Fire Destroys Farm Home On Silverton Road

Silverton, Or., May 25.—Fire originating from a defective chimney Monday afternoon destroyed the farm home of N. A. Hall two miles southwest of town. Mrs. Hal and her daughter-in-law, Mrs. Andrew Hall, were the only persons at home when the fire was discovered and the flames were pouring out of the roof before they realized that the building was on fire. John Moe arrived on the scene after the fire had almost wholly consumed the building. The Silverton fire truck was sent out to the farm but arrived too late to be of any service.

Very little of the contents were saved. Neighbors carried out some of the household furniture and part of the stove wood was removed from the shed back of the house. Mr. Hall and his son were working at the Simmons farm some distance from home and did not know of the fire until they returned in the evening. It is not known how much insurance was carried on the property, if any.

Benton County Employs Wm. Rue To Trap Gophers

Monmouth, Or., May 25.—Wm. H. Rue, 75 years old, has closed a contract with the Benton county commissioners to trap gophers on 3000 acres of land in that county. Rue has trapped gophers in Polk county for the past four years, during which time he has captured 6000. Recently he caught 1284 on one 30-acre tract. His best day's catch was 71 and his average was 30 per day with 15 traps. He received 25 cents each for the pelts, making his average wage for that period \$7.50 per day. Gophers are said to be very numerous in Benton county this year and Rue expects to make better wages in that part of the country than he did in Polk county.

Zerolene Bears, Salem Senators, to Play 2 Games

The Zerolene Bears baseball nine will meet up with the Salem Senators in two games to be played next Sunday and Monday, it was announced this morning.

Leonetti and Krause will pitch for the Bears and Perkins will catch. Who will comprise the Senators' battery is not at present known.

Doeneka Gains 20 Pounds On Tanlac

"For forty years," said J. C. Doeneka, of 1241 1/2 Macadam road, Portland, "I was all run down and under weight. No matter what I took I couldn't get above a hundred and thirty pounds, but Tanlac has actually built me up to a hundred and fifty, which is more than I ever weighed in my life.

"My appetite wasn't up to what it should have been, and I didn't get the proper nourishment and strength from my food. I couldn't rest well at night and would get up in the morning all tired out and with scarcely any energy at all.

"Well, sir, Tanlac has given me a splendid appetite and has actually built me up twenty pounds in weight. I sleep good and sound every night, and I am feeling so fine in every way that I believe I could outrun any man or my age in Portland. Why, I simply feel like a new man and Tanlac will always get a good recommendation from me." (adv)

Fords Run 34 Miles On Gallon Gasoline

A new carburetor which cuts down gasoline consumption bills from one third to one half is the proud achievement of the Air-Friction Carburetor Co., 993 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of all motors from 30 to 50 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather. You can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. Many Ford owners say they now get as high as 45 to 50 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone, all readers of this paper who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents, to whom they offer exceptionally large profits. Write them today.—Advertisement.

Hugh Bressler Will Be Buried at Monmouth

Monmouth, Or., May 24.—The remains of Hugh Bressler, who died at Portland yesterday, will be buried in the Monmouth cemetery tomorrow, and funeral services will be held in this city. Mr. Bressler, in survived by his son, Bert Bressler of Yeoman, Or. Mrs. Bressler, his wife, died two years ago. He was an active loganberry grower until a couple of years ago when he retired and moved to Portland. Mr. Bressler is also survived by two brothers and two sisters, namely: William Bressler, John Bressler, Mrs. Jennie Woolery and Mrs. Lizzie Gillean of Dallas.

Miss Winifred Beers has gone to Salem to assist her grandmother, Mrs. Oliver Beers, who is ill.

Settlers Hold Company Right To Water Void

Claims of the Orchards Water company to water rights on the Willow river in Malheur county were contested by settlers on the company's project in a hearing before the state water board here Monday afternoon. The Orchards Water company is successor in interest to the Willow river Land and Irrigation company which constructed a reservoir on Willow river and attempted the reclamation of some 20,000 acres of land in Malheur county. The state water board adjudicated the water rights on Willow river giving certain rights to the company which was given until January 1, 1918, to complete development work.

The Orchards Water company is now claiming to have completed development of some 4600 acres of this land to which it is asking for water rights. Part of this land still belongs to the company and the settlers, contending that there is an insufficient supply of water for the entire tract claim preference rights to the available supply.

The state water board also had up for consideration Monday the adjudication of certain water rights on the Silvers river in Harney county as well as other minor problems; all of which were taken under consideration.

At a recent meeting of the school directors three teachers were elected to take the places of Mrs. J. W. Moore, Miss Freda Bohn and Miss Skeland, who were re-elected but could not accept the positions another term. Those elected are Miss Sims of Portland, Miss Bjornas of Woodburn and Miss Francis Harriage of Weiser, Idaho.

All salaries were fixed by the board the same as last year, and the teachers are given ten days in which to enter contract with the directors.

the week-end in Salem.

Mr. and Mrs. W. Butsky visited with friends over in the Santham bottom Sunday.

J. Craig lost a valuable thoroughbred Jersey cow Friday from poisoning.

Mr. and Mrs. Comstock of Salem spent several days here last week visiting relatives.

Commencement at Woodburn School Set For May 30

Woodburn, Or., May 25.—On account of the chautauqua the date of the senior class commencement exercises has been changed to the evening of May 30th. The baccalaureate sermon will be delivered to the class next Sunday and class day will be on Friday of this week. The schools, however, will continue until June 5.

