Hot Debate Features Morning Session of Senate: Roosevelt Road Revived

Capital ournal

Salem Oregón, Friday, February 4, 1921

Free text books for students in he elementary schools of Oregon furnished material for a lengthy debate in the senate this morning, action on the question being deferred until this afternoon when all members of the house will be present to record their sentiments.

The question came up on a dirided report on senate bill number 19 by Senator Banks. A majority report signed by Senators Hume, Eberhard and Edwards stib State street, were hastily con-cluded yesterday when Constable Walter DeLong Jerked the colored man into the street and took him favors passage of the bill. A minority report signed by Senators Staples and Gill opposes the move. Material increase in taxes thro the free text book proviso was ac

Oregon had a chance to try or what drawn out session in which Hayes repeatedly declared he was free text books under an optional law in effect from 1913 to 1915 and not six school districts electnnocent and "knew his rights and privileges," he entered a plea of not ed to avail themselves of the privilege, Gill declared.

vanced by Staples and Gill in op

position to the bill.

" His trial by jury will be held Banks, in urging support of his Monday morning at 10:30 o'clock. measure, asked the senate to complete the job of free education. If Young Myers told officers that free schools and free tenchers are the alleged assault was precipitated y countless annoyances which, he proper then free text books are claims, the local newsboys have un. proper, he insisted. Pride prevent dergone at the hands of certain ed many poor families from avail-colored men. Certain of the negro ing themselves of county aid in obbootblacks, he said, frequently taining necessary text books un-whistle to the "newsies," presum- der the present law, he declared, ably because they wish to purchase and as a result many children were a paper. When these men are ap-Free text books were now in efper, look it over, laugh, and hand it

fect in twenty states, Banks stat-ed, and in no case was there any ed, and in no case was there any demand for a repeal of the law.

The cost of text books when purchased by the school district officers on the subject.

Chairman Butler did not say the call would be issued, but valking past the shine shop the other evening, Myers said they heard a whistle. His companion cent less than when purchased by "Oh, it's another one of those the various families in the dis-tron niggers," Myers said he andamn niggers," Myers said he an-swered. argument of higher costs.

Myers was apparently overheard That the Roosevelt coast high for, he alleges. Hayes came out in-to the street and struck him in the way which met with such hearty approval of the senate in its action on the Norblad-Hall bill Wednes-Hayes denies this.

"Never saw him—don't know fac: as yet was indicated this morn him—don.t know nothing about ing when a motion for the recall it." Myers told Judge Unruh. He of the bill from the house was ofwas informed that his contention fered by Senator Vinton. Action on was irrelevant at that time, and Vinton's motion was deferred pending the arrival of Senator Hall and a bitter fight over the road lon't know nothing about it. You've program in general and the coasfor't know nothing about it.

got no business to have me up highway in particular is expected here," the colored man informed before the day is ended. the judge. Eventually he was pre-valled on to submit a plea.

The first visible ripple on th apparently peaceful waters or which the coast highway was launched Wednesday appeared Thursday afternoon when Senator Thomas made a bid for recognition of the highway needs of the south ern Oregon country with a bil providing for the construction of to the highway commissioners
