

Silverton City Treasurer Quits

Silverton, Sept. 1.—F. E. Callister, who has been city treasurer most of the time since he came to Silverton, handed his resignation to the city council at the meeting held last evening. Mr. Callister resigned his position as cashier of the Coolidge & McClaine bank a few days ago, and M. G. Gunderson was made his successor. Mr. Gunderson was also elected by the city council to succeed Mr. Callister as city treasurer. The term expires Jan. 1, 1932.

N. O. Holeman, a farmer living northwest of here, died at his farm home Saturday afternoon, and the funeral was held in Trinity Lutheran church Monday afternoon. Rev. Hankinson officiating. Consumption is said to have been the immediate cause of his death, and his two daughters are said to be critically ill at the family home from the same disease. Mr. Holeman had lived on the farm where he died for more than twenty years, coming here from Minnesota.

Buren Fenide, who has been attending summer school in California for several months, arrived home the fore part of the week and will enter school in Oregon this winter.

Mrs. Belle Whitlock of Klamath Falls, is visiting relatives in the city. Clarence Whitlock, formerly of Silverton, and who is now under taker at Klamath Falls, was visiting in this vicinity with his wife when the terrible fire occurred in his home town causing numerous deaths. Mr. Whitlock tried to get an aeroplane from Portland to convey him home quickly, but was unsuccessful in this undertaking. He left by train and Mrs. Whitlock will drive the car, which they came north in, back to Klamath Falls.

Mr. and Mrs. John Moe are rejoicing over the arrival of a baby boy Saturday at the Silverton hospital.

J. H. Moser and Mr. and Mrs. G. E. Moser are spending the week at Mt. Hood.

Mr. and Mrs. Henry Palmateer are entertaining friends from California. To make the entertainment complete, Mr. Palmateer and company motored to Mt. Hood in his new car, leaving Sunday.

Mrs. T. P. Risteigen, who has been visiting in Portland for a few weeks while her husband was pursuing other "dear" in southern Oregon, arrived home today.

Mayor L. J. Adams was transacting business in Salem yesterday.

C. A. Harwood and son, Clarence, were in Salem on business last evening.

Street commissioner Yates is building new cross walks on North water street.

C. A. Hartley, manager of the Silverton Food Products Co., is having lumber hauled on the three acre tract he recently purchased north of the city, and will erect a home at once.

G. I. Barr was recommended by Mayor Adams as a member of the water commission to succeed C. A. Bock, who refused to serve after the expiration of his term of office, but the appointment was not confirmed by the council last evening.

Otto Alm was a visitor in Salem yesterday, on business and pleasure.

One of the longest strings of bills that was ever presented at a council meeting in this city was read by the recorder at a meeting last evening. The claims aggregated more than \$1,000, and were ordered paid. The order was made in payment of numerous improvements, such as street work, sewer extension, new bridge across Silver creek in Geiser's addition and pavement of intersections of streets in the north part of town made necessary by the improvement of front street.

Harmon & Anderson, contractors, have finished paving front street and the city council last evening ordered payment of the work to the extent of seventy-five percent of the total cost, the balance to be paid upon acceptance of the work by the street committee.

Chief of Police Yates expects to leave for California next week on a two weeks' vacation.

At a meeting of the council last evening the street commissioner was instructed to put a new decking on the steel bridge on Main street, and get an estimate on the cost of paving the sidewalks to be built by the new sidewalk.

Among the order of the street commissioner are those adjacent to the Methodist church on Main street and the property of M. J. Brown on the same street. Mr. Hunter, owner of the Silverton Hotel, and A. F. Simeral will be required to build cement walks in front of their properties.

The road roller which has been working on the improvement of Pine street and the two hill roads, met with an accident a few days ago, and the work has been temporarily abandoned.

Oregon News

Heppner, Ore.—White alkali earth found in a deposit at Morgan is being mined and shipped in carload lots to a big construction company operating in Western Oregon for use in road paving. This newly discovered material is mixed with cement and applied as a top dressing on hard-surface work. When properly set it becomes hard as marble and entirely impervious to moisture.

Portland, Ore.—In the old days when horse-drawn vehicles were commonplace the best-kept farms were equipped with automatic gates so that drivers could open them by pulling a rope. Now the same principle has been applied to garages with the result that a Portland man has invented an automatic door opener and the Universal Garage Door Opener Company has been formed to put it on the market. By means of the invention a man may open the door through applying foot pressure to an electric plug, which is still seated in his machine.

