

Chose Dallas for Future Home After 5000 Mile Trip

Dallas, Aug. 21.—N. A. Hagenstein arrived in Dallas Sunday after a 5000 mile trip through the middle west and south, thence to Oregon. He left today for his home in Spencer, Neb., to close up his business and return to Dallas to make his home. Mr. Hagenstein was accompanied by his son and daughter-in-law, Attorney and Mrs. Gus Hagenstein of Montana, who are also contemplating locating in Oregon. On his western trip Mr. Hagenstein visited all the points of interest and found Dallas very much to his liking. An old friend, A. J. Mott, was visited while here. Prior to coming to Dallas Mr. Hagenstein contemplated settling at Flagston, Arizona, but found the society not to his liking, and in Dallas he found the people hospitable and agreeable. He is a real estate man and expects to open up a business after coming west.

Rickreall Play Ground Burns

The playground shed at the Rickreall school was completely destroyed by fire at 10 p. m. Monday night. The loss will be in excess of \$1000, with but \$300 insurance. The origin of the blaze is unknown.

D. B. Jarman, manager of the J. C. Penney company store at Salem was in Dallas Tuesday conferring with Mr. Goodall, local manager of the Penney store. Mr. Jarman was formerly connected with Dallas store and three years ago moved to Salem. Mr. Jarman also made a trip to Dallas Sunday and was accompanied by Mrs. Jarman and daughters. They will leave this week for Long Beach, where they will spend a short vacation.

Henry Voth, retired grocer, will be manager of the Oregon Growers Cooperative association plant in Dallas. The plant will be ready to dry prunes in three weeks, and will accommodate the products of the members of the association. The plant is a 32-tunnel arrangement and is one of the most modern packing plants in the state.

Return to Dallas

Mr. and Mrs. H. P. Shriver arrived in Dallas after an indefinite visit with relatives and friends, in California and Washington. The Shrivers left Dallas last year going to Bellingham, Wash., where they were the guests of their son. They later went to San Francisco where they were the house guests of Mr. and Mrs. Goddard (Georgia Shriver). The Shrivers are delighted to be back in Dallas again, but their trip was one of pleasure and enjoyment. They are both members of the G. A. R.

Mr. and Mrs. Roy Boydston have returned from a two weeks outing at Hookaway, one of the popular Tillamook resorts.

Mr. and Mrs. E. K. Plasecki are spending a few days at the seashore. They recently returned from a trip to Canada but Mr. Plasecki prefers the Oregon climate and scenery.

Dr. and Mrs. L. A. Bollman are in Seattle for a few weeks and are visiting with friends at 720 Northhill ave.

Rev. and Mrs. C. P. Johnson of the Methodist church are on their annual vacation.

Sheriff John W. Orr was in Portland on business the first of the week.

Leonard Livermore believes in the future of the city of Dallas and has purchased the Floyd L. Senter home on South Levens street. Mr. Senter bought the place about a year ago.

L. D. Brown, prominent attorney of this city, accompanied by his wife and children, are spending a delightful two weeks visit at the beach, Rock away.

County Clerk Floyd D. Moore who has been absent from his office for several days on account of illness is improving, but is not able to take up his regular work yet.

Mr. and Mrs. George Carroll and daughter of Rickreall were in town shopping Tuesday.

Mrs. Jim E. Foakum and two little nieces, and sister Miss Hazel Hickathier of Portland were in Dallas Friday.

A WOMAN DOCTOR
says, "Eugenics is a necessary factor in the future of the race. The average American girl is unfit for motherhood." This may be true, but if weak and ailing girls passing from girlhood to womanhood would only rely, as thousands do, upon Lydia E. Pinkham's Vegetable Compound—that simple remedy made from roots and herbs—to restore the system to a normal healthy condition, it would cause many ills from which they suffer to disappear, so that motherhood might become the joy of their lives. Bringing Up Father—By George McManus

Aurora Mill Grinds First Flour of the Season

Aurora, Or., Aug. 21.—N. H. Smith, who has been busy for some time erecting a flouring mill between here and Donald, has completed the works and opened the mill for business this week. The first grinding brought out a fine grade of flour. The mill will prove a valuable asset to farmers in this community. Mr. Smith is an experienced miller and there is no doubt as to the quality of the product he will put on the market. The brand of flour will be known as "Eggs." The state fire marshal was here from Salem a few days ago and ordered the Knapp sawmill closed because of inadequate fire protection. As the mill had nearly finished its work for the season the management was permitted to finish, sawing the timber on hand.

