Mr. Thompson declared that the

police committee would support whatever recommendations Chief

Moffitt made as to the personnel of his force. Chief Moffitt's' recommendation Recovering that Mrs. Etta Groves be appointed police matron in the place Mrs. Myra Shank, the present holder of that office who is candidate for reappointment, expected to precipitate a controversy in the council which some members of that body predic office of police matron, although the police committee will ommend the appointment of Mrs Groves if the office is continued.

The stand taken by Mayor Halvorsen and other members of the council limiting the finances of the police department to the \$10. 850 provided in the budget wil make it impossible for Chief Motfift to establish a system of patrol ling the residence section of the Program Outlined.

increase of the present force of ven officers to a squad of 10 men. \$125 per month misimum. Com-plete uniforms for all officers to se worn at all times when on duty. Informs to be purchased outright by officers, or purchased from the

ty on a monthly payment plan.

Creation of a police rotating fund leriving its funds from the fines collected by the police court on ar rests made by the police department. Rotating fund to be used in purchasing an auxiliary motorcycle (with side car) for emergency pur poses, and in the purchase and inches in dimensions a maintenance of various articles of en a perfect success. police equipment, as well as in paper companies and the govern-menting incidental police expenses. Patrol System Urged, Division of the city into four dis-

ets and the installation of a call ossible patroling of the residence o'clock in the evening and daylight. Changes In White Maintenance of a reserve of two

vallable for emergency calls. Establishment of a code of regu lations governing the conduct of police officers while on duty.

Passing over the question of what is to be his policy as regards the suppression of ecime, vice, gambling and the liquor traffle with the assurance that the exist ing taws will be "fully and fearless-ly enforced," Chief Moffitt says that the energies of himself and his men are to be devoted consistently to punishing traffic law violations. which have been responsible for from one to thre automobile acci-dnets a day for several months.

War on Wreckless Drivers "The lives of pedestrians and ther auto drivers are going to be protected from the carelessness thoughtless and reckless drivers in Salem," says Chief Moffitt. "We are going after these drivers who treat the traffic laws as a joke and are going after these drivers who treat the traffic laws as a joke and we are going to get them. I am disculation in Now York shorily, golog to ask the judges to impose a minimum fines of \$25 for traffic law offenders on the first offense and proportionately heavier fines for further offenses. Jall sentences are to be recommended for habituate offenders, and in cases who will be for two stores, plans to oven two stores, at the only "cellist means" will be ust offenders, and in cases where which only "relief money" will be recklessness and carelessness are accepted. Printed bills of one, two

cutting corners and the proper display of lights after dark on all ve-hicles, both motor driven and horse drawn, is going to be enforced to the letter. The use of bright, or the driving of vehicles without lights has got to stop."

To Ask Hevisions. Three changes in the existing traffic laws of the city are to be asked by Chief Moffitt. He will set that the street commissioner be instructed to mark off alleys on both sides of the street for the parking of vehicles along Commercial street from Ferry meketa, on State street from Commercial to High, on Court stre from Commercial to High, on High street from State so Court, and on Liberty street from State to Court.

lines seven feet apart. Under this system an average of

Elimination of a nuisance which hire" autos be concentrated on a

street other than the principal thoroughfares. For the protection of pede as well as motor drivers, Moffitt suggests that the sidewalk lines be extended across the street intersections by means of white painted lines, and that jay-walking be prehibited.

## Paper Mill To Start On 1921 Output Tuesday

The Oregon Pulp & Paper company will begin operating on it's 1921 output next Tuesday. The present capacity of the mill, with one paper mill in operation, averages approximately ten tons of pa-

The company is at present install

ng a new machine which will manufacture an exclusive grade of tissue paper. The new machine will be put into operation in about month, and will increase the output of the company approximately one hundred per cent, and will in-The following which Chief and fitt will place before the council, with the request wat he be grantfactured on the new mill will be a grade-that is not manufactured to grade-that is not manufactured to grade-that is not manufactured to grade that is not manufactured to grade tha crease the present working force

manager of the company has been assured of a good market for his drawing salaries on a basis of a new product. Mr. Kaster says that at the present there is a temporary slump in the demand which is attributed to a possible decline in the price. However, he says he has every reason to believes, that the present prices will remain normal. Mr. Kaster, aside from being anager of the company, has built the smallest complete paper mill in the world. The mill, mounted on a
