The manager of the toy department in one store said: "Only the rich can afford our wares this year. Here is a rocking horse for 600 marks which sold before the war for 40 marks. CANCER

To whom this may concern: I will say that for a number of years I was afflicted with a cancer on the left side of my face. It worried me greatly and I decided to have it removed. On July 8, 1920, I called on Dr. S. C. Stone for treatment. He applied a medicine for a few days and on July 15th the cancer came out. The place healed up readily and has caused me no trouble since.

I can recommend Dr. Stone and his treatment to any one who may be afflicted with Cancer.