Bridge Repaired

The bridge on the Pudding river, where Philip Otto met with an accident a week ago which resulted in his death, has been repaired. The old mud sills have been replaced by new ones.

Another special meeting will be held in the Methodist church at Wilsonville again next Sunday evening and a chorus choir will furnish music. Several from here will attend.

L. H. Snyder has purchased the Mary Rapp house in this city and expect to make extensive improvements at once.

Rev. M. E. Paroungnagian of Salem, Sunday school superintendent of the Oregon conference, will speak at the Wilsonville church next Sunday evening.

Miss Ida Jones has resigned her position as assistant cashier of the Aurora State bank and left last evening for Portland where she will accept a similar position after a week's vacation.

Henry Bauer is here from California, called on account of the serious illness of his brother, W. I. Bauer.

Miss Heoda Gibble, who has been visiting relatives in Portland for some time, has returned to her home in this city.

Ed and Orville Stoner are spending their vacation in Tillamook.

Professor Wolf and family of Springfield have been spending a few days at the home of Mrs. Elizabeth Grazer.

Monmouth

Monmouth, Aug. 21.—Mrs. Percival returned from her visit in Madras Wednesday. She found the weather very hot there but all the inhabitants of that section rejoicing in abundant crops. Eastern Oregon has had several rains this summer, electrical

storms, which have benefited agriculture there.

Miss Dorcas Conklin returned home this-week. She has attended the summer school at Eugene and afterward visited with friends and relatives at Vernonia, Seaside and Portland.

James Hinkle, Walter and Elmer Green returned from a trip to McMinnville at 1 o'clock last Monday morning headed off certain damage by fire to Postmaster A. Parker. They discovered a fire in the back yard of the Parker premises, routed out the postmaster and by borrowing all the hose in the neighborhood and after an hour's work had the fire out. The fire, communicated from a rubbish blaze had caught in the frame by the woodshed. Unnoticed the fire would have communicated to the wood house and residence, so that fact that the boys were abroad at that time in the morning was a fortunate thing for the postmaster.

W. M. Fisher is absent this week in Portland, visiting his son, Rev. F. M. Fisher, and family.

Luther Hall came here from Mr. Solo last week and returned with Mrs. Hall and their small son, Sunday. Mrs. Hall had been here for the past month.

Mrs. Sullivan and Mrs. Hall were visitors in Salem Wednesday.

Mrs. Sarah Sullivan and two sons, Tom and Ira, of McMinnville valley and her daughter, Mrs. Ashford of Harvill, were visitors at Geo. Sullivan's Sunday.

Mr. and Mrs. Geo. Sullivan attended the funeral of a nephew, Tom Miller of Falls city last Tuesday.

Chas. Goodman, after a week spent with relatives in this city, returned to his road work near Nehalem, Tuesday.

A farmer near Orville is looking for a car with red wheels. This car with a California license, camped near the Orville farmer's barn one night this week. The farmer's car was in his barn and the California man appropriated the Oregon license and attached it to his own car. A search is now being made for him, it being surmised that the car with the red wheels as well as the auto license was stolen.

The annual grange meeting held Sunday afternoon on the banks of the Lucklamute was well attended and a very pleasant affair. A community dinner was served after all had arrived and in the afternoon the grangers sat around and talked or watched the bathers disposing in the river. There were many other picnic parties in the park during the day, it being a popular gathering place for the whole country. The park is situated on a bend in the river just south of the Helmick bridge. The river there has a good swimming depth and a sandy bottom. Rarely a summer day passes but someone from Monmouth is there to enjoy the shade of the trees and bathe in the river. A

Donald

Donald, Aug. 21.—The people of Donald and vicinity are very much elated over the market road now being built between Aurora and Donald. Commissioner Goulet is giving the road his personal attention and we believe that we will have one of the best roads in the county when completed. There will be no pavement laid this year, but grading and grading will be completed in a short time and after setting the pavement will be laid. This piece of road is the first work of any consequence done on the roads in this end of the county for a number of years, and it seems that we are now to receive a little more attention than we have in the past.

Miss Emma Carter of Hood River is visiting with her aunt, Mrs. W. J. Stockholm, and accompanied the Stockholms on a week's visit to Newport.

