

Bearcats and Oregon Gird for Fray Bank at Gervais Both in Condition Three Salemites Wear Lemon Yellow

Eugene Squad Cheered By Double Victory Over Chemawa Five Last Week

University of Oregon, Eugene, Jan. 20.—Two close wins from the Chemawa Indians last week end have put renewed fight into the University of Oregon varsity basketball team, who open the conference season against Willamette university Friday and Saturday nights at Salem. Although the Salem Bearcats registered two decisive victories over the O. A. C. tappers, Coach G. M. Bohler expects the lemon yellow quintet to at least score an even break out of the two games played in the capital city.

Seven players will accompany Coach Bohler to Salem this week end. "Eddie" Durno, captain and forward, Marc Latham, center and forward, "Hunk" Latham, center, "Nish" Chapman guard, Francis Bellar guard, "Billy" Reinhardt guard and Art Base forward, are the members of the squad who will invade Willamette university territory Friday and Saturday night.

Durno has been named on the mythical all coast quintet for two seasons, and has also been placed on the all northwest five both seasons. Last year he held the conference record for the most points made during the season. He is a diminutive player, but in the opinion of Oregon followers, one of the best basket shooters ever developed at the University of Oregon. Chapman was named on both the all coast and the all northwest teams in his first year on the lemon yellow varsity, and last year again placed on the all northwest quintet.

Two Veterans on Team
Marc Latham and Bellar are both veterans, both being members of last year's five. "Hunk" Latham, Reinhardt and Base are playing on the varsity squad for the first time.

Nightly workouts is the schedule which the varsity has been going through since the first of the year in preparation for the opening of the conference season. Three pre-season games have been played, two of which have been won by the lemon yellow. Chemawa fell before the onslaught of Coach Bohler's combination twice in games played here last week end. In the first game played by the varsity, Multnomah scored a win over the Oregon quintet 23 to 21 at Portland.

Oregon Team to Out-Local Locals

Salem fandom is perplexed in order to enjoy a basketball game, it is necessary to be partisan. And in just what manner will Salem rooters—outside of Willamette students—determine whom to root for when the Methodists meet the University of Oregon in basketball here tomorrow night?

Are they to howl for the local five—not one of whom is a Salem man—or for the "visitors"—four-fifths of whom were reared in this community? Here's the dope: Not one of the men who will start the game for Willamette is from Salem, while "Billy" Reinhardt, Marc Latham and "Hunk" Latham of Oregon, all claim Salem as their "home town," and "Eddie" Durno, all-coast university forward, puts Silverton on the hotel registers.

Of the Willamette team, Waples and McKelrick, forwards, are from Washington; Roney and Dimmick, guards, are from Tacoma and Woodburn respectively, and Jackson, center, is from Idaho.

New Association Of Real Estate Dealers Forms

To standardize the business of real estate brokerage, and to aid in general development, the Marion County Realty association was formed last night in the "Coke together banquet" given at the Graybelle.

Frank McCullis, vice-president of the Portland realty board and chairman of the Interstate realty association was the principal speaker of the evening. He urged close co-operation among realtors of Marion county, and a strict adherence to the "Code of Ethics," which he explained was nothing more than being open and above board in all dealings.

J. D. Lee, member of the legislature, Harvey Wells, ex-insurance commissioner, and Fred W. German, ex-president of the Portland realty board also spoke in behalf of close co-operation. Captain A. C. Barber, state insurance commissioner, gave a five minute talk, while J. T. Beamish of Baker, discussed the movement of the Baker county realty association. C. V. Johnson, manager of the Real Estate department of the State of Oregon, presided at the banquet.

Adjournment was made while the realtors went to the Commercial club and adopted the constitution and by-laws which will govern the actions of the new organization. Officers took night in the "Coke together banquet" given at the Graybelle.

