Polk County to Hold Corn Show At Independence

Independence, Oct. 28.—The third annual Polk County Corn Show will be held in this city November 23 and 24, and already quite an interest is being awakened in the event.

This is in reality the fifth annual show but two meetings were of not sufficient importance to be classed as a show. Three years ago it had been arranged to hold the show at the same time of the Polk county fair, but as the fair committee made the dates early in the fall corn was not in condition for the show, and when it was later decided to hold the show in the month of October the corn show committee found it too late to make it a success.

Then the epidemic of influenza two years ago was such in this vicinity that the authorities advised postponing the corn show indefinitely. This made it impossible to hold a show at that time.

But two successful events have been held in Independence and it is the intention of the committee in charge to make the show this year the best ever.

In the Whitaker building this fall on Main street, adjoining the Hotel Beaver.

One hundred fifty dollars will be paid out in cash for premiums and the merchants of Independence have contributed two hundred or more dollars worth of merchandise which will also be given to growers as premiums.

C. Moore is chairman and other members of the committee are C. D. Calbreath and W. H. Cockle.

Mr. Chapman, agricultural agent in Polk county, is also interested in the work and is doing everything possible to make the meeting this year a grand success.

Senator Ike Patterson of Eola, one of Polk county's corn enthusiasts and an extensive grower, who has heretofore been in line for a large number of premiums, is said to be prepared this year to show some most excellent varieties of corn and his exhibitions will demonstrate, it is said, beyond all question of doubt that corn can be produced in Oregon. The committee in charge of the show held a meeting yesterday afternoon in the Moore furniture store and formulated plans for the coming event.

Copy for the premium list is now in the hands of the printers and will be issued in a few days.

Marion

Marion, Ore., Oct. 28.—Wendell Palmer, little son of Mr. and Mrs. John Palmer Jr. was taken seriously ill one night last week. A physician was called, and the next morning the baby was much better.

Mervin Pearson of Salem spent the week-end with his parents, Mr. and Mrs. William Hall.

J. R. Small has rented his father's farm.

Don Osborn of Monroe is visiting at the home of James Trester.

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and saves about \$1.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with a cough and you want quick help, try this reliable old home-made cough remedy. Any drug store can supply you with 2½ ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds.

There are many worthless imitations of this mixture. To avoid disappointment, ask for 2½ ounces of Pinex with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., St. Wayne, Ind.

Hopeville School Installs Soup Kitchen Feature

Independence, Oct. 28.—Hopeville, situated a short distance south from this city in the rich hop section of the Willamette river bottoms, is an old settlement, but a new spirit of progress has developed within the past few months, and many creditable features are now apparent. Since Mrs. Geo. W. Bonkey of this city opened her school there a few weeks ago a soup kitchen has been in operation for the benefit of pupils who have some distance to go to and from school and carry their lunches. The board has provided the necessary equipment and under the supervision of Mrs. Conkey the older girls have kept it in operation in a very creditable manner.

Gouraud's Oriental Cream

FERD. T. HOPKINS & SON, New York

Preparing for one hundred and twenty million meals with Karo Maple for 1921

Last year American housewives bought over five million cans of Karo Maple. Delicious flavor, moderate price and wise buying.

Do you know that the makers of Karo Maple are the world's largest users of the purest and best flavored maple sugar?

That over a thousand tons of maple sugar from the finest maple groves in Vermont and Canada are used each year to make Karo Maple?

Karo Maple is pure and wholesome—its flavor is not an imitation.

Yet the price is so moderate that you can afford to serve it at every meal.

Try it just once, on some nice hot waffles, or brown pancakes. Or as a spread for bread or crisp toast.

If Karo Maple isn't the most satisfying syrup you ever tasted, at the most satisfying price you ever paid for a similar syrup, return the balance of the can and the grocer will refund your money.
