## April 25th to 30th Inclusive

Don't get the remarkable benefit of these factory offers you must come to our store at the above-given time. Every reason and excuse for postponing the pleasure of owning a **UNIVERSAL** Combination or Porcelain Range is now removed. If you think you would like, some day, to have one of these beautiful, washable sanitary ranges —

Don't put it off! You may never have an opportunity equal to this. Read every word of this advertisement — but remember — the special terms and inducements are good only during this exhibit. They may never be repeated.

### Three Ranges in One

This advanced type, highly-perfected Range gives you three ranges in one — gas, coal and wood. Yet it occupies no more space than an ordinary coal range. It has a separate gas broiler and an individual gas pastry oven. You can keep your kitchen cool in summer by using gas — keep it warm in winter by using coal or wood. Or you can use gas and coal simultaneously. Has self-starter for coal and wood and many other features you should see during this exhibit.

### Simplicity

By the exclusive **UNIVERSAL** patented feature shown above, this range is converted to a gas, coal or wood range by a simple twist of the wrist. No parts to change. Nothing to forget.

The entire operation of air, draft and dampers changes is controlled automatically by this one key. See it during this exhibit!

### FREE

#### THIS PORCELAIN TOP TABLE

During this exhibit the factory will include without charge the beautiful, white porcelain top, kitchen table shown below, with every **UNIVERSAL** Range purchased. This substantial, durable and sanitary table is a great improvement to any kitchen. Don't miss this opportunity!

### As Sanitary as a China Dish

**UNIVERSAL** Ranges are made of grey cast iron throughout — finished in Pearl Grey or Peacock Blue "Univit" Porcelain which is as hard as flint — will retain its beauty and lustre to the end. It will not crack, chip or discolor. It will not absorb grease. Just wipe it off! It is as clean and sanitary as a china dish. Why endure a bothersome, oldstyle, dirty stove when the factory has made it so easy to enjoy a bright, handsome Universal Porcelain Range? Don't miss this exhibit.

### A Price for Every Pocketbook

**YOU** can afford a **UNIVERSAL**. There are many styles and prices to choose from. But the factory will not permit us to extend these big offers beyond the closing dates of this exhibit. So tomorrow is your last chance.

### YOUR OLD STOVE TAKEN IN EXCHANGE

During this exhibit of **UNIVERSAL** Ranges — we'll take in your wasteful, broken-down old cook stove or heater, and make you an especially liberal allowance on your new purchase. Make your own terms on balance. An opportunity. Grasp it. Come to exhibit Monday.

Prices Guaranteed To Jan. 1, 1922

There positively will be no price reduction this year — we guarantee refund if there is.

### \$5.00 DEPOSIT

\$5.00 Cash will hold any **UNIVERSAL** Range you may select for future delivery and entitles you to all special inducements of this exhibit.
