Stock Adjustment Reductions

Our Season in SUITS and COATS has been exceptionally good. We have now reached that point where sizes are becoming broken, leaving one or two garments of a lot. We have gone thru the stock and segregated the "broken lines" which we have re-marked at SPECIAL PRICES. Don't imagine these are left-overs, or cheap imitation models bought for a sale—they are our regular stock of "This Season's New Up-to-the-Minute Suits and Coats." This is not a big Hurrah Sale with a lot of noise, but a quiet "Clean-Up Sale" to adjust and balance our stock, affording remarkable savings for the woman who appreciates Real Bargains.
