County Court's Explantion of Excess Levy In Marion Not Fully Substantiated

Failure of the Marion county ourt to make an explanation of the presence of an excess of \$33,-342 over and above the legal limit in the 1921 tax levy, other than it was a mistake—the blame for which is unplaced-coupled with the fact that the court has been aware that such an excess existed since early in April without making any announcement of the fact, today places the excess in the light of something more than an error. ·Today the taxpayers are asking why, since the excess was called to the attention of the county court by the Southern Pacific railcosd company when it paid its taxes prior to April 5, the alleged 'error" has not been traced to its source in the six weeks or more that have elapsed? Why no anmust be made on taxes already paid, instead of admitting the full amount of the over-jevy of \$33.— cherd said, and have been found now on the property, it was stated, and other suits are pending. the state tax commissioner?

That the "error" was something more than an accident is well within the bounds of reason.

Under Troop Rule

Proclamation Necessary to End "State of War, Insurrection and Riot," Says Executive; Labor Leaders Appeal to Non-Union Miners to Strike; Protection Promised

Charleston, W. Va., May 20 .- Governor Morgan today issued a proclamation declaring martial law in Mingo county, the scene of industrial strife for more than a year.

What has been termed a "lockout strike" has been in progress in the coal mines of the Mingo field for almost a year and, according to the governor's proclamation a "state of war, insurrection and riot is and has been for some time in existence."

Soon after the governor's proclamation appeared, Charles F. Kenney, president of the district 17, United Mine Workers of America in a signed statement called upon all nonunion miners in the Mingo field to strike and promised them union benefits while they were idle.

Militia Receives Rifles
Williamson, W. Va., May 20.—Determination of the Mingo county authorities to preserve order in the upper Tug river valley mining region took tangible form today when several hundred rifles were received by Captain Brockus, commanding the state police in this region. They were taken to the court house where business and professionel men who yesterday took the oath as special state policemen were wait-
