Rheumatism Comes From Tiny Pain Germs

First of all, get it firmly fixed in your mind that all the liniments in the world have no effect whatever on Rheumatism.

A very common form of Rheumatism is caused by millions of tiny disease germs which infect the blood. The one and only sensible treatment, therefore, is one which cleanses the blood of these germs, and routs them entirely out of the circulation.

This is why S.S.S. is so successful in the treatment of Rheumatism. It is a powerful blood-purifier that cleanses the blood, and will remove the germs that cause Rheumatism, affording relief and genuine cure.

S.S.S. is sold by all druggists. Free literature and samples can be had by writing to Medical Adviser, 164 South Broadway, Atlanta, Ga.

This ghost was a 1920 model

LAST MONTH, on a bet, WITH THE boys up home, I SPENT a night ALONE IN the old, HAUNTED HOUSE, AND WHEN I heard, MOANS AND groans, I SAID "The wind," AND TRIED to sleep, I HEARD rappings, AND SAID "Rats," AND ROLLED over, THEN I heard steps, AND IN the light, OF A dying moon, A WHITE spook rose, I WASN'T scared—much, BUT DIDN'T feel like, STARTING ANYTHING.

BUT THEN I caught JUST A faint whiff, OF A familiar, AND DELICIOUS smell, WHICH TIPPED me off, SO I gave the ghost, THE HORSE laugh, AND SAID "Ed, YOU FAT guy, MAKE BUM ghosts, BUT BEFORE you fade, LEAVE WITH me one, OF YOUR cigarettes, THEY SATISFY."

THAT spicy, delicious smoke, fine tobacco, both Turkish Domestic, makes you almost for the "satisfy-smoke" and find its equal anywhere—no Chesterfield blend is as good a blend. It can't be copied.