S. Conkey has had his house wired for electric lights.

S. Conkey has I. O. Andrus' old job as fireman at the normal and E. A. Pagenkopf has succeeded to Mr. Force's job as janitor of the training school.

A mare belonging to Jas. Hinkle managed to break a leg while pasturing in Craven's woods this week and had to be shot. She leaves a small colt which Jas. is bringing up on the bottle.

Miss McIntosh and Mr. and Mrs. R. B. Swenson were guests of Mr. and Mrs. Ackerman on a trip to Portland by automobile Tuesday.

My Dear Sir:—

How much does the car cost? A natural question—and one usually answered by quoting you the selling price. But the selling price is not the correct answer. Not by a long shot. As a rule a motor car is used for two years or more, and then re-sold, or traded in. At the end of that time, the owner will find that his TRUE COST has been the sum he paid out for gasoline, oil, tires, insurance, upkeep and depreciation. The amount of depreciation is the main item. It is determined by the resale value. And there's where the Liberty owner enjoys a distinct advantage—one which materially reduces the cost to him of owning a motor car.

Try to buy a used Liberty. You'll find it a hard matter to locate one at all, and if you do, mark my word, the re-sale price will be higher than any other car of equal first-cost, bar none. If you look into the matter more deeply, you will also discover that this higher used car value is due to exactly the same reasons that made the Liberty a more desirable car to own in the first place. The principal one of those reasons is that its thorough quality invariably enables owners to operate the Liberty at a very minimum of cost for upkeep. And that too, is a matter of record and not merely a catchy phrase from the Advertising Department. When you couple to this the other features that are coming to be more and more highly regarded the country over—ease and comfort, beauty, style and the satisfaction of unquestioned good taste—you will know why it is that the Liberty is considered a better car to buy.

Reducing the whole thing to a few words—it is simply because the Liberty furnishes a higher grade of transportation at a lower cost per mile. Do we get the chance to prove it? Yours very truly, J. E. RINGROSE 341 N. Commercial St.

Salem, Ore., August 21, 1920.

Another of our former citizens, Mrs. H. E. Marty of Silverton, passed to the great beyond on Thursday of last week, and was laid to rest in the Silverton cemetery last Sunday. The O. O. Freeman family, accompanied by Mrs. Myrtle Walker and son Glenn of Salem, motored to the city with the Leon Busick's. Mr. and Mrs. Fred Yergan, spending the week at the A. D. Yergan cottage at Ocean Park. Mr. and Mrs. H. D. Evans, accompanied by their sons Melvin and Joseph, motored to Netarts for a few days recreation. H. N. Smith has opened his flour mill east of Donald, and has already placed some flour on the local market.

Good catches of salmon have been made off the mouth of the Columbia river since Monday.

AT LAST, RELIEF FROM RHEUMATISM

Now is An Excellent Time to Get Rid of Its Tortures. Rheumatism is more than a mere local disorder confined to the locality of the painful parts. It cannot be rubbed away, because it is a deep-seated disease that has its source in the blood supply. The millions of little disease germs that cause the disease must be reached and eliminated from the blood before real relief can be had. S. S. S. has been successfully used for Rheumatism for more than fifty years. It is the most thorough and reliable blood remedy because it searches out and eliminates the disease germs which infest the blood. For free expert medical advice regarding your own case, write fully to Chief Medical Adviser, Swift Laboratory, Atlanta.

Inseparable from the good times of summer—SWIMMING—at the beach or in the pool! These pleasant hours of golden summer days will be memorable if your suit carries the label of

A FEW REASONS WHY PAYING CASH FOR MDSE BENEFITS YOU

First: Our selling cost and profits added together is not as great, by far, as the average retail credit store's cost of doing business.

Second: It is a known fact that any one paying cash will not buy anything but what is needed. They will also know at the time of purchase just what the price will be. If you have it charged you will probably not know the price until the first of the following month, then it is too late to economize on that item.

Third: Paying cash is one of the best ways of saving money and that is what we all should do to be successful. If you hear any one speaking of a successful merchant you will invariably note that that particular merchant pays cash for his merchandise, for the very good reason, that there is always a saving by paying cash.

The following written by James J. Hill:

"If you want to know whether you are destined to be a success or a failure in life you can easily find out. The test is simple and infallible: "Are you able to save money?" If not, drop out. You will lose. "You may think not, but you will see as sure as you live. The seed of success is not in you." (adv)
