The committee appointed by the board of trustees of the Willamette university at a recent meeting in Portland, to investigate the matter of rebuilding the gymnasium at the university, met yesterday and after viewing the grounds reached the conclusion that the building should be erected in the east part of the grounds and it is the intention to ultimately place the field against it. The committee will report at the next meeting of the trustees which will be held in June.

Horace L. Rohkops, who graduated last year from the Willamette university, and who has been attending the Curry school during the past winter, returned to Salem yesterday. He has been engaged to teach in the state normal school next year at Bellingham, Wash.

Frank Bennett, a member of the class of '21 of the Willamette university, has been engaged as principal of the Westport high school at a salary of \$1800 a year. He will begin work next fall.

Mrs. Carl G. Doney leaves the first of next month for Columbus, Ohio, where she will visit four or five weeks. Mrs. Doney will meet her son, Paul H. Doney, who has been doing advance work in the Wesley university at Middletown, Conn. When Mrs. Doney returns to Oregon she will be accompanied by her son.

Plans are being formulated at the Willamette university whereby a large delegation of students will go to Seabeck, Wash., June 18 to attend the Y. M. C. A. conference.

Foresters of America will give a dance in their hall Thursday evening May 26; all friends are invited. Good music, 125*

Wm. Scollard of West Woodburn was transacting business in Salem a few hours yesterday afternoon.

John L. Rand of Baker was among the out of town visitors in Salem yesterday.

R. A. McDonald of Portland was in the city on business yesterday afternoon.

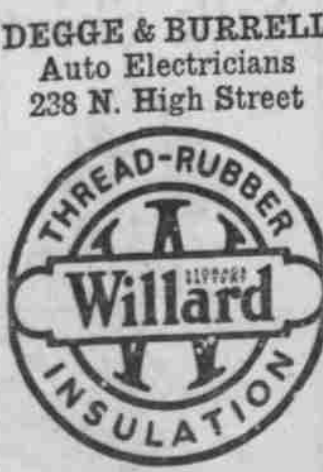

Separated or Insulated
The plates in your battery may be merely separated or they may be insulated.

If insulated with Willard Threaded Rubber Insulation, your old-time wood-separator battery worries are over.

It's a satisfaction to know that Threaded Rubber Insulation does not puncture, check, warp, crack or carbonize—

No bills for wood-separator replacement with the Willard Threaded Rubber Battery. Threaded Rubber Insulation outlasts the battery plates.

DO IT BY LONG DISTANCE

In the battle for commercial supremacy victory lies with the man who makes the best use of his resources.
From your own telephone you can talk to business houses in Eugene, Portland, Albany, Corvallis, Astoria, The Dalles, Oregon City, Woodburn, Silverton, Dallas, and hundreds of other cities and towns far and near.

Think what this service means to you now when competition is keen and you must reach the buyer often to increase your sales. Why not try the plan of getting in touch with your customers by Long Distance? It will save time and expense, and your business will grow.

Ask for Pacific Long Distance.
THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Tal-Ly-Ho
A New Fabric
Made by J. A. Migel
In a SKIRT ad published by us on April 15th we erroneously advertized these garments as made from "Mallison's Latest Fabric"
"TAL-LY-HO"
This was entirely unintentional on our part as "TAL-LY-HO" silks are made exclusively by J. A. MIGEL, and our ad should have read
MIGEL'S Latest Silk TAL-LY-HO
See these garments in our ready-to-wear department.
