Jap Occupation

Tokio, July 28.—The Japanese government has received a communication from the United States pointing out among other things, that America is unable to recognize Japan's occupation of the northern half of the island of Sakhalin. The note says that the nature of the protest, however, that the impression exists here that the communication is not really a protest but rather an exposition of the American viewpoint on occupations of Russian territory, with somewhat of America's attitude toward the territory to be occupied.

Youth Invents Boat Driven by Power From Air

Seattle, Wash., July 29.—Using an atmospheric power generator coil 11 inches in diameter and 14 inches long attached to a silent motor 12 inches in diameter and 48 inches in length, generating about 45 horsepower, Alfred M. Hubbard, Seattle boy inventor, yesterday propelled an 18 foot boat containing three passengers besides himself, at a speed of eight to ten knots an hour. Except for the rattle of the chain attaching the motor to the propeller shaft, the power unit gave forth no sound. Motor and boat were lifted free from their block supports to prove the absence of concealed or connecting wires.

Abenhiem, a laundry cashier, today in front of his place of employment, to which he was bringing \$3,600 in payroll money, seized the grip containing the money and escaped in an automobile, according to a report made to the police by Abenhiem and his employer.

Battle For Votes to be Vigorous

New York, July 29.—William G. McAdoo announced today he had consented to deliver some speeches in behalf of Governor Cox, democratic presidential nominee, during what he said would be a vigorous and aggressive campaign.

In a statement issued after a conference with George White, chairman of the democratic national committee and Governor Cox's secretary, held at Mr. McAdoo's home last night, Mr. McAdoo warned that the people would not stand for a "purchased presidency" and urged that the spotlight of pitiless publicity be turned upon campaign expenses during the forthcoming campaign.

Mr. McAdoo stated that at the conference "the formidable campaign fund under control of the republican national committee and its serious menace in the forthcoming campaign," had been discussed.

Mr. McAdoo's statement in part follows: "A vigorous and aggressive campaign will be undertaken and no effort will be spared to make the people of the country acquainted not alone with Governor Cox's progressive ideas and purposes but to inform them of the exceptional record made by the democratic administration under President Wilson during the past seven years."

"The formidable campaign fund under control of the republican national committee and its serious menace in the forthcoming campaign were discussed. 'If the senate investigating committee, of which Senator Kenyon of Iowa is chairman, does its full duty, it will hold frequent sessions through out the campaign and investigate fearlessly the sources from which is drawn the money to finance both the republican and democratic parties and the manner in which the money is expended."

"It is easy for contributors and political committees to evade the federal corrupt practices law. Every subterfuge, such as subscriptions in the names of dummies and to state committees instead of to national committees, advertising by private individuals or syndicates, as well as avoid according to the federal authorities, must be brought into the spotlight of pitiless publicity. These people will not stand for a purchased presidency."
