Raiding Plane Draws "Defense Fire" Tuesday

Eugene Eyerley, Salem aviator, piloted his own plane over the city, Tuesday noon in staging a mimic aerial attack, as a preliminary feature to the "Battle of the Argonne" spectacle to be given at the State Fair grounds, Wednesday night.

Bombs fired from the roof of the United States National Bank building, assailed the big Canadian plane as it dipped and swerved in emulation of a bombing plane. As the dynamite bombs exploded near him, Pilot Eyerley dropped displays which disclosed flags and pennants. Observers shivered as the daring aviator dropped to a height of 150 feet above the State and Commercial street intersections.

Star shells, aerial torpedoes and pennant bombs were fired from the bank building, the "attack" lasting twenty minutes.

Chairman Young, of Capital Post No. 9, the American Legion, reports that the demand for admission tickets is steadily increasing and that a record attendance is anticipated. Mr. Young is in charge of admissions and parking privileges. Tickets cost no more than a dance admission and the extensive preparations and magnificent sets are proof that money's worth will be received," he states.

Tickets are on sale at many Salem business places and at room 312, U. S. Bank building.

Stayton

Stayton, Sept. 22.—Mrs. Ethel Malone and Dell Harrington sprung a surprise on their friends by traveling to Salem one day last week and uniting in marriage. They will make their home on Mrs. Malone's farm east of Stayton. Their many friends are offering congratulations.

Chas. Schmitt and Miss Anna Kulken, who were married last week in Salem, are housekeeping in rooms in the Roy building. The groom is employed in the Mack barber shop, and the bride has been attending school here the past three years. Both young people have many friends who will wish them much happiness and prosperity.

Workmen who have the contract for making over the old Stayton State bank building, began operations Tuesday morning and the work will be pushed as fast as possible. Many changes will be made in the building and an up to date banking house will be the result. After the work is completed the building will be occupied by the Farmers & Merchants bank, which will soon be changed into the

First National Bank of Stayton. Heavy rains have caused much damage to the prune crop in this vicinity, but before the rains many farmers in the hills found it impossible to plow. They are now taking advantage of their opportunity.

Mr. and Mrs. P. C. Galbraith are the parents of a new baby, born Tuesday.

Stayton hop pickers are about all home from the yards. Most of them report doing very well financially.

Chas. S. Clark and family now occupy the Lucy Kearns property on Second street. They were forced to vacate their home in the Waters house by the return of Mr. and Mrs. Watters from Idanha.

L. Hemingway and wife, who have been employed in the woolen mills, expect to leave Saturday for Long Beach, Cal.

Chas. Cladek attended the Round up at Pendleton last week.

Quite a number of Staytonites visited the fair Monday and Tuesday and were well pleased with what they saw there.

W. M. Graser, who visited friends here a few weeks, has returned to his home at Peabody, Kan.

Cloverdale

Nervous Breakdown

"I am so nervous it seems as though I should fly"—"My nerves are all on edge"—"I wish I were dead." How often have we heard these expressions or others quite as extravagant from some loved one who has been brought to this state by some female trouble which has slowly developed until the nerves can no longer stand up under it. No woman should allow herself to drift into this condition without giving that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound a trial.

Read the Letters of These Two Women.

North East, Md.—"I was in ill health four or five years and doctored with one doctor after another but none helped me. I was irregular and had such terrible pain in my back, lower part of my body and down each side that I had to go to bed three or four days every month. I was very nervous, tired, could not sleep and could not eat without getting sick. A friend asked me to take Lydia E. Pinkham's Vegetable Compound and I am sorry I did not take it sooner for it has helped me wonderfully. I don't have to go to bed with the pain, can eat without being sick and have more strength. I recommend your medicine and you are at liberty to publish my testimonial."—ELIZABETH WEAVER, R. R. 2, North East, Md.

Minneapolis, Minn.—"I was run down and nervous, could not rest at night and was more tired in the morning than when I went to bed. I have two children, the youngest three months old and it was drudgery to care for them as I felt so irritable and generally worn out. From lack of rest and appetite my baby did not get enough nourishment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children, and I am very happy with them and feel fine. I nurse my baby exclusively again, and can't say too much for your medicine."—Mrs. A. L. MILLER, 2653 E. 24th St., Minneapolis, Minn.

The Reduced Cost of Tire Mileage for Your Small Car

Do you realize that Goodyear Tires are priced no higher today than in 1910 and that their mileage actually costs less than it did a decade ago?

During this period Goodyear has been able steadily to increase the amount of mileage built into its tires and, consequently, the cost of Goodyear mileage has actually declined.

In no part of the Goodyear line has this decline been more marked than in the present 30 x 3-, 30 x 3 1/2- and 31 x 4-inch sizes of Goodyear Tires, made especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for them—get the unusual value contained in their construction and delivered in their mileage.

30 x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50
Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly castings when such sure protection is available? 30 x 3 1/2 size \$4.50 in waterproof bag.

It is a phonograph which is chosen when heard in critical comparison. It won the highest award for tone quality at the Panama-Pacific International Exposition. It is the Sonora.

For what qualities is the crown of success bestowed?

Not for loud claims and hollow words, but for proven truth—

Not for outward merit and inward lack, but for solid worth—

Not for apparent excellence and surface glitter, but for thorough value which time has tried and not found wanting.

Before you purchase your phonograph, hear the Sonora. It will give to you, to your family and friends years of the keenest pleasure, entertainment, and enjoyment.

We are located at 415 Court street, just "Kitty corner" from Miller's store. Come in and see the SONORA, hear its beautiful tone and see the high grade cabinet, then notice the reasonable prices of the different models.
