Keep Wheels On Go 24 Hours Per Day, Manufacturer Says

Boston, Jan. 27.— Put the Unite States on three eight-hour shift and keep the wheels turning tweny-four hours a day. This is the dea of Fred H. Perkins, of Sarewsury, a manufacturer.

"Let the state or the United States harness the water power and give us heat, light and power

Make the working day twenty four hours long, on three eighthour shifts.

"Put factories, shops, rallroads, tores, banks, educational institutions, recreational agencies and other activities on such a schedule. "What would be the result Buildings no wa loss for sixteen yours out of the twenty-four would be in use all the time. Overhead expenses would be cut. Millions o dollars would be put in circulation

"Business men I have talked with usually praised my plan. "It would triple the number of corkers, increase production, de-grease living costs, decrease proluction costs and lessen the social ills that follow unemployment."

Plans To Stage Tittle Battle In

Canada Discussed New York, Jan. 28.-The propo al to hold the Dempsey Carpenti world's heavyweight championsh bom in Montreal was discusse here today between Tex Rickar and two Canadian promoters, C. 1 Graham and F. O. Goodspeed, mer
