Washington, Feb. 1:—A request from President-elect Harding that special session of the new senate be called for March 4 to confirm cabinet and other appointments by the incoming executive, was conveyed today to President Wilson.

Such a session is customary when there is a change of adminis-trations and it usually lasts only as week at most Nearly a score of new senators were elected last November and in order for them to be here by March 4 the call for the special semigre would have to go out ten days or more in advance of that date. After the present session ends, the new senate would meet and the new

members would be sworn in. The senate then would be ready to act upon Mr. Harding's nominations. The call for the special session of the new congress will be issued by Mr. Harding after his inauguration It is expected that this session will begin either late in March or early in April.
