

### Salem "Rose Way" Is Suggested By Man at Luncheon

Monday's luncheon at the Commercial club developed into an old time experience meeting, in which members told what they thought of the activities of the club and upon invitation of Manager T. E. McCroskey, offered suggestions.

W. I. Staley, upon being called on for an idea, suggested that businessmen should visit the automobile camp from time to time and talk with the new comers. He thought a most favorable impression would be made if business men would occasionally welcome them and show some interest in visitors.

J. C. Perry said that in providing an auto camp and a swimming pool, the city was doing the advertising. It was such a convenience that most an impression on visitors, Mr. Perry said. J. B. Little said that when he toured in southern California recently he observed that each town had a welcome sign displayed and it made him feel just a little more friendly.

He thought Salem might do the same. He also said that while visiting at the Salem camping grounds several campers asked for signs such as "Camp at Salem." They were so pleased with Salem that they were anxious that others stop in the city.

**Road Signs Favored.**

B. E. Sisson, manager of the Miller Mercantile company, said that he approved all plans for new road signs as for some reason, an inviting sign was a favorable effect on the traveler. The better the sign, the better impression the traveler would have of the city, he said.

H. T. Love said he had lived in several towns but that Salem was the best. He said he appreciated Commercial clubs as from experience, he knew the only way for eastern people to learn of a town was through its commercial club.

H. H. Haynes of Portland, of the Salem Baking company, referred to the fact that Portland was getting ready to plant 5000 roses on Sandy boulevard that it might be known as the "Rose Way." He suggested that Salem beat Portland to a rose way and that a committee be organized to offer prizes for the finest block of roses. He offered to give one of ten or 20 men to give \$10 to each towards a premium list.

**Fruit Crop Estimates.**

C. L. Lewis, of the Oregon Growers Co-operative association, sized up the situation in fruit today as follows: Cherries exceeded the first estimates and instead of 4000 tons, there was a crop of 5000 tons in this part of the valley. The peach crop, he said, would be 15 per cent larger than last year. For the first time in history, pears were being shipped in carloads from Medford. The apple crop, Mr. Lewis said, was about 60 per cent of last year's crop and the crop in general was not up to standard of last year. The prune crop would run about 60,000,000 pounds dried this year. The effect of the recent hot weather on prunes will not be known for several days. Incidentally, Mr. Lewis said the home seekers were traveling in day coaches and not Pullmans.

### Deeds For Fischer Estate Involves \$500,000 Valuation

Deeds involving the largest real estate holdings recorded in recent years were filed at the county recorder's office last week when the estate held by the Fischer heirs was conveyed to the Fischer flouring mills company. The deeds, involving property in Linn, Benton, Marion and Lincoln counties valued at \$500,000, carried a \$500 revenue stamp.

The property involved includes city property and farm lands as well as the flour mills in Benton and Marion counties, which are probably among the oldest and best known mills in western Oregon.

### Cox to Speak In Sound Cities On September 16

Tacoma, Wash., Aug. 14.—Governor Cox will probably speak in Seattle the evening of September 16 and in the Tacoma stadium the evening of September 17. A. R. Titlow, democratic national committeeman for Washington announced today.

Mr. Titlow today received a telegram from Senator Pat Harrison, in charge of the speakers bureau of the democratic party, that he would bend every effort to get Governor Cox to Seattle in time to address the reclamation congress, September 15.

Mr. Titlow expressed the belief that the two northwest dates will be arranged without difficulty.

**NOTICE TO CONTRACTORS**

On August 24, 1920, at 2 p. m., the Oregon State Board of Control will open sealed proposals for completion of the Memorial Building at Champoeg. Bids should be endorsed "completion of Pioneer Memorial Building," and addressed to R. B. Goodin, secretary, Oregon State Board of Control, Salem, Oregon.

Plans and specifications may be obtained from the office of the State Board of Control, or from the office of George M. Post, architect, 619 Railway Exchange building, Portland. A deposit of \$10 will be required for each set of plans.

Each bid is to be presented under sealed cover, and shall be accompanied by a certified check made payable to the Oregon State Board of Control, Salem, Oregon, for an amount equal to at least ten per cent (10 per cent) of the amount of said bid, and no bid shall be considered unless certified check is enclosed therewith. Such certified check shall be delivered upon the condition that if said bid be accepted the party bidding will properly and promptly enter into and execute contract and bond in accordance with the award. Should the successful bidder to whom the contract is awarded, fail to execute the same within ten days (not including Sunday) from the date of notification of such award, such certified check shall be forfeited to the Oregon State Board of Control, and same shall be the property of the state. All other certified checks will be returned to the unsuccessful bidders who submitted same.

A good and sufficient bond with a satisfactory surety will be required for the faithful performance of the contract, in a sum equal to one half the amount of the contract price.

The right of the board is reserved to reject any or all proposals, or to accept the proposal deemed best for the state.

Dated at Salem, Oregon, August 7, 1920.

R. B. GOODIN, Secretary,  
Oregon State Board of Control.

### Musician Lost for 30 Hours in Dense Forest

Lost, prostrated, without food for 30 hours, Richard Reley, a member of the Salem band, was found Sunday evening in the dense woods near Me-hama by one of five searching parties, after he had become separated from Charlie Pabst and Ike Southwick, both of this city, with whom he had gone fishing. Reley was located about three miles from camp on the big north fork of the Santiam.

Mr. Reley, who is advanced in years started fishing with Southwick and Pabst at 4 o'clock Sunday morning, as is said. Leaving Salem Saturday noon by automobile, Mr. Reley failed to get anything Saturday evening and left camp without breakfast Sunday morning.