At a recent meeting of the school directors three teachers were elected to take the places of Mrs. J. W. Moore, Miss Freda Bohn and Miss Skeland, who were re-elected but could not accept the positions another term. Those elected are Miss Sims of Portland, Miss Bjornas of Woodburn and Miss Francis Harriage of Weiser, Idaho.

All salaries were fixed by the board the same as last year, and the teachers are given ten days in which to enter contract with the directors.

Perrydale Nine Joins Yamhill 8-Club League

Dallas, Or., May 25.—The Perrydale baseball club has joined the Yamhill league, which will be composed of eight clubs. The first game of the official season to be played at Perrydale will be Sunday with the Lafayette team. The Perrydale folks did their best to bring about the organization of a six-team league in Polk county, but failed. They asked Dallas, Independence, Falls City, Sheridan and any other one community that wanted to come along to join with them in the formation of a league that would have doubtless proved to have revived local interest in baseball. The Polk county folks failed to enthuse and when an opportunity offered Perrydale joined the Yamhill county league.

Oh How Glorious to Be Free From Rheumatism's Tortures!

Just suppose you could be free from your deep-seated, agonizing rheumatic aches and pains, your stiff joints and unsightly swellings! Wouldn't you give anything to get rid of them?

You have doubtless rubbed on outside treatments; most rheumatism sufferers have. Some of these take the edge off the terrible pain for a few hours, but they do not strike at the cause, which nearly always lies in the poisoned, impoverished blood. When this is so, you need an internal remedy, one that will take out the impurities that are torturing you, one like famous S.S.S., which has relieved thousands of cases of rheumatism all over the country just this way.

Get S.S.S. from your druggist today, and after starting with it write us a history of your case, addressing Chief Medical Advisor, 877 Swift Laboratory, Atlanta, Georgia.

Prince Albert is sold in tinfoil bags, tinfoil and tin, handsome pound and half pound tins, tins and in the grand crystal glass tins, with sponge moistener top.

Me-o-my, how you'll take to a pipe—and P. A.!

Before you're a day older you want to let the idea slip under your hat that this is the open season to start something with a joy's jimmy pipe—and some Prince Albert!

Because, a pipe packed with Prince Albert satisfies a man as he was never satisfied before—and keeps him satisfied! And, you can prove it! Why—P. A.'s flavor and fragrance and coolness and its freedom from bite and parch (cut out by our exclusive patented process) are a revelation to the man who never could get acquainted with a pipe! P. A. has made a pipe a thing of joy to four men where one was smoked before!

Ever roll up a cigarette with Prince Albert? Man, man—but you've got a party coming your way! Talk about a cigarette smoke; we tell you it's a peach!

PRINCE ALBERT the national joy smoke

At the blind school, the boys' training school and the girls' industrial school programs will be rendered.

State Receives \$28,000 From Clarke Estate

Payment of \$28,000 inheritance tax was received from the John Clarke estate in Multnomah county by State Treasurer Hoff this morning. It was around this estate that the inheritance tax department fought out and won its contentions concerning the provisions of the 1919 amendment to the inheritance tax law relative to exemptions. The estate claimed an exemption of \$10,000 for each of the lineal heirs under this amendment, whereas the inheritance tax department was

Many School Children are Sickly Mothers who value their own comfort and the welfare of their children, should never be without a box of Mother Gray's Sweet Powders for Children, for use throughout the season. They break up colds, relieve feverishness, constipation, teething disorders, headache and stomach troubles. Used by mothers for over 30 years. THESE POWDERS GIVE SATISFACTION. All drug stores. Don't accept any substitute. (adv)

Circuit Judges To Get Pay Monthly Despite New Law

Circuit judges in Oregon will continue to receive their salaries monthly in spite of the fact that a provision in an act of the last legislature provides for quarterly payments. This provision, Attorney General VanWinkle holds, is a continuation of the language contained in the old act and has been superseded by a later law providing for monthly payments which takes precedence. The opinion was written for Secretary of State Koser.

More Rabbis Needed. Buffalo, N. Y., May 24.—The lack of spiritual leaders and a

consequent drift of Jewish and women away from the was emphasized by President Walter Frieberg, at the annual session here today of the American Hebrew congress. Last year, he said, fourteen men were graduated from the brew Union college while 44 registrations applied for rabbis.

BELL'S HOT WATER
FOR INDIGESTION

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.

Chamberlain's Tablets

U.S. CHAIN TREAD

One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The U. S. Chain Tread gives sufficient traction on all ordinary road surfaces. It is probably the handsomest, and by all odds the most popular, of the whole U. S. Fabric Tire line.

"As in the greatest cities so in his own home town—the U. S. Tire user gets fresh, live tires of current production."

"In every section, however remote, you find a dealer in Good, Live U. S. Tires."

Economy rides on U.S. Tires

If you could get together all the car owners you know, you'd probably find that their tire experiences had been much the same.

Most of them have taken their fling at "job lots," "discontinued lines" and "surplus stocks." Soon or late, nearly all settled back on quality first as the one sound assurance of tire value.

As soon as a man forgets the cut-price tag, and comes to the dealer who concentrates on a full, completely sized stock of U. S. Tires—he learns what it means to get fresh, live tires—not once in a while but every time.

Not merely in the big cities, but in his own home town.

Not merely for the heavy car, but for the medium and light-weight car—a full selection of size, tread and type.

Your U. S. Tire dealer can give you this service because of the service he gets from his neighboring U. S. Factory Branch. There are 92 of these Branches. Each gets its share of U. S. Tires, so that the dealer is always supplied with fresh, live stock.

U. S. Tires sell as fast as they are made. There is no over production. No surplus piled up waiting for a "market."

Wherever you buy a U. S. Tire—you buy a tire of current production, as full of life and value as the day it left the makers.
