

### Opposition To Recall Voiced By Dallas Club

Dallas, Or., Jan. 28.—The Commercial club of Dallas is one of the most active forces in attempting to retain County Judge Robinson in his seat since the recall agitation has been started. For some time its leaders considered the recall proposition a joke and wagered that a candidate could never be given sufficient support to get an election, but since the petitions have been filed and the recall candidate has more than 2000 names of voters in Polk county back of him, the Commercial club of Dallas seem to be particularly interested in Mr. Robinson and are becoming very active. The following resolution was drawn by the Commercial club a few days ago and will be seen in the Polk county papers this week as a paid advertisement:

**To Whom It May Concern:**  
 Your petitioners, Dallas Commercial club of Dallas, Oregon, most respectfully represent that, whereas, The fundamental objects of the Dallas Commercial club is to indicate a sense of individual obligation to the community and foster welfare and development of the city of Dallas, and  
 Whereas, By chapter 423, General Laws of Oregon for 1917, certain pre-existing and established roads and highways of this state were adopted as a general highway system of this state, to be improved and hard surfaced, by the state highway commission out of the funds in its hands, derived from the sale of certain bonds, and in aid by said act, certain principal, existing and established roads were specifically designated as comprising said highway system, and as the roads of the greatest commercial importance to the state, and as the roads to be constructed, improved and hard surfaced by said commission with the funds derived, and to be derived, from the sale of bonds; and  
 Whereas, Section 6 of said chapter 423, provides as follows: "The highways described in sections 6 and 7 of said act are hereby determined to be the highways of first importance to the general public of the state of Oregon. It is hereby determined that the following highways should be permanently con-

structed and finished with a hard surface.  
 "2. The Pacific highway from Multnomah county line through Washington county and Yamhill county by way of Hillsboro, Forest Grove, McMinnville, to Dallas, Monmouth and Independence in Polk county; to Corvallis and Monroe in Benton county, and through Eugene to the north line of Douglas county." And  
 Whereas, certain individuals are circulating petitions for the purpose of recalling the present county judge based upon certain objects and principals among which is recited to be "co-operation with the state highway commission in locating the West Side Pacific highway from McMinnville through Holmes Gap, Rickreall to Monmouth, thence south to Corvallis, all of which is contrary to the letter and spirit of the above-mentioned law; and  
 Whereas, It is of the utmost importance to the future welfare and development of this community and to the city of Dallas, and its inhabitants, that the above mentioned law be enforced and the state highway commission be compelled to construct the West Side highway according to the letter and spirit of the law; and  
 Whereas, Certain individual residents and inhabitants of the city of Dallas have publicly announced that they favor the location of said

highway via Holmes Gap, Rickreall, Monmouth and thence south, which is detrimental to the best interests and welfare of the city of Dallas and its inhabitants.  
 Therefore, Your petitioners most earnestly and respectfully request that all residents and inhabitants of the city of Dallas, regardless of your other views and feelings who deem it compatible with your duty of loyal allegiance and faithful service to his city and community, that you, and each of you, retract your statement of co-operation with the highway commission in connection with said recall until such time as the said commission announces its intention to comply with the law; and be it  
 Resolved, That a copy of this memorial be published as an ad in the Polk County Observer and Homeier, newspapers of general circulation in the city of Dallas.

formulated, the Mountain States company will extend the line from Albany to Jefferson. A delegation of Jefferson people held a conference with the Mountain States company at Albany this week and submitted the plan as outlined above. While nothing definite was reached at the conference, it is said that considerable encouragement was given out by the company.  
 Jefferson petitioners state that the municipal plant now in operation, and buying the energy from the Jefferson Flouring mills, is inadequate to meet the requirements. The extension of the Mountain States line to this city, it is said, will afford a night and day service, which is not possible under the present conditions. The Mountain States people have taken the matter under advisement and in the meantime the proposition will receive thorough investigation.

ing it a practice to ride bicycles upon the sidewalks in this city, but this did not exempt J. H. Engeman, proprietor of Engeman's Dairy. Mr. Engeman's little boy was arrested Tuesday on complaint of Grover Yates, night officer, who charged him with violating that city ordinance prohibiting vehicles upon sidewalks. It is said the Engeman boy and many others have been in the habit of riding their wheels on the walk in front of T. D. Allen's house in the northwest part of town for the reason that the street in such bad condition that bicycles cannot be ridden upon it. Mr. Engeman demanded a jury trial for his son and the case was tried before a selected jury on Wednesday afternoon. J. S. Huson was attorney for the defendant and Custer Ross acted as city attorney. Several witnesses were called and it proved to be the case of considerable amusement. Engeman undertook to bring out testimony in direct examination to the effect that it was a case of some work on the part of the officer because the Engeman boy had been persistent in trying to collect a milk bill from the police. The only recourse for the jury upon the evidence was to find the young man guilty, but recommended that the fine be remitted. When the verdict was so rendered Judge Van Valkenburg fixed the fine at \$7.50 and

acted upon the recommendation of the jury.  
 J. H. Engeman, father of the boy, had been seen riding upon this particular walk and in consequence he was the next victim. His case was identical to that of his son and he thought it would be cheaper to plead guilty and pay the fine than to fight the case in court. He had fine four Engeman pleaded guilty and was fined \$27.50. It is reported upon the streets that Engeman will appeal the case. However, he would not confirm the report, neither would he deny it.

The infant child of Mr. and Mrs. Chas. Swartout of Marquam died at the Silverton hospital Wednesday afternoon and will be buried in Mt. Angel today.  
 Messrs. Collins and Roberts of Portland were in town yesterday helping citizens to make out their income tax reports. They were very busy men for several hours. They left for Salem last evening.

The Wallons of Belgium, lineal descendants of the birds began to couple on time's day.  
 An old notion prevailed that birds began to couple on time's day.

### New Light and Power Service May Enter Jefferson

Jefferson, Jan. 28.—It seems very probable that Jefferson will soon have a new electric light and power system, and it is also probable that the line will be extended to Marion if it is definitely decided to build the line to this city. According to the plans now being

### Silverton News

Silverton, Jan. 28.—Fire in the Parson home on the east hill yesterday brought out the fire department and hundreds of citizens. It was a small chimney fire and no damage was done.  
 Examinations have been in progress at the Silverton schools during the week and the students' annual perplexities were experienced. Ed Savage of Salem was in town Tuesday evening and was initiated in the side aisle of the Pythian lodge, known as the "Donks." He said he saw them "coming and going."  
 The Knights of Pythias and Pythian sisters lodges gave a reception to Dr. Wilson and bride in K. of P. Hall Wednesday evening and a very pleasant time was reported.

### That Sore Throat Needs Begy's Mustarine

When your throat is sore, it's a sure sign you need Begy's Mustarine. That is, if you want to get rid of it in the quickest possible time.  
 It's really marvelous how this real yellow mustard improvement on the old-fashioned mustard plaster will end sore throat, tonsillitis, chest colds, pleurisy and bronchitis.  
 It's no exaggeration to say that it often conquers them over night, and it's just as speedy a remedy for neuralgia, lumbago, stiff neck, aching feet, sore muscles and swollen joints.  
 Rub it on freely. It cannot blister, but it surely will ease the pains of rheumatism and gout, and you won't have to wait till to-morrow for relief. You'll get it to-day—often in an hour.  
 30 or 60 cents buys a yellow box full of Begy's Mustarine and one small box will do the work of 50 blistering mustard plasters.  
 Lancel J. Fry can supply you.
