> Plane to Carry 300 People Over Ocean Planned

Rome, Dec. 20 .- King Victor Emmanuel was keenly interested today when told by Gianni Caproni the airplane inventor, of a projectr giant plane which would carry 300 persons across the Atlantic in about 36 hours.

Plans for the machine are being completed and provisions are made for dining and sleeping accommodations.

A smaller airplane designed by Signor Caproni will make its first Signor Caproni will make its first trial trip in January near Lake Margiore. This airptane will be capable of carrying 100 persons a distance of 500 miles, it is said. Work on the trans Atlantic plane will be started as soon as this smaller liner has been tested.