Traveling in many directions through the woods, which they found almost impenetrable, the men discovered about 9 o'clock in the morning that they were lost. Sitting down to rest at a point which was later found to be about a quarter of a mile from camp, they differed as to which direction to take.

Fatigued, Mr. Reley told Pabst and Southwick to go ahead and that he would come later. The two men, after making a detour of several miles, reached other members of the party about 11 o'clock.

Alarmed at the absence of Mr. Reley, five searching parties of five men each were made up, each of which struck out in a different direction. About 6 o'clock, one of the searchers came across Mr. Reley, prostrated.

Reley, Pabst and Southwick were a party of three who had gone in advance of other Salem band members who gave a picnic Sunday near Me-hama.

### Roumanian Prince Passes Spokane

Spokane, Wash., Aug. 14.—Carol, crown prince of Rumania, passed through Spokane early today enroute to New York, whence he will sail on August 28 for his native land. Neither the prince nor members of his suite of eight army officers and government officials left their private car attached to Northern Pacific train.

According to C. R. Baltaner, representative of the American state department, the prince will stop at Madison, Wis., Chicago, Cleveland and York Niagara Falls to inspect industrial plants and colleges. He is returning from an official visit to the Far East.

### Speeders Land In Traffic Cop's Net

Charged with violations of the statute that forbids an excess of the thirty mile per hour motor vehicle code, two motorists were arrested Sunday afternoon by County Traffic Officer Bert Smith of Marion county.

C. A. Gramalle of 1457 Spruce street Berkeley, Cal., and Mrs. A. Scarborough, of the Spalding building, Portland, were the recruits to the efforts of the sheriff's office in suppressing motor violations on the Pacific highway. Both were traveling at a rate of speed much in excess of the limit. They will appear Monday at the justice court, Woodburn.

### Cozer is After Dealers Who Are License Abusers

With a view to securing more definite co-operation between Oregon auto dealers and state officials a conference between Oregon dealers' representatives and Secretary of State Sam Cozer was held Monday morning at the secretary's office. George E. Halvorsen and F. G. Delano, officers of the Marion County Auto Dealers' association; W. A. Johnson of Baker and Robert E. Magner, president and secretary of the Oregon Automotive Dealers' association, attended the conference.

**Abuses Reported.**

Secretary Cozer has recently issued an appeal to all Oregon dealers asking them to stand responsible for dealers' licenses and to work against the practice of utilizing these licenses for pleasure driving. Many complaints from city and county authorities throughout the state have reported an increasing tendency to use these business specialty permits at all times.

Robert E. Magner, secretary of the association, assured the secretary of state that the automotive dealers would stand back of any enforcement of law resulting from license abuses. This was the general sentiment of the conference, the state association being expected to take action at once.

The Oregon Automotive Dealers' association is affiliated with the national organization. It was organized in this state, April 15, 1920. Officers are: First, second and third vice-presidents Homer Ross, McMinnville; Sherman Lovell, Astoria; A. S. Robinson, Portland; treasurer, E. C. Simons, Eugene.

### 4 Arrested for Speeding; City Coffers Jingle

The city of Salem became \$20 richer Monday morning when four Salem men, arrested by Officer Verden M. Moffitt for violating speed laws on State street Saturday night, forfeited \$5 each which they had offered as bonds for their appearance before Police Judge Earl Race.

A. R. Lauritson was arrested and charged with speeding at the rate of 35 miles an hour between 19th and 25th streets.

Frank Poppi was said to have been moving at the rate of 32 miles an hour between 19th and 25th when he was arrested.

R. L. Christopher, arrested for exceeding the limit on State between 18th and Winter, also failed to appear.

William Doty, the fourth man arrested, was said to violated speed laws while traveling west on State street.

"I'm going to camp on my trails until they get over the idea that State street is a natural speedway," Officer Moffitt observed today.

### Wisconsin Freight Rates Increased

Madison, Wis., Aug. 14.—Intra-state freight rates in Wisconsin were increased 35 per cent to become effective not before August 26 by the Wisconsin railroad commission today.

The commission denied jurisdiction in the case of passenger fare rates.

### Machine Gun Use Taught at Berkeley

Berkeley, Cal., Aug. 14.—Compulsory military training at the University of California, hitherto confined to infantry drill and rifle practice, will be extended this year to instruction in the use of automatic rifles, machine guns, hand and rifle grenades, it was announced today by President P. Barrows. His statement was made in an address to the students at the first university meeting of the fall semester.

### Portland Fights Increase in Rents

Portland, Or., Aug. 14.—Rental increases in a majority of Portland apartment houses, effective September 1, ranging from \$5 to \$15 monthly, were announced to tenants today by apartment house owners. The proposed increases were characterized as arbitrary during the day by Mayor George L. Baker, who called a meeting of the municipal rental committee for next Thursday with the object of investigating the increases.

Mayor Baker said he would make every effort to prevent the rental increases becoming effective. The municipal rental committee was appointed several months ago, but its legal status has been questioned and it has never functioned.

### "Hobbles for Man or Beast" Marion Officers Question

"Hobbles for man or beast?" This is the question being asked by members of Sheriff Needham's force in relation to the strange find reported from Turner last Friday. A report that a pair of broken handcuffs had been found near Turner was investigated by Deputy Bert Smith who returned with a pair of manacles that remind of mediaeval prison equipment.

### Too large for human wear bearing no signs of having been used as horse hobbles, the "hand-cuffs" are on display at the sheriff's office. They are two heavy leather circles enforced by strap iron and fitted with eyelets for a chain and padlock. The chain is worn and the padlock newly broken, this having been done by the use of a rock or some crude hand-made, except for the Yale-Towne padlock.

The Catholic congregation at Banks has let a contract for a new church building at Roy, which is to cost \$35,000 and to be completed March 1.
