Some of the girls are going to the University of Oregon or to the Oregon college and for those there the Delta Delta Delta women are giving the largest and most enjoyable function of the week for the folk when they are to go for a formal dancing party in the hall tonight. This is a formal dance to mark the beginning of the autumn gaities and is a happy event with them. All will present the appearance of beauty and loveliness. Men are to be used in the gaities, the blues, and white to the color of the fraternity. They will be in the hall tonight. Miss Katherine Orr of Pittsburg was a lovely honor guest for one of the social events that marked the end of last week, when Mrs. G. E. # New Fall Styles

Never have the Fall styles in feminine apparel been as charming and universally becoming as they are this season. Dresses are youthfully short and full; coats are stunning in line and shade; blouses are new in line and finishing; underlings are daintily sheer and lacy. In fact the full styles were created to add to feminine beauty and attractiveness and you will find the most advanced models at this store. And just a word about the prices. In spite of summer and spring predictions, we have been most fortunate in buying our fall stocks. Aided by our new plan of "Pay As You Go" we have been able to hold down our prices and we invite you to an inspection of our fall fashions assuring you that you will find the prices we ask to be most reasonable.

### Would You Let a Cobbler Mend Your Clothes?

Certainly not. Don't permit anyone other than an Optometrist to examine and prescribe glasses for your eyes. He only is competent to perform such an important mission.

We place at your service an experienced Optometrist for examination, a skilled mechanic for the grinding of the lenses and an expert Optician for adjusting and fitting of the frames or mounting.
