Aurora Phone Rates Expected To Be Raised

Aurora, Or., Jan. 17.—No objections having been filed at the hearing of the Aurora Mutual Telephone company's petition for an increase in telephone rates, held here by the public service commission, there is said to be every likelihood that the petition will be granted.

There were but few patrons in attendance at the hearing and not one objection to the petition was raised. Representatives of the commission questioned a few witnesses relative to the condition of the company in regard to costs, service, etc., and it was brought out in the examination that the company has sustained a loss of about \$400 per year for the past two years. As there appears to be little probability of any great decline in the cost of material and skilled labor in the industry for some time, it seems almost certain that the petition will be granted.

Hubbard, Or., Jan. 17.—Attorneys for Sarah Annandson of Portland have filed a satisfaction of judgment in the circuit court at Clackamas county against J. J. Hershberger, former automobile dealer of this city, in the sum of \$1500. The plaintiff was suing for \$10,000.

Clackamas and Marion Districts May Join School

Aurora, Or., Jan. 17.—Patrons of the Aurora school district, No. 32, in Marion county and district No. 208 in Clackamas county, which is adjacent to Aurora, met in the Oddfellows hall Saturday evening to discuss the advisability of a union high school which has recently been proposed.

Definite plans have already been made and the money provided for a high school building in Aurora and now there is a movement on foot to co-operate with the Clackamas county district and possibly other districts in this locality.

Members of the Aurora school board went to eastern Oregon recently to investigate schools of this order which are situated under similar conditions as the Aurora district, and it is learned that the co-operative plan is a success. Patrons of both the districts interested are very much enthused over the proposition as reported at the meeting Saturday night, and will
