Auto Crashes Into Another Standing at Side of Road

Silverton, Ore., Jan. 21.—R. L. Wolcott's rural mail delivery car, left standing in the street in front of his house on the West hill, on Monday night, was struck by a car driven by John Kaser, according to the latter's report to the police Tuesday morning. Mr. Kaser said he was driving from his home west of Silverton and the Wolcott car was standing in the street without a light. The street light hanging some distance in front of him, he said, made it impossible to see the car parked, and a collision resulted. Mr. Wolcott's machine lost one wheel and was damaged, but Kaser's car came out in worse condition. He stated that the machine he was driving is practically ruined. It is said that Mr. Wolcott wants Kaser to stand the expense of repairing his car, and Kaser contends that it had no right on the street without a light. The matter will probably be adjusted out of court.

Community Club Approves Change In City Charter

Silverton, Jan. 21.—At a meeting of the Silverton Community club, held recently, it was thought that there would be an undertaking made to change the city charter, which a committee of club members have been working on for some time. The charter, which has been read from time to time and the different sections discussed, was adopted as prepared by the committee, and at some near future date the city council will call a special election to vote upon its adoption.

Former Resident of Scotts Mills Called by Death

Scotts Mills, Ore., Jan. 21.—Mrs. Cora Philips, a pioneer resident of this section, died at Portland, where she has been living for more than a year, Sunday evening. The body was shipped to Scotts Mills Wednesday by way of Silverton, and the funeral was held here yesterday afternoon. Interment was in the Scotts Mills cemetery by the side of her husband, the late C. M. Philips, who died two years ago on the first day of January. Mrs. Philips is survived by a family of children. She was well known in this vicinity, and had lived here most of her life.

Explosion of Oil Stove Cause of Fire In Hospital

Silverton, Jan. 21.—The explosion of an oil stove at Dr. Heisley's sanitarium Thursday morning was the cause of a fire. An alarm was turned in and the fire department responded promptly, but before the hose could be connected with the hydrant, Dr. Heisley attached the garden hose to a faucet in the building and extinguished the blaze, but not until considerable damage was done. The stove had been turned down, causing the explosion. The alarm was given at about 9 o'clock, and within a few minutes the street in front of the building was crowded with people.

Banks at Dallas Elect Officers

Dallas, Or., Jan. 21.—The Dallas National bank and the Dallas City bank held election of officers and directors January 13 with the following result:

Dallas National bank: R. E. Williams, president; Eugene Hayter, vice-president; Walter Williams, cashier. The board of directors consist of B. H. McCallon, chairman; R. E. Williams, Eugene Hayter, Walter Williams and Oscar Hayter.

Dallas City bank: R. E. Williams president; W. G. Vassall, vice-president; F. J. Craven, manager, and A. F. Toner, assistant cashier. R. E. Williams, J. W. Crider, R. L. Chapman, Dr. M. Hayter, I. C. Yoakum, W. G. Vassell and F. J. Craven make up the board of directors.

Blocked Sewer Cause of Suit For $500 Damages

Silverton, Or., Jan. 21.—A damage case in which Dr. O. F. Heisley and his wife, S. Etta Heisley, are plaintiffs and Mayor L. C. Eastman of Silverton, defendant, will occupy the attention of the circuit court in department No. 2 this afternoon. Dr. and Mrs. Heisley osteopathic doctors, operating a sanitarium on Fisk street, allege that Mayor Eastman in the construction of his iron foundry last summer on the bank of Silver creek, stopped up a drain pipe running from the cellar under the sanitarium to Silver creek. The lot where the foundry was erected last summer formerly belonged to J. M. Brown and the Heisleys obtained permission from Mr. Brown to run the drain pipe through this lot. Mr. Eastman later purchased the lot from Brown and in excavating for the basement under the foundry, Drs. Heisley claim, he damaged the tiling to the extent that the sanitarium basement filled with water when the rain came last fall. For this they want the court to allow them damage in the sum of $500. There has been a warm controversy over the mater betwen the mayor and the doctors for several months.

Mayor Eastman contends that Heisleys have no legal right to maintain the sewer in question and will attempt to show that it was built in violation of a city ordinance. He stated that by reason of this drain pipe or sewer pipe or sewer pipe the basement under the foundry has filled with water during the winter months and that the foundry has filled with water during the winter months and that the foundry had to suspend operations fortwo or three weeks. He stated further that Dr. Heisley has no franchise under which the sewer is maintained. As a part of the agreement made with Brown, said Eastman, when the sewer was built, Dr. Heisley was to keep it in repair, and Eastman will attempt to show that he did not fulfill this agreement.

Would Shut Down Gas Works

"My stomach has been so filled with gas for the last three years that I felt I could pretty nearly supply our town. I also had frequent pains in right side in region of appendix. Doctors didn't help much. One day my neighbor told me about what Mayr's Wonderful Remedy had done for him and I got a bottle of our druggist. I can say that it will do all and more than you claim for it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere. (adv)
