CONTRACTOR NOW GIVES OUT FACTS

"Tanlac has not only relieved me of my five years of stomach trouble, but I have gained twenty five pounds in weight besides," said Robert McAloney, well known contractor of 33 York street, Halifax, N. S. "My stomach seemed to be upset all the time," said Mr. McAloney, "and it would get as sour as vinegar. Nothing tasted right or agreed with me and after forcing down a little something at meal time I would bloat up with gas so I would be miserable for hours. There would be sharp, cramping pains all through my stomach and at times I could hardly get my breath. Many a night the gas bothered me so much that I walked the floor all night without a wink of sleep. I had to lay off for weeks at a time and lost thirty pounds in weight. I was habitually constipated and had a nagging headache nearly all the time. Of mornings I felt so tired and no account it was an effort to drag myself out of bed and I had suffered so long with out being able to get any better I had about reached the point where I didn't care whether I lived or not. "But I feel entirely different since taking Tanlac, for it has put me in such fine shape I eat three big meals a day without feeling the least trouble. The constipation, headaches and fagged out feeling are entirely gone and I get up in the mornings ready for a heavy breakfast and a good day's work. I simply feel like a new man and I am glad to let others know what a fine medicine Tanlac is." Tanlac is sold in Salem by Tyler's drug store and by leading druggists in other towns. (adv)

Today's Dallas News

Dallas, Or., Aug. 2.—Fred Holman and family motored to Eugene Sunday for a visit, accompanied by S. T. Tetherow, who is Mr. Holman's stepfather. Mr. Tetherow is well known by the pioneers as "Uncle Sammie." He came to this country in 1845 and settled on the present townsite near the county fair grounds. Uncle Sammie attended school in Eugene when a boy at which time the university was being conducted as a Presbyterian college. He has not been back for 64 years. All these 64 years he has been a resident of Polk county and has been a very successful farmer. At the age of 18 Uncle Sammie volunteered to fight the Yacomah Indians under Captain Benjamin Hayden and served with the volunteers three years. During his Indian fighting career he was at one time surrounded by the blood thirsty reds for six weeks and all the fighters had to eat was horse meat and no salt to sea it. After he decided to settle down he took up farming at the forks of the Lucklamute just south of Monmouth, where he successfully cultivated 300 acres. In 1906 and 1907 he was mayor of Falls City, but of late years he has been on the retired list and a familiar figure in Dallas.