Redmond, Ore.—More than 50 farmers of this section have joined in the organization of a warehouse and flour mill company, which is now in process of building a flour mill for part of their produce.

bought, and will be moved to a location near the Tom-Lump Lumber company's warehouse, also purchased. The new company has a capital stock of \$25,000.

Portland, Ore.—A plant that will prevent shingles from warping or shrinking and at the same time waterproofs them has joined the ranks of Oregon products crying for larger output. The Roof Security Corporation, is now erecting new buildings and installing additional equipment in order to double the quantity now being made.

Cottage Grove—String beans and berries are now coming into the Cottage Grove cannery in such quantities that the plant is running on a full-time basis. Practically all of the pack has been sold in advance. Growers are receiving from 3 to 3 1/2 cents for string beans this year.

Portland—Two carloads of chocolate truffles, the product of the Chocolate Truffles company, were shipped to New York this week. Four thousand pounds of sweets are now turned out daily by the concern, which recently has moved into larger quarters.

Eugene—Nearly 2500 people from surrounding towns attended the opening of the new mill of the Alsea River Lumber company at Glenbrook. The plant, which has a capacity of 125,000 feet of lumber a day, is valued at \$250,000. It will be in operation in about two weeks.

Portland—Demand for loggers' footwear turned out by the West Coast Shoe company has necessitated expansion of the plant. The company, which started two years ago as a repair shop, has recently moved to larger quarters downtown.

Klamath Falls—Seven thousand acres of Klamath Indian reservation land has been purchased by the Pelican Bay Lumber company from the Soper-Wheeler company of Portland. The tract adjoins acreage now being logged by the former concern.

McCoy News

McCoy, Sept. 1.—Miss Barbara and Master Billie McQueen of McMinnville are spending a few days with their grandparents, Mr. and Mrs. G. L. Frizzell.

A son was born September 4 to Mr. and Mrs. E. W. Muller. The young man has been named Edward William, Jr.

An all day service was held at the church here Sunday, Rev. J. Y. Stewart of Whiteson, preaching in the morning and afternoon. A minister from Portland preaching in the evening.

Harley Shields of Portland spent Labor day with relatives and friends here.

Mrs. L. A. Worden and children of La Verne, Minn., and her mother

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Salem People Know How to Save It

Many Salem people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Salem citizen's recommendation.

Mrs. T. T. Kirkwood, 459 Union street, says: "I have used Doan's Kidney Pills and found them to be a good remedy. My kidneys did not act right and I felt dull and miserable. I read of Doan's Kidney Pills and used them as directed. They soon relieved the trouble and put my kidneys in good order."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kirkwood had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Tire Mileage Increased and Cost Reduced—for Small Cars

You can buy Goodyear Tires today at prices which are no higher than they were ten years ago.

And from these tires you can now obtain more actual mileage due to advancements made by Goodyear in their construction since 1910.

The present cost of Goodyear mileage therefore is decidedly less and this fact applies to all the line, including the 30x3, 30x3 1/2 and 31x4-inch size Goodyear Tires built especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—get exceptional mileage at very low cost.

30 x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3 1/2 size \$4.50 in waterproof bag

GOODYEAR

Call for CALUMET

Never accept anything else—no matter what the inducements. For, remember, nothing in the way of big bulk, low prices, premiums or extravagant claims can make up for the leavening value of Calumet.

Quality means everything in Baking Powder. You must have quality—purity—dependability to obtain satisfactory results, wholesome foods and real baking economy.

Contains only such ingredients as have been officially approved by the United States Food Authorities—proved merit.

Used by more housewives than any other brand. "Best by Test." Always makes sweetest and most wholesome of foods.

Made in world's largest, most modern and sanitary Baking Powder plants.

Perfect in Quality — Moderate in Price

This is the Tire It is Not Possible to Buy a Better Tire

No Better Materials. No Better Workmanship. No More Scientific Construction can enter into the manufacture of a tire than when you put GOODYEARS on your car.

The cost is no more than you pay for many inferior tires.

We sell such well known standard quality articles as GOODYEAR Tires.

GOODYEAR customers come back again. They're satisfied.
