### State School Worker Visits In Polk County

Dallas, Or., Jan. 26.—J. E. Callavan, from the state department of education, has been working in the schools of Polk county with Superintendent Joseph Willis, organizing the boys and girls in club work, the last two weeks. They have visited the following schools: Bridgeport, Falls City, Salt Creek, Ectorville, Ballston, Guthrie, Lewisville, Perrydale, North Dallas, Bethel West Salem, Mountain View, Popcorn, Branch College, Lincoln, Spring Valley, Zena, Oak Point and Buena Vista. Splendid interest was manifested by the boys and girls and the teachers in most of these schools. They were especially interested in sewing, cooking, poultry, pork production and one or more of the agricultural projects.

Mr. Willis is especially interested in securing a standard pure bred county Jersey club pure. Any boy or girl who is interested in becoming a member of the club should write to Joseph Willis, Dallas, Or.

This work will be done largely through standard clubs which consist of a membership of five or more boys and girls. In this organization the teacher or some one else in the community who is interested will act as local leader for the club. It must have a president, vice-president and a secretary from its own membership. The local leader is a very important factor in this organization, as boys and girls, the grown-ups, do their best only through good leadership. It must have at least six meetings of the club members, exhibit their projects at a local or county fair and 75 per cent of the membership must complete the project in order to finish as a standard club.

Mr. Willis expects to give club work very careful attention this year, as he believes it is a work that will be of great benefit to the boys and girls. He says that any boy or girl who finishes a project will acquire leadership and habits of self-reliance and business.

Superintendent Willis is very desirous of making the boys and girls exhibit a very important feature of the county fair this fall, and also expects their exhibits to put Polk county back to its former standard in club work at the state fair.

### Two Independence Stores Are Robbed Within 24 Hours

Independence, Ore., Jan. 26.—Two burglaries within 24 hours in the record established here during the week-end. Friday night the store of Max Goldman on the corner of Main and Monmouth streets was entered by removing a glass in the back window. Besides a quantity of tobacco, cigars and groceries missing, the vegemmen took away a bicycle which was left in the store the night before by Mr. Goldman.

Saturday night, almost immediately under an eye light, burglars removed a glass 6 feet long and 4 feet wide from the front window of J. C. Mcintosh's store on C street and made about the same kind of a raid as in Mr. Goldman's store. Tobacco and cigars and a few groceries were missing. Mr. Mcintosh said that his loss is very little aside from the damage done in effecting entrance to the building. The large glass was broken, and it will cost more to replace this than the goods stolen, he believes. From blood-spots found Sunday morning on the window and on the walk in front of the store, it is believed that one of the burglars cut his hand in removing the glass. Molding was taken off from the outside of the window and the glass stood upon one end against the front door. A large piece was broken from one corner of the glass, and it is probable that one of the microvants cut his hand on the broken glass.

Sheriff Orr was here from Dallas Monday afternoon, looking for a man with a sore hand.

### Polk Teacher Called by Death

Monmouth, Ore., Jan. 26.—Miss Katherine Campbell, daughter of Mrs. Mary Campbell, of this city, and sister of President Campbell, of the University of Oregon, died at the home of her mother Saturday evening, and was buried in the Monmouth cemetery Monday. Miss Campbell had been teaching school near Monmouth and on Friday was taken ill. She returned to the home of her mother, and her condition became alarming before night, but it was not thought that her case was serious until a short time before she passed away. Heart disease is said to have been the immediate cause of her death. Miss Campbell was 24 years of age and had been a resident of Monmouth for some time.

### A GOOD FRIEND

A good friend stands by you when in need. Salem people tell how Doan's Kidney Pills have stood the test. Mrs. Emily Edwards of 1107 S. 13th street, endorsed Doan's four years ago and again confirms the story. Could you ask for more convincing testimony?

### Stomach Upset

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c. (adv)
