'Civilian Clothes'

TODAY

Every man in the class knew the answer

PROFESSOR HASKINS.
WAS A kindly soul.
BRIGHT ON some subjects.
BUT SO absent-minded.
THAT ONE day at the barber's.
HE TOOK off his collar.
TO GET shaved.
AND FORGOT where he was.
AND KEPT right on.
TILL THE cash-girl screamed.
AND A barber stopped him.
HE WAS a great smoker.
WHY HE'D often put.
THE BURNT match in his mouth.
AND THROW away.
THE CIGARETTE.
THE STUDENTS loved him.
HE WAS so full.
OF FUNNY surprises.

ONE DAY he had a tube.
OF RADIUM and he told.
THE STUDENTS all about it.
AND FINALLY, by mistake.
INSTEAD OF the tube.
HE PULLED out one.
OF HIS cigarettes.
AND ASKED the class.
"WHAT IS the one thing.
WHICH DISTINGUISHES.
THIS MARVELOUS substance.
FROM ALL others on earth?"
AND THE class roared.
"THEY SATISFY."

WHAT is it you've always wanted
a cigarette to do? You know
the answer, Chesterfields do it—
they not only please your taste, they
satisfy! It's all in the blend—a re-
cet blend of fine Turkish and Do-
mestic tobaccos. It puts Chester-
fields where none can touch them
for quality and value.

Wash-Woman Elopes, Taking Family Motor

St. Johnsbury, Vt., Oct. 26—Wom-
en of St. Johnsbury's first fami-
lies received a severe shock when
they learned that their favorite
washwoman, Mrs. David R. Corbett,
aged thirty-two, had disappeared
in her new automobile, and that
her chauffeur, Frank Douse, was
also missing.

Mrs. Corbett had taken her
daughter, Arvilla, aged eleven,
her leaving her husband, David
R. Corbett, sixty-two, and their
other two children.

The Corbetts sold their farm about
a year ago and had \$1,800 in the
bank. Mrs. Corbett got the auto-
mobile new. Her husband bought
her a new \$1,350 machine and
after taking many lessons, decided
he was not capable of driving a
car, so he turned his job over to
Frank Douse, a husky young mem-
ber of the local fire department.

The advent of the Corbetts into
motoring circles did not disturb
Mrs. Corbett's activities at the
wash tub, for she continued to do
from eighteen to thirty washings
a week for the elite of St. Johns-
bury.

She said she liked the exercise
and it afforded her so much more
money for gasoline. After her
morning exercise at the tubs she
was often seen in the afternoon
with her chauffeur, Douse, motoring
through the White Mountains
or taking tours across the northern
border into Canada.

One morning Corbett's young
wife bade him good-bye as he left
for his work at a local factory.
When he came home at noon, his
oldest daughter told him her
mother had departed with two
suitcases, the automobile and her
chauffeur. Mrs. Corbett had also
drawn \$533 from the Citizens'
Savings Bank, where the dwindling
Corbett fortune was kept in her
name.

An added mystery to the disap-
pearance is the fact that Miss Lil-
lian La France, a polite blond,
who came here a few weeks ago
from Morrisville and who was
known to be friendly with Douse,
is also missing. She told friends
she was going to New York and
might not be back.

"I'm done with women," was the
aged Mr. Corbett's declaration to-
day. My wife and I got along fine
until we bought an automobile.
Since then things have gone from
bad to worse, I never want to see
her again, and I don't want any-
thing to do with any other wom-
an."

Superintendent of Schools Geo.
Hug, J. C. Nelson, principal of the
Salem high school, and several
other local educators went to
Monmouth today to hear a lecture
delivered by Dr. W. C. Bagley of
Columbia university. Invitations to
be present at the Monmouth nor-
mal school were tendered all of the
local teachers.

No classes were held at Willam-
ette university Tuesday afternoon,
students and faculty attending the
unveiling of the Jason Lee mem-
orial in the legislative halls of the
state house. Those connected with
the university occupied reserve
sections, and sang college songs
previous to the opening of the
service in honor of the founder of
the university.

Election day will not be a holi-
day at Willamette university, but
Armistice day will, according to a
decision reached by the faculty
Tuesday morning.

