"IF YOU ARE GOING TO DO ANYTHING PERMANENT FOR THE AVERAGE MAN, YOU MUST BEGIN BEFORE HE IS A MAN. THE CHANCE OF SUCCESS LIES IN WORKING WITH THE BOY, AND NOT WITH THE MAN."—THEODORE ROOSEVELT.

If You Could Assure

A Happy Useful Life, Well Rounded

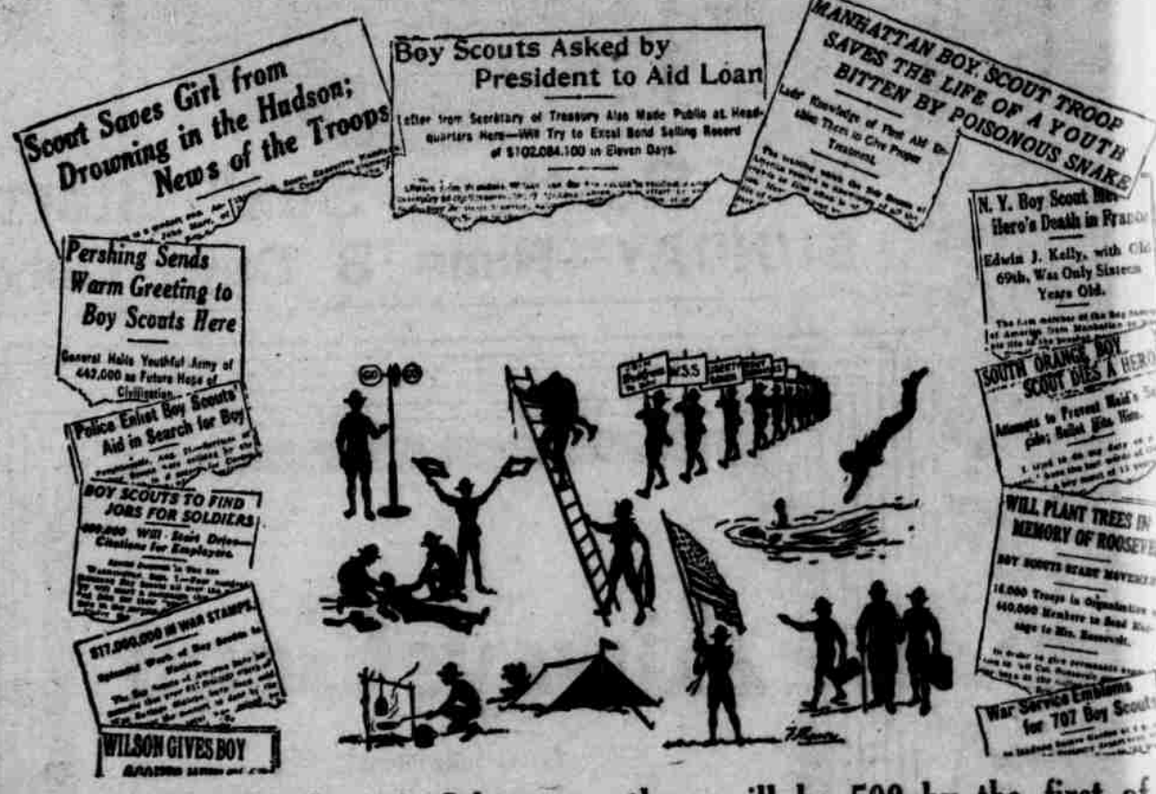
By systematic training to any one or all of Salem's boys, you would consider an investment toward that end well worth while-----Wouldn't you?

If You Could Be Assured That Your

boys would reach a well balanced maturity without falling prey to the influences so widely rampant among boys of this country---depicted in this illustration you would give your last cent for such assurance.

These are the result of misdirected boy energy, it commands the interest in some form or other of nearly every growing boy.

To use the same resourcefulness in the doing of tasks that train for the best service and results of men is exactly that scouting is doing at present for 300 Salem boys. Scouting can assure you success in these things for your boy if you will help financially.



There are 300 Boy Scout in Salem uow, there will be 500 by the first of the year,---if everyone gets behind this Campaign.
