Antipathy to Japanese Due to Race

Davey Reports Division of Sentiment in Oregon Farmers and Labor Opposed to Orientals

There is a marked division of sentiment throughout Oregon on the Japanese question submitted to Governor Olcott by Frank Davey, special agent employed to gather data on the Jap situation for the executive office. Probably a majority of the people deplore and oppose Japanese settlement but some are reticent on the subject not desiring to arouse Japanese...

Don't Want Japs

Referring to this spirit of antipathy the report says: "In its crude form it is expressed in the emphatic pronouncement: 'We don't want any Japs in this country at all'..."

At Hood River

The Japanese question, Davey found, is more acute in the Hood River valley than in any other place in Oregon. There, he states, the white settlers have organized to combat further encroachments upon the land by Japs...