L. G. Hayford was unanimously elected president; Chester Smith, first vice president; George Hatels of Silverton, W. E. Moses of Jefferson and Marshall Warring were elected second, third, and fourth vice-presidents, respectively; Karl G. Becke, secretary and Mrs. Gertrude Page, treasurer. John H. Scott, George Grabenhorst and J. A. Miller were elected to serve as members of the executive committee.

Other charter members of the organization are: Mrs. Winnie Pettijohn, George Swigle, M. Rowley, G. T. Morson, A. C. Bohmstedt, H. S. Bell, Albert Copley, D. D. Socolofsky, L. F. Tandy of Jefferson, A. L. Seaman, A. E. Peterson, H. E. Brown, Hugh McGee, Charles Swede and Benj. R. Perkins.

The next meeting of the association will be within the next week, but the exact date has not as yet been decided.

Locals Working Out With Locked Doors In Preparation for Double-Header

After a day's rest following the victory of the Bearcats over the O. A. C. Beavers by an overwhelming score, the local quintet worked out this afternoon behind closed doors at the armory in final preparation which is calculated to bring them victory over the fast University of Oregon five in two games which is to be played here at the armory on Friday and Saturday evenings. The final workouts of the Bearcats consists of basket-shooting and perfecting the passing end of their offensive.

Team Working Fine
The Bearcats with which the Bearcats achieved victory at Corvallis last Tuesday evening indicates that the team has hit its stride, as the team throughout the entire contest performed with a unity of action, with every player properly fitting into the scheme of offensive in baffling fashion. In spite of the utmost efforts of the O. A. C. Beavers to demoralize the precision of the Bearcat offensive, the local quintet continued its deadly passing and accurate shooting of baskets in major university manner.

Durno Causes Worry
The University of Oregon quintet and Coach Bohler were interested spectators at the massacre of the Beavers at Corvallis last Tuesday, and no doubt will come to Salem tomorrow with a well defined plan of defense for the offensive only recently instituted by Coach Matthews at the local institution.

The power of the U. of O. hoop artists is built around the astute Eddie Durno, who has been twice selected for a forward berth on all-coast teams. Durno is a scintillating performer on the basketball court, an able exponent of dribbling and can shoot baskets at short or long distance with equal facility. Billy Reinhardt, former Salem high coach, Marc and "Hunk" Latham, former Salem high basketball men, form a trio of able assistants to Eddie Durno.

Mr. Tranzler, who has been president of the Gervais bank for many years, has not decided definitely what vocation he will pursue in the future. He expects to make a trip to Europe within a short time, but will return to Oregon to engage in some line of business and may possibly decide to locate in Gervais.

Teachers Protest Against Change In Tenure Law

A petition containing the names of 1191 teachers protesting against any change in the present teachers' tenure law was presented in the senate Wednesday afternoon. The protest which is presented in the name of the federated teachers' council of Portland, is directed specifically against the bill introduced by Senator Staples, Tuesday, by which the present trial commission could be abolished and the school board would constitute the first court of appeals for teachers. This bill is contended, would give to the school board greater powers in dismissing teachers for inefficiency or other causes. It is explained in a letter accompanying the petition, represents all but 163 of the teachers now employed in the Portland schools.

As many of the games as possible on Friday nights, it is stated. No contests with outside teams will be staged by the junior high schools. Ninth grade pupils who will enter the high school next semester, will register for their courses tomorrow. Their will be approximately 50 incoming students. Superintendent Hutz said this morning. Of these 40 will be from the Washington school, 20 from the Lincoln school and 20 from the Grant school.

Courses In Home Hygiene Are Popular

In addition to this work, Miss Shlach, the instructing nurse, is making a survey of the physical condition of school children of Polk county in an effort to improve their general health and to cultivate the proper care of the teeth.

Only limited time is available for this work, but 75 children were examined last week, 43 of whom had enlarged tonsils and many were found to have decayed teeth.

The Willamette Chapter of the American Red Cross hopes to enlist the co-operation of parents that these defects may be speedily remedied.

Any drug store can supply you with 2 1/2 ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel that take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.
