City Officers of Independence Are Nominated

Independence, Or., Oct. 14.—Pursuant to a call issued by Mayor W. H. Walker a mass meeting was held in the city hall Monday evening when nominations were made for city officers. The meeting was not very largely attended. The ticket was made up, however, and is as follows: For mayor, Ray Walker; recorder, E. F. Sweet; councilmen, four year term, C. D. Calbreath, A. L. Thomas and Claude Skinner. W. E. Craven was nominated as councilman for two year term to fill a vacancy. The city treasurer is appointed by the council.

Ordinarily two or more tickets are placed in the field each year, but it is the opinion of many citizens that only one ticket will be in the field this year. The candidates named are good representative business men and popular with the voters. Their election November 2 is practically assured.

The Southern Pacific company's warehouse in this city is the busiest place in town at the present time. Hops are being delivered from all parts of the tributary country. Many were sold on contract and stored in the warehouse awaiting shipment to the purchasers. Few sales have been made here since hopping. The growers are offered, it is said, only 35 cents per pound for the crop and none of them seem disposed to sell at the prevailing price.

Mr. and Mrs. Henry Patterson of Portland, former residents of Independence, visited their parents in the city Sunday.

W. E. Tripp left Sunday for Chicago, where he will spend several weeks visiting relatives and transacting business.

Republicans for Stanfield Harding Needs Republican Senate Oregon Needs Protective Tariff

As is generally known, the present republican majority in the United States senate is just one vote. Republican control of that body is, therefore, in jeopardy. It is the realization of this fact which is causing Oregon's republicans to unite in support of the candidacy of United States senator, Robert N. Stanfield. With a difference of only one in the present senate, republican voters have awakened to the fact that if they vote for George E. Chamberlain they may by that very act be turning the control of the senate over to the democrats. On the other hand, by electing Robert N. Stanfield it is possible that his single vote may give the republicans control of the senate, and thus put that body solidly back of Harding.

Oregon producers are fearful of the effect that the election of Cox and a democratic senate would have upon them. It is quite evident that under democratic rule rival products of foreign origin would offer a serious menace to many Oregon products. If the American standard of living is to be maintained, Oregon farmers, livestock men, fruit growers, lumbermen and wool growers must receive a price for their products which will enable them to make a reasonable profit over and above the cost of production. They will be unable to obtain such reasonable profit, or any profit at all, unless a republican administration is selected to levy protective tariff duties just high enough to save our producers from the ruinous competition threatened by Canadian wheat and lumber, New Zealand butter, Australian wool, Argentine corn and beef, European beet sugar, South American meat and hides and Manchurian beans and peas.

To hamper a republican president with a democratic senate flies in the face of the well accepted principle that governmental management should be centered, so that the people can correctly place the responsibility for success or failure. The feeling among Oregon republicans is, therefore, becoming quite general that Harding, if elected, is entitled to the support of a republican senate and that, therefore, Oregon should elect the republican senatorial nominee, Robert N. Stanfield, to help back up Harding, Stanfield for Senator Republican Club.

Home-made Remedy Stops Coughs Quickly

The best of all medicines you ever used. A family supply easily and quickly made. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, test children like it—and it is pure and good.

Four 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give also full satisfaction or money refunded.

There's No Picture Like the Picture of Health

The greatest master-piece in the Art Gallery of Life is Nature's "Picture of Health".

It is a marvellous portrayal of the human body at its best. One beholds in its composite detail a true symbol of strength. It presents a figure of towering proportions, its erect carriage, clear skin, sparkling eyes, strong limbs, steady nerves and firm muscles; fairly vibrating in animation, alert, fresh and spirited; with an air of unbounded confidence and a face radiant in color and illuminated with a glow of hope and cheerfulness.

Could Nature have taken you for her model? Suppose you study yourself in the mirror of the present and compare your looks, your feelings and your condition with the general characteristics of this picture of the human body in perfect working order, all parts of which are sound, well organized and disposed, performing their functions freely, naturally and harmoniously.

If you fall in any single point of resemblance, you are not the picture of health. It is imperative, then, that you look to a means to rebuild your strength, energy and vigor—to bring your body up to a normal state of efficiency in all its parts.

LYKO

The Great General Tonic

Nothing is more efficient as a restorative of exhausted nerves and depleted blood than LYKO, the great general tonic. It leads to renewed vigor, and restores the appetite of those who are weak. Daily, long-continued use, brings about the result of increased vitality, energy, and vigor. It is a reliable, efficient, a splendid aid to digestion and a functional restorative of the liver, kidneys and bowels.

All druggists sell LYKO. Get a bottle TODAY and you'll commence to look more like the picture of health.
