Independence Stores to Close Armistice Day

Independence, Ore., Nov. 10.—Business houses of this city will close doors Thursday and join Monmouth and Dallas in the celebration of Armistice Day at Dallas. The American Legion, National Guard, and Civil War veterans will participate in the celebration and it is expected to be the greatest event ever held in Polk county. An attractive program has been provided for by the schools of the county. Prominent speakers, and bands will add to the enjoyment of the occasion.

To abate further possibility of danger in crossing the "fill" between Independence and what is known as "old town" the city council is making provisions to build a plank sidewalk on a railing between the walk and the road the entire length of the fill. The material has already been ordered and the work will probably be commenced this week. A street light is also to be installed in that part of the city by the power company. Several accidents have occurred at that point during the past few months and the council has decided to remove further possibility of danger.

The annual teachers' institute will be held at Dallas November 17, 18 and 19, in the Dallas high school building. Independence teachers will be in attendance and there will be no school in session on those days.

The following Polk county men have been drawn on the Federal Grand Jury which is in session at Portland: Levi J. Burbank of Albion, W. T. Hubbard of Dallas, C. W. Leonard, Monmouth, Frank Loughran, Monmouth, M. Scafford, Suver, and W. T. Trent, Rickreall.

J. C. Ward, who was in the general mercantile business here for a number of years, was a business visitor in the city yesterday.

Dr. Alico, a former practicing dentist of this city, has been visiting friends here for several days. He is now retired and living at Blue River 60 miles east of Eugene.

Mr. and Mrs. J. G. McIntosh and Mr. and Mrs. A. D. Davidson motored to Corvallis Sunday and spent the day with relatives.

Rev. Paragonian of Salem preached in the Methodist church here Sunday evening.

J. A. Reiber has purchased two or three lots from C. K. Eldridge across the old residence formerly on South Sixth street, and also purchased by C. W. Irvine, which will be moved to his recently purchased property. Mr. Reiber is an Advertiser minister and it is understood that a new church is soon to be erected on the lots.

Mrs. Frank Bush has returned from Portland where she recently underwent an operation which was found necessary by reason of injuries sustained some time ago when she was run down by an automobile in this city.

A feature of the Civic Club meeting to be held at the home of Mrs. C. K. Eldridge tomorrow afternoon will be an address by Miss Todd on her trip to the orient. She will have many souvenirs of the east to exhibit.

C. B. Smith and wife will leave this week for California where they expect to spend most of the winter.

Jan Hilliard has purchased the Chas. Cheney residence on North Main street and will take possession of the same this week.

Arthur E. Horton has moved his family here from Parker and they are occupying the home he recently purchased from Homer Wood. After spending most of his life

Polk Farmers May Affiliate With National

Monmouth, Nov. 9.—At a meeting to be held in this city tomorrow evening, which has been called by County Agent Paul Carpenter of Dallas, the members of the Polk county farm bureau and others interested will discuss the advisability of affiliating with the state and national federations of this movement. The question has been up for discussion at previous meetings, and it is believed that there is a growing interest in the proposition in Polk county.

There are 35 states now united with the American farm bureau federation, said Mr. Carpenter, and it is now proposed that Oregon form a state unit and affiliate with the national body. P. O. Powell of this city, who has been prominent in the organization of a temporary state federation, which will become permanent upon the ratification of the constitution by twelve counties, believes that every county in the state will eventually become a part of the state body.

The meeting tomorrow night will be addressed by Geo. A. Mansfield of Jackson county, president of the temporary state federation, by Chester H. Gray of Missouri, mem-

Independence Boy Killed by Gun Discharge

Independence, Ore., Nov. 9.—The body of Clyde Hill, son of Elmer Hill of this city, reached here from Fort Russell, Wyoming, and interment was made in the Independence cemetery. He was serving his second enlistment and fourth year in the service when killed suddenly one day last week by the accidental discharge of a gun. The Hill family formerly lived in Cottage Grove and had been living here a little more than a year. The young man was not very well known in Independence, having been away from home most of the time since his parents moved here.

Cloverdale

Cloverdale, Nov. 9.—George Weatherill has purchased a five acre ranch at Falls City and expects to leave here Tuesday with his family for his new home.

Mrs. Hazel Pliflet of Salem entertained the Pleasant View W. T. U. at her home Wednesday. Among those present were Mrs. W. J. Hadley, Mrs. M. Pliflet, Miss

Students Seek Temporary Gym

Independence, Ore., Nov. 9.—Owing to unavoidable delay in the construction of the new gymnasium in this city the high school boys have been soliciting among the business men for funds to pay for temporary quarters for the winter, and they have been remarkably successful. Over \$2000 has been subscribed to the fund and the student body will probably expend the money in repairing a building in the city owned by Walter Winslow of Salem, which he has kindly offered the school the use of until such time as the new gymnasium can be provided.

Sunday Schools To Hold Annual Meet at Dallas

Dallas, Ore., Nov. 9.—The annual Polk County Sunday School convention will be held in Dallas, No-

WOOD -- COAL OR COKE?

Which Shall I Use?

—We gave you our suggestions regarding Wood yesterday.

—COAL is the best to use in forges, and under large boilers where the surfaces to be heated are considerable distance from the grates, and where the heat must be carried for long distances thru or around the tubes of the boiler. The burning coal forms a gas that does not ignite and burn until it is considerable distance from the coal, which is very desirable in such boilers.

—We'll tell you about Coke tomorrow.
