

Farmers Affiliates With National Bureau

Nov. 13.—Believing results can be obtained by the bettering of the farmer in the county, the Oregon Farm Bureau association and the Polk County Farm Bureau, in cooperation with the Oregon Farm Bureau association, held a meeting here Wednesday evening, becoming a part of the association.

There was an unusual amount of interest in the proposition of a representative farm bureau in the county, and the Oregon Farm Bureau association, in cooperation with the Polk County Farm Bureau, held a meeting here Wednesday evening, becoming a part of the association.

The county farmers were unanimous in the belief that farmers about the county need unification, and that the success of the farm has been retarded in the past through lack of union cooperation. They believe that the farm bureau is a medium for bringing the farmer on a par with other vocations.

At the conclusion of the address it was voted unanimously to move the movement toward a permanent state organization, the next meeting to be called for the near future the Polk County Farm Bureau will become merged in the state body.

Road Districts To Ballot On Tax Proposals

Independence, Nov. 13.—Road districts Nos. 9, 15 and 16 will hold a special election November 27 to vote on the question of levying a 10 mill tax for the construction of good roads. Petitions calling for such an election were submitted to the county court a few days ago and the court designated Saturday, November 27th, as the day of election.

Road district No. 9 embraces the territory south of Independence including Buena Vista and Parker. It is estimated that a 10 mill levy will provide \$3200 for the district and in the event that the proposition receives the sanction of the voters in that district, the county court will increase the fund by appropriating \$12,500.

Road district No. 16 is the territory north of this city extending to the paved road at Brunk's corner, and in this district it is estimated that a 10 mill levy will produce \$8100. In the event that the 10 mill levy carries the county court will also appropriate \$12,500 to the road fund in district No. 16.

Road district No. 15 comprises the city of Independence, and it is figured that \$4826 can be raised by the 10 mill tax levy. No county money is to be appropriated in this district, but the city will be able to make the necessary improvements with the money derived from the 10 mill levy, if it carries, and it is the general opinion that the plan will receive the endorsement of electors in each district.

The election in district No. 9 will be held in the Buena Vista school house, in district No. 16 at the Oak Point school house, and in district No. 15 in the city hall at Independence. Polls will be open at 2 in the afternoon in each case.

The object is to raise money for permanent road construction.

Woman Check Artist Works Monmouth Men

Monmouth, Nov. 13.—A check artist hoaxed several of the Monmouth merchants during the past week. This time the artist was a woman and she was accompanied by a little girl. She reported that she was here visiting Monmouth students, who are friends, and in this way obtained the confidence of the merchants without difficulty. The trick was easily turned and the checks issued were \$5 and \$10, drawn on a bank in Vancouver. The woman gave her name as Mrs. Snider.

When investigation of her case began it was learned that she cashed several checks in Portland on the Monmouth bank, which have been returned with the same mark "no funds." It is learned that she had a small deposit in

the Vancouver bank; at one time, but checked it out in a short time and had since left a trail of bad checks in Washington and British Columbia. The checks aggregate a sum of more than \$300, it is said.

Rev. H. C. Russell, formerly pastor of the Christian church in The Dalles, has accepted a call to the church in Monmouth. He has been connected with the church in The Dalles for the past six years. Previous to that he was in Michigan. He preached his first sermon here last Sunday and since has been elected as pastor. He will move here as soon as he can make the necessary arrangements.

J. S. Miller sold his farm near here this week to a Quaker minister, Mr. Pendleton, and his son, and in the deal takes over a house and lots in Salem, where the family has moved. The farm comprises 196 acres and the consideration is said to have been \$15,000.

Because of the favorable weather for farm work the grange meeting has been postponed until November 20th. At this time the members will serve dinner and a large attendance is anticipated.

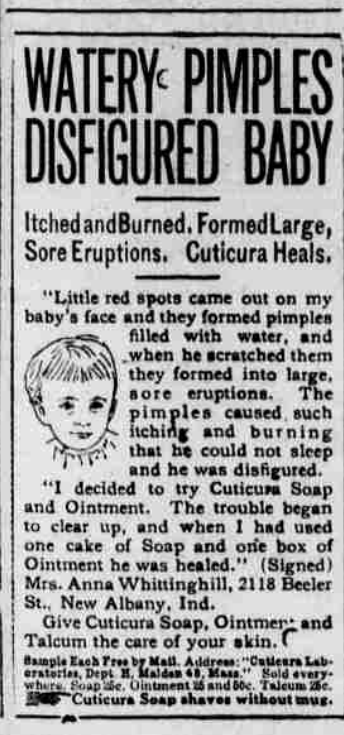

Mr. and Mrs. L. D. Huitt of

Portland motored to Monmouth Wednesday afternoon and remained over Thursday with friends.

J. L. Murdock was here from Yamhill during the week visiting friends.

Mrs. Wm. Collins of Albany is visiting at the home of Mrs. Thorpe.

'ANTI-SALOON LEAGUE OF OREGON

This is the beginning of State and Nation-wide campaign for Law Enforcement. Will the people of Salem join us in forcing the law breaker (bootlegger) out of business? Attend the great Mass Meeting.

Address by Hon. Capt. Frank Ebbert of Washington, D. C.

SUBJECT: "Law Enforcement and Its Relation to the Success of Prohibition." A GREAT TOPIC. A GREAT SPEAKER. HEAR HIM.

Address by W. J. Herwig, Portland Superintendent, Anti-Saloon League of Oregon.

SUBJECT: "The Law Enforcement Campaign in Oregon—Get a Big Stick."

In the Words of Lincoln:

"Let every man remember that to violate the law is to trample on the blood of his father, and to tear the charter of his own and his children's liberty. Let reverence for the Law be breathed by every American mother, to the lisping babe that prattles on her lap; let it be taught in the schools, in seminaries, and in colleges; let it be written in primers, spelling books and almanacs; let it be preached from the pulpit, proclaimed in the legislative halls, and enforced in courts of justice. In short, let it become the political religion of the nation."