Mrs. Alice Dodd, Misses Emma
Shannafelt, Charlotte Croisan, Ed-
na Gilbert, Elsie Gilbert, Sybil
Smith and Lurille Tisker were
guests of the Sigma Tau fraterni-
ty at dinner Monday evening.

Farmer Strike Boosts Wheat Prices Skyward

Chicago, Oct. 26—Wheat prices
made a sudden ascent today and
trade authorities ascribed as one
of the reasons a falling off in of-
ferings from the southwest appar-
ently due to the "farmers' strike."
An extreme advance of 10 3/4 cents
a bushel took place, December de-
livery touching \$2.10 1/4 as against
\$1.99 1/4 to \$1.99 3/4 at yesterday's
finish.

Subsequently the market scored
a sharp ascent, influenced by word
1145 N. Fifth street yesterday, ac-
cording to Mr. Hinkle's statement
to police.

Mr. Hinkle says the motorcyclist
was looking back of him when the
crash occurred. Nobody was in-
jured.

Runaways Sought By Police Here

Leo Zelnicki and Gabriel Gehr-
man, route 9, who left their homes
Thursday evening and came to
Salem on bicycles, are believed by
young elinski's father to have run
away from home, according to
police.

The lads, it is said, left their
wheels at a local store. They are
about 18 years of age. No trace of
them has been found by police.

Prune Publicity Opens In Gotham

On November 15, the first post-
er released as an advertisement for
Oregon prunes in New York
city will be displayed on elevated
and subway stations of the metrop-
olis.

C. I. Lewis, manager of organi-
zation, the Oregon Growers' as-
sociation, asserts that this adver-
tising will introduce the association's
line of "Mistland" prunes.
"This will be an epoch in the
Oregon prune industry and will
waken 3,000,000 people to the true
worth of the prune, the best pro-
duct of Oregon's orchards," states
Mr. Lewis.

Car Turns Turtle In Crash In Fog; None Is Injured

An automobile driven by B. J.
Fischer turned turtle after it had
crashed into a machine driven by
C. S. Bowne on the Turner road
near Aumsville yesterday, accord-
ing to the police report. The occu-
pants of these cars were badly shaken
up but nobody was injured, it was
stated.

Mr. Bowne stated that he was
moving north and that Fischer was
traveling in the opposite direction
when the smash-up occurred. The
fog being dense, the Fischer car
struck the left wheel of the Bowne
car. Neither of them aches was
badly damaged, it was said.

Recently local officers were no-
tified that Jami's car had been
stolen, and the license number of
the machine found here corre-
sponds to that of the one lost.
Portland authorities have been no-
tified.

market closed strong 9 3/4 to 10 1/4

Later corn made a decided fresh
gain. The close was nervous, 1 1/2

The "strike" or stoppage of sell-
ing by farmers was announced
some time ago by officials of the
United States Wheat Growers asso-
ciation as against continued cutting
down of prices until it was con-
sidered the financial returns to
growers were below the cost of
production.

Yesterday was the day set for
the "strike" to begin, but no ward
ket effects were noticeable until to-
day.

superintendent of public instruc-
tion and a member of the board of
control of the athletic association.
Suspension of the Jackson county
high school from state athletic
activities followed a meeting of the
board of control here last night,
when the Klamath Falls high
school submitted evidence tend-
ing to indicate that the football team
of the former school, in a game
with the Klamath Falls high school
eleven on October 8, allowed several
players in its lineup who were
not eligible because they were
more than 21 years of age. The
charge also was made to the board
that one of these players was en-
tered in the game under an as-
sumed name.

Because the Medford high school
athletic authorities were not pre-
pared to present all their testimony
at the hearing of the board here
last night, they were given a rea-
sonable time to make satisfactory replies
to questions propounded by the in-
vestigators. Should the school be
unable to make satisfactory replies
to these interrogations the order of
suspension will be made perma-
nent.

Besides issuing the suspension
order the board also forfeited the
Medford-Klamath Falls game to
the latter school. Medford won the
contest by several points, according
to evidence placed before the
board today by J. A. Churchill, state board.

Public Forum

To The Editor: Vote No on measure 305.

I think this is a pernicious mea-
sure. It proposes to burden an in-
dustry of great merit with taxes
and requirements and red tape that
would legislate it out of business
and deprive many earning moder-
ate salaries of a healthful food. If
this measure becomes a law, have
we any assurance that the price
of butter will not advance 40%?
