FREE AT LAST FROM LIFE LONG TROUBLES

Oregon City Man is Well for First Time in Practically His Whole Life—Gives Tanlac Credit for Wonderful Results. "Six months ago Tanlac set me right and from then until now I have enjoyed absolutely the best health I ever did in my life," was the statement made recently by R. M. Wallace of Oregon City, Oregon.

"I never knew before what good health meant, for practically all my life I was a sufferer from stomach trouble. I tried everything anybody told me about and at times would be a little better, but soon my old troubles would come back. My appetite was so poor that I have gone for two days at a time without touching a bite hardly, and every time I did eat anything I had to pay for it in suffering."

Klamath Falls, Ore. The Lakes sawmill has begun operations recently, making the big mill of its kind in the state.

"I lost weight and strength finally I became so weak that two and three days at a time I was unable to get out of bed, and often I became dizzy and my head ached so bad sometimes I thought it would burst and I was subject to frequent spells of dizziness. Some days I felt well and then again I was unable to give up."

"But Tanlac came my way and straight away it began to set me right and in a few weeks I had gained fourteen pounds and for the first time since I can remember I was free from all my troubles. I have a big appetite and am eating anything and everything set before me without a sign of trouble afterwards. The headaches and dizzy spells have all disappeared and I sleep like I have been every day and I am working every day and I feel strong and healthy like a man ought to feel."

Tanlac is sold in Salem by Fry's drug store and all other leading druggists.
