Doctor Removes Own Appendex And Is Well; Medical Men Amazed

rage Nine

Kane, Pa., Mar. 18.—Two weeks from the time Dr. Evan O'Nelli Kane, if this city, amazed the med-loal profession by removing his own appendix he returned to the operating room and performed a lengthy major operation. His ra-pid recovery attests his remarka-ble vitality. Details of the self-if Dr. Kane had appendix downed a simple affair after being tried out. The time occupied was about thirty minutes from the commencement of the incision until the comple-tion of the operation, or removal of the appendix. This time could have been considerably shortened ble vitality. Details of the self-performed operation have been our staff in advance in order that learned since the patient has left each assistant might have known the sick room and disclose the fact what individual role was to be althat his work was even more won- lotted to him in the novel underthat his work was even more won-derful than was at first reported. "The experiment was worth while, fully worth while," declared Dr. Kane today, but declined to

ollows: First, ease with which local op-ration could be done. Kane took up a razor, for he pre-fers this instrument to a scalpel for making long and deep incisions

eration could be done. Second, can be done without any covering of the bowels — the peri-

severe pain. Third, pain more due to traction to the small knife and scissors, and rough handling of parts than to incision. Third, pain more due to traction to the small knife and scissors. Find Appendix Inflamed. "After reaching the bowels and "After the appendix Dr. Kane di-

be used in peritoneum after inci-sion had been made through skin and muscles, as this is the most of the wound and hold it there

Fifth, any surgeon not too obese bendix was inflamed and swollen

with a fair degree of skill could do such an operation on himself. The operation is even more smaxing when it is stated that in

work of closing the wound and ing a needle between these and the appendix made sure of no danger

Dr. Vogan gave the details of the peration, in substance, as follows:

heavy \$7.00@10.00; fat pigs \$10.00 to Dr. Kane and the surgeon pres-#11.50; feeder pigs \$10@11.50. ent were brought out by him and
