Too Weak to Do Anything

The ordinary every-day life of most women is a ceaseless treadmill of work. How much harder the tasks become when some derangement peculiar to her sex makes every movement painful, and keeps the nervous system all unstrung until life seems hardly worth living. Every women in this condition should profit by the experience of these two women whose letters follow.

Read the Experience of These Two Women

Read the Experience of Reading, Pa.—"I had organic inflam-mation, pains in the side and back which were so sharp that they pulled me to my knees, and I could not walk. I had an operation and still I failed, and in the eight years I suffered I had four doctors and none helped me. My mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I was then in bed, and after the first bottle I could be out of bed, then I took Vegetable Compound Tablets and Lydia E. Pinkham's Blood Medicine and also used the Sanative Wash. I still take the medicine and am able now to do my own home work. My friends say, 'My! but you look well—what do you do? Who is your doctor?' And there is only one answer, 'Lydia E. Pink-mend.''—Mrs. Ws. STEIN, 500 Douglas Street, Reading, Pa.

I was then in hed part of the time, and my doctor said I would have to be oper-ated on, but we decided to try the Yego-table Compound, and I also used Lydia E. Pinkham's Sanative Wash.
